Inspire, Excel, Together.™

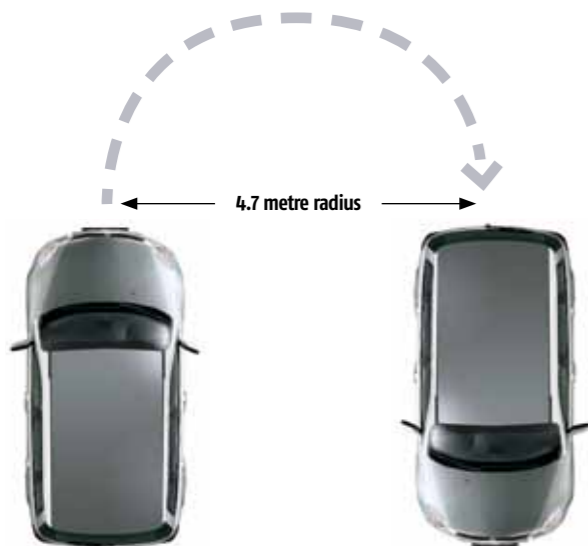

SMART DESIGN WITH EXTRA EXCITEMENT

The neatest car you've ever seen is now the smarter choice for all sorts of practical reasons. Now it's even smarter with new colours, new design features, and a cleaner running engine with even more get-up-and go. Go get it!

➤ TURNING CIRCLE

➤ INTERIOR

➤ FLEXIBLE SEATING ARRANGEMENT

➤ POWER WINDOWS

LIGHT & ZIPPY ECONOMICAL YET RELIABLE

The heart of Colt is its lightweight, high performance, 1.5 litre MIVEC engine. Fast around-town acceleration, nippy motorway performance, and frugal fuel consumption are the hallmarks of this small hatch with a big heart.

LIGHTER, EASIER TO HANDLE

Because it's all aluminium, the engine is lighter, helping to make Colt more economical to run.

Less weight over the front wheels also makes Colt a dream to handle. Parking and manoeuvring in tight spots has never been easier!

BRILLIANT FUEL ECONOMY, FEW EMISSIONS

Colt's engine features Mitsubishi's MPI (Multi-Point Injection) system which burns fuel efficiently and cleanly. Increased efficiency equals more kilometres from every tank. Lower emissions means it's more environmentally friendly.

The Mitsubishi Colt Plus has proven that the hype over hybrid cars is exactly that.

Four days of driving from Auckland to Wellington return on the 2008 AA Energywise Rally saw the Colt Plus win its category and finish second overall, in between two competitor hybrids of the same make and model.

Achieving an average consumption of 4.8L/100km for the round-trip, the 1.5L hatchback finished first in the small car category, bettering its publicised fuel consumption (5.5L/100km) by almost three-quarters of a litre per 100 kilometres.

MORE RELIABILITY

With fewer, more advanced parts, Colt is designed for reduced maintenance and years of trouble-free motoring. For instance, the accelerator is connected to the engine electronically so there's no cable to wear out. And the traditional rubber cambelt has been replaced with a high-technology chain to help ensure longer, more reliable engine life.

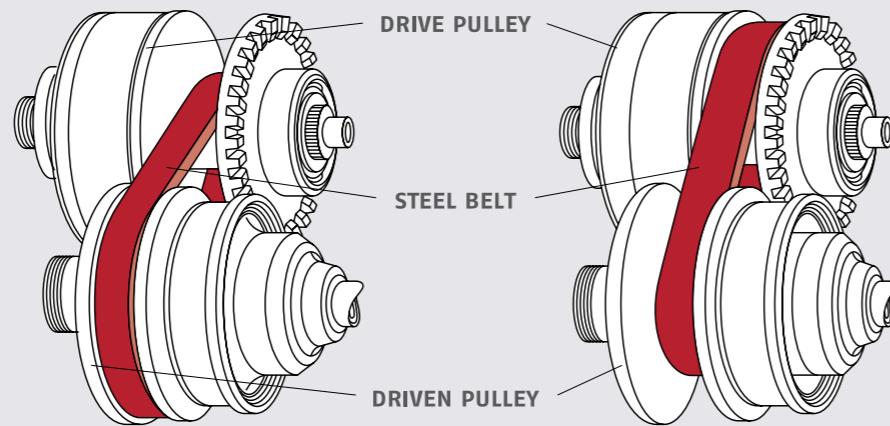

The advanced technology of Mitsubishi Colt's engine is matched with one of the most sophisticated transmission systems you'll find in a car. Together, they deliver the performance and driveability that make this car such a delight to drive. Of course, power has to be balanced with road handling, and excitement must be balanced with safety. Mitsubishi Colt delivers that happy balance.

