

The new Kia Picanto

Movement that inspires

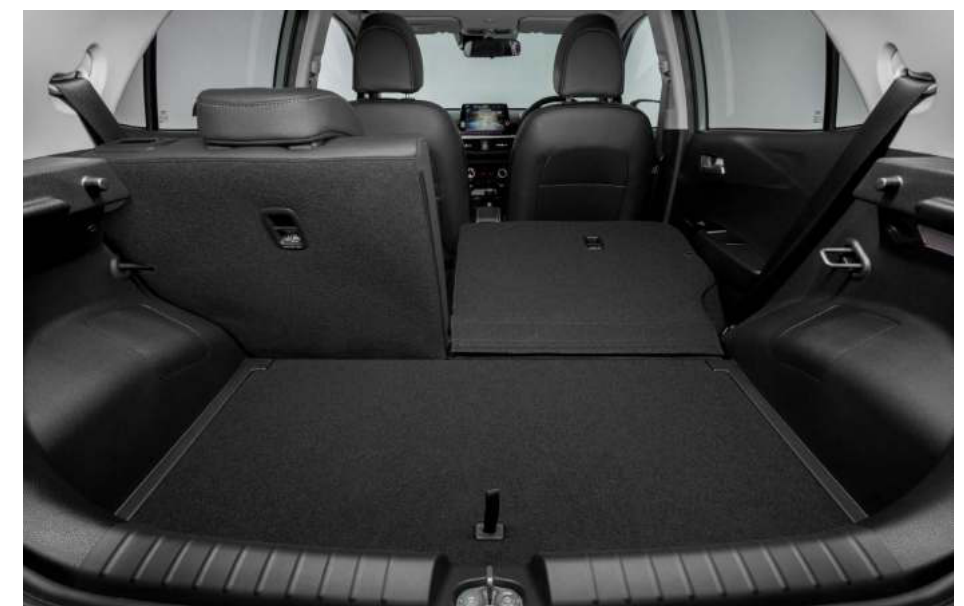

Little beauty.

At Kia, we believe that everything we make should be the best it can be.

So when we designed our smallest car, we made sure that every aspect, from the styling and safety technology, to the quality of the interior, is every bit as inspiring as our biggest cars.

Compact, comfortable and versatile, the Picanto GT-Line is the perfect city companion, but take it out on the open road and you'll soon discover that size is no barrier to performance. The Picanto's interior is a masterpiece of minimalism with plenty of space for four adults.

A lively 1.25L petrol engine coupled to a smooth 4-speed automatic transmission delivers 62 kW of feisty performance and with a very economical 6.7 L / 100 km, your Picanto GT-Line will take you a long way between fills.

Simply perfect.

Kia's Picanto GT-Line's interior is a masterpiece of minimalism with an 8" touchscreen displaying infotainment and rearview camera images. Connect your phone for music streaming and hands-free calls with Apple CarPlay™ or Android Auto™.

As well as being spacious and comfortable, the Picanto is equipped with a comprehensive range of safety and driver assistance technologies. Rear parking sensors and a rear-view camera guide you easily into the tightest parking spaces while electronic stability control, autonomous emergency braking and six airbags protect you and your passengers.

Choose your exterior.

Kia confidence goes further.

All new Kia Passenger Vehicles come with an impressive 5-Year/150,000 km (whichever comes first) Warranty Programme covering against manufacturing or assembly defects. This warranty programme is transferable between owners and emphasises our commitment to our customers.

INCIDENT CARE

If you and your new Kia were unfortunately involved in an incident or crash that requires body repairs to your Kia, Kia Incident Care is here to help you, and is free for the first five years.

5 YEAR Roadside Assist

A Roadside Assistance Programme for the duration of the Warranty Period is also offered on every new Kia at no cost. In the unlikely event that your Kia has broken down, help is only a call away and trained staff will be dispatched to your location. If a repair cannot be conducted on the spot, the vehicle will be towed free of charge to the nearest Kia dealer.
