THE IMAGES AND CONTENT IN THIS BROCHURE HAVE BEEN SOURCED GLOBALLY AND MAY DIFFER FROM NEW ZEALAND SPECIFICATION.

*Fuel consumption and emission figures are WLTP figures based on converted NEDC results tested under controlled conditions and are for comparison purposes only. Actual results will vary depending on factors such as vehicle usage and operating conditions. You should not expect that the exact fuel/energy consumption, emission and driving range figures will be achieved in real world driving conditions. In order to provide you the latest model information, the specification listed is on a provisional basis and therefore may be subject to change.

Every endeavour has been made to ensure text details and specifications contained in this publication were accurate as at 13 December, 2022. Lexus New Zealand reserves the right at any time to introduce any changes deemed necessary to improve the models shown or for any other reason. Paint, upholstery and interior trim colours shown in this brochure may differ from actual colours due to variations in printing processes. Some models shown in this brochure may have optional accessories fitted. For further information please contact your local Lexus Dealership. They will be glad to assist.

Production effective September 2022 • LEXUSISBL • December 2022