CVT

The Mitsubishi Colt's peppy 1.5 litre MIVEC engine is coupled to an advanced INVECS-III Continuous Variable Transmission (CVT) which has the ability to 'learn' your driving style ensuring performance and efficiency under all driving conditions.

The CVT is an alternative transmission and operates by varying the working diameters of the two main pulleys in the transmission to keep the engine in its optimum power range, thereby increasing fuel efficiency and overall driving smoothness.

The pulleys form V-shaped grooves in which the connecting belt rides. One side of the pulley is fixed; the other side is moveable. The cylinder can increase or reduce the amount of space between the two sides of the pulley. This allows the belt to ride lower or higher along the walls of the pulley, depending on driving conditions, thereby changing the gear ratio.

Better to be safe

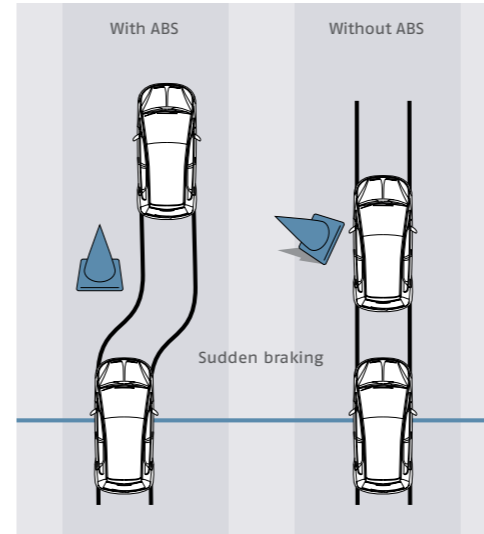

NEW STRAIGHT FRAME PLATFORM

The Colt's design platform combines straight frame outer rails with octagonal section cross-members and spherical section doors and floor, for reassuring body stiffness and crash-worthiness. Active and passive safety systems ensure high occupant protection.

Active safety

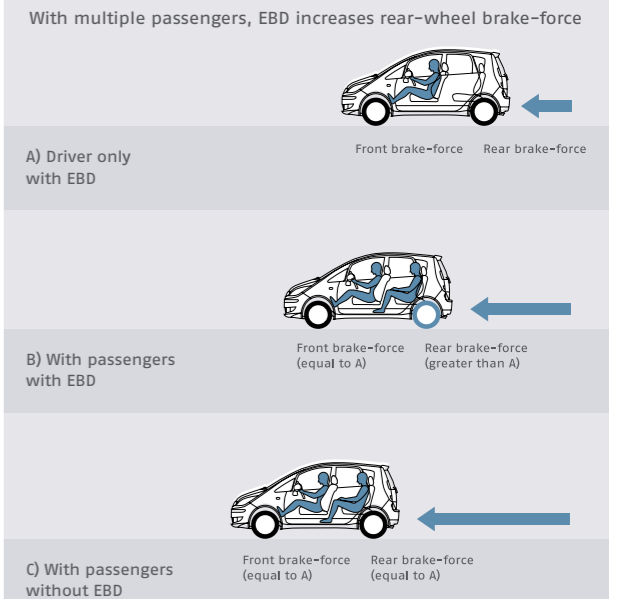

Active safety systems, to help the driver avoid accidents, include anti-lock brakes and a high-mount brake light.

ABS WITH EBD

Anti-locking (ABS) brakes use computer-integrated EBD (Electronic Brakeforce Distribution) to ensure controlled, linear braking regardless of road conditions or cargo load.

EBD EFFECT (STOPPING DISTANCE WITH IDENTICAL BRAKING FORCE)

Passive safety

AIRBAGS AS STANDARD

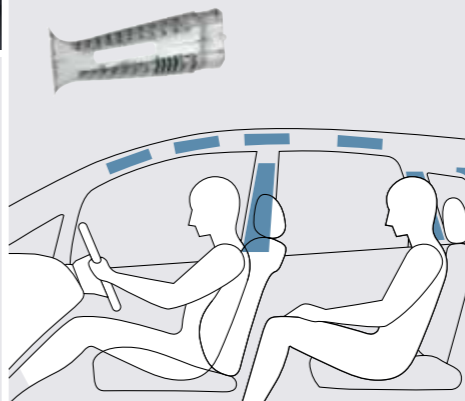

SRS front airbags, when used in conjunction with ELR seat belts, offer driver and front passenger maximum protection in frontal collisions.

