EVEREST

#NextGenEverest

Yours to master

You wanted an SUV with uncompromising capability, safety and comfort. A complete SUV: tough on the outside, sanctuary on the inside, and ready for everything ahead of you and your family. You demanded it, we built it: introducing the Next-Generation Ford Everest.

Everest Platinum

Platinum brings an exclusive level of sophistication, luxury and intelligence to overlanding mastery. Built because we can, Everest Platinum is King of the road.

Everest Trend

With a next-gen capability and technology, Trend is ready to embrace anything thrown its way. Ruggedly stylish, smart and safe, Everest Trend is yours for fun and adventure.

Everest Sport

Blacked-out grille, trim and wheels are matched with an athletic ebony interior, for a dominant signature effect. Everest Sport is ready to take on your adventures.

Coast-to-coast instrument panel increases the sense of space and width in the cabin. The digital instrument cluster and integrated 12-inch centre LCD touchscreen are surrounded by premium materials and finishes.

Engineered sanctuary

You told us to take the interior to the next level, so we did. Everest's cabin is simply breathtaking. It's comfortable, beautifully finished, spacious and purposefully laid-out. We think it redefines the segment.

Intuitive technology
Everest is packed with next-gen tech to make driving safer, easier and more fun. From simple touches such as wireless charging to sophisticated systems that can park for you at the touch of a button.¹
