THE NEW
PROTON X70

INTELLIGENCE
THAT INSPIRES[®]

REFINED DESIGN

"DESIGN IS INTELLIGENT THINKING MADE VISUAL"

Luxury goes beyond a visually impeccable exterior. It's also in the finer details within the cabin, ready to pamper you on any journey. In the PROTON X70, everything is designed with your utmost comfort in mind.

Front

Welcome Lamp

Illuminate the way to the front doors of the vehicle with an exquisite touch.

Ethereal Grille

17"/ 18"/19" Sporty Alloy Rim

LED Headlamps with Daytime Running Lamps

Style meets purpose for increased visibility in all weather conditions.

Nappa Leather Power Seats

Soft and supple seats equipped with power adjustment. The driver seat offers 6-way adjustment with 2-way lumbar support while the front passenger seat offers 4-way adjustment with boss switch for sheer comfort and convenience.

Panoramic Sunroof

Catch the breath of the fresh air or open up to experience the world from the where you are.

Front Ventilated Seats

Circulate cool air through the front seats with electronic controlled fans for improved ventilation and extra comfort.

LCD Meter Combination

7" high definition display delivers crisp and clear images of the information that matters most.

Instrument Panel

Meticulously crafted with luxurious soft touch surfaces and silver finishing.

Auto Dual Zone Air Conditioning

Maintain an optimal interior temperature and control it separately no matter what the weather outside. The temperature can be set separately in 2 zones.

N95 Filter and Air Purifier System

N95 grade filter filters out fine particles (PM 2.5). Air purifier system filters out harmful gases, removes bad odour and kills bacteria.

Power Tailgate with Foot Sensor *

Open and close the tailgate hands-free thanks to the motion sensor that detects your foot movement.

REDEFINED CONNECTIVITY

"CONNECTIVITY.

THE PERFECT UNION OF INTELLIGENCE
INTUITION AND INNOVATION"

Command centre. Assistant. Entertainer. Everything you need to conquer the journey ahead lies at the tip of your fingers or activated through your voice. In the PROTON X70, it's never just a drive. It's about making your life better with intuitive intelligence.

Smart Phone Connectivity

Android mirror-link for your Smartphone.
Compatible with Android and IOS.

Auto Rain Sensing Wipers

Automatically switches on and adjusts the speed of the front wipers according to rainfall intensity for maximum visibility.

8" Touchscreen Monitor

Control various car functions and other entertainment features easily.

9 Speakers with Power Amplifier and Subwoofer

Indulge in an immersive experience with power-packed surround sound system.

6 USB Ports

Charge electronic gadgets with ease. 2 at the front console, 1 at the console box and 2 below the rear air vents. Unique to PROTON X70, there is also a dedicated USB port behind the rear view mirror to power the dash cam.

Voice Command Say "Hi PROTON"

to control features like windows, air-conditioning and various car and entertainment functions through the 8" infotainment head unit.

REASSURED SAFETY

"SAFETY AND PEACE OF MIND. IT ALL STARTS FROM WITHIN"

Sees what you can't. Knows before you do. It's these intuitive touches that make the PROTON X70's safety features intelligently exceptional.

Electronic Stability Control (ESC)

Utilising Bosch 9.1 technology, it improves the vehicle's stability and traction.

Hill Hold Assist

Prevents from rolling backwards or forward on a hill slope when starting from a stationary position.

Hill Descent Control

Safety feature that maintains the downhill speed at 4km/h.

Advanced Driver Assistance System (ADAS)

Equipped with radar and camera sensors to look out for what you may miss and react accordingly to keep you and your loved ones safe.

Autonomous Emergency Braking (AEB) & Forward Collision Warning (FCW)

Alerts and brakes automatically to reduce the risk of injury when a potential collision is detected.

Adaptive Cruise Control (ACC)

Maintains a safe cruising distance with the vehicle in front regardless of changes in speed.

*ADAS safety features are not a substitute for safe and attentive driving. Driver remains responsible for safe vehicle operation at all times.

Lane Departure Warning (LDW) *

Alerts the driver when the vehicle unintentionally drifts out of the lane.

Blind Spot Information System (BLIS) *

Monitor for blind spots and alerts the driver when vehicles are nearby.

Intelligent High Beam Control (IHBC) *

Automatically switches the head lamps between high and low beam when there are oncoming vehicles.

**Door Opening
Warning System (DOW)** *

Senses potential danger when opening the front doors.

360 Camera and Parking Sensor
Provides visual and audible assistance to park with ease.

6 SRS Airbags
Deploys during a collision to protect and reduce the risk of injury.

Tyre Pressure Monitoring System (TPMS)
Monitor real time tyre pressure and temperature to provide peace of mind.

Reinforced Safety Structure
Utilising hot press forming (HPF) method of metal stamping that results in increased strength and rigidity compared to normal metal stamping.

Reinvigorating The Lifestyle

**RESPONSIVE
PERFORMANCE**
"IGNITE YOUR DRIVE WITH
EXCEPTIONAL PERFORMANCE"
Blue steel, high demand. Explore what's under the hood of the PROTON X70 and drive
towards powerful performance.

1.5 L TGD Engine

Experience a powerful yet efficient drive with 130 KW of power and 255Nm of torque.

Intelligent All Wheel Drive

Developed by Borg Warner to improve safety and handling in unfavourable road conditions.

7-Speed Dual Clutch Transmission with Manual Mode

Offers the best of manual and automatic transmissions for faster, smoother and more efficient gear shifting.

1.9 MILLION KM OF TESTING

More than 40 times around the world

Jointly Developed by VOLVO and GEELY

Used in more than

600,000

Cars Worldwide

Auto Brake Hold

Safely retains the brake pressure when stopping at traffic lights or in heavy traffic. Brakes are released by depressing the accelerator pedal.

Drive Mode Selection

Choose between Normal, Eco or Sport modes to fit your driving style.

Ride and Handling

Tuned to provide a safe, comfortable and enhanced NVH driving experience.