Side and curtain airbags provide even more safety and protection for all passengers (available as standard on Colt Plus LS and as an optional extra for Colt LS).

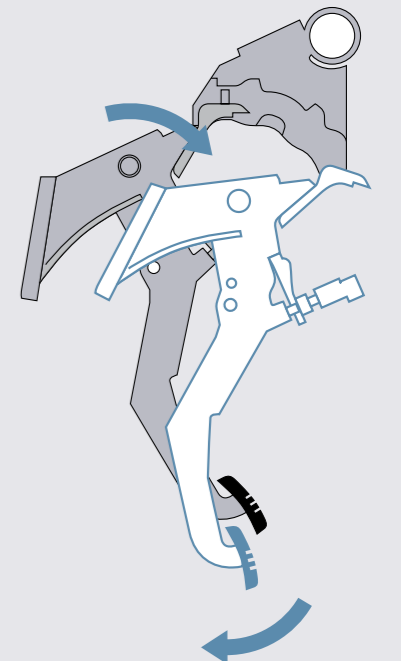

IMPACT-ABSORBING MEASURES

Impact-absorbing materials are contained within the roof pillars and linings to increase the occupants' safety.

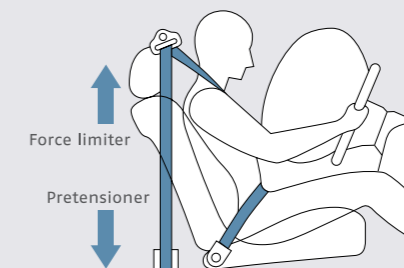

ANTI-INTRUSION BRAKE PEDALS

Anti-intrusion brake pedals collapse in the event of a frontal collision to help prevent ankle and leg injuries to the driver.

FORCE LIMITER WITH PRETENSIONER

Force limiters with pretensioners on the front seat belts ensures that, on impact, the pretensioner instantly takes up any slack with the force limiter then easing the seat belt tension to help prevent inadvertent seat belt injuries.

IT'S EASY TO SEE THIS IS NO ORDINARY HATCH

Walk round the Colt LS. Note the attention to detail. The supportive seats, air-conditioning and privacy glass to keep the interior cool and more secure. The safety features like driver and passenger airbags and ABS brakes with EBD that distributes braking depending on load. The convenient keyless entry and turning circle that makes tight spots a breeze. Wouldn't you love promenading round town in this stylish hatch? Yes, we thought so.

➤ KEYLESS ENTRY

➤ FLEXIBLE SEATING

➤ AIRBAGS

➤ FOLDING MIRRORS

STYLISH INDIVIDUAL AND AMAZINGLY PRACTICAL

Colt Plus wears its extra space superbly, with a swept-back look that is sleek and streamlined. Slip into the driver's seat and the floor-mounted shift falls easily to hand, putting you in charge of the willing 1.5 litre MIVEC engine. Enjoy the convenience of the remote, power tailgate, and a luggage area with multiple possibilities. Get the Colt Plus on the road, and you'll quickly see this is a car that is as much a joy to handle as it is versatile and practical.

A push of the button opens the tailgate

When you've got your arms full of shopping, or the ground is too wet to put your load down, Colt Plus makes life easy with a power-operated tailgate. It opens and closes swiftly and smoothly with a press of a button.

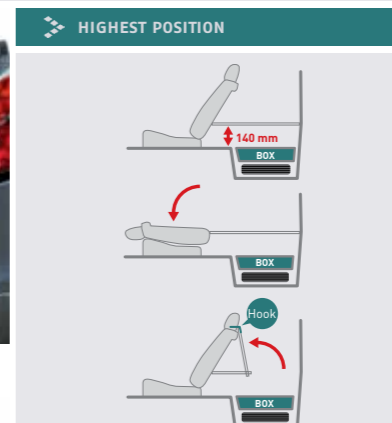

More cargo space than any hatch in its class

With 30 cm extra length than the Standard Colt, Colt Plus gives you a huge amount of luggage room, and all sorts of ways to arrange it.

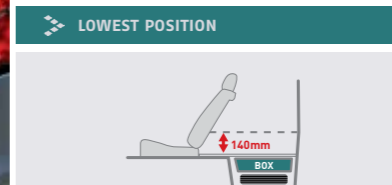

A button on the boot wall allows a simple, one-touch operation that tumbles the rear seats forward. With both back seats down there's room for 2 sets of golf clubs. If you're packing something longer, the front passenger seat can also be laid flat.

Adjustable luggage bay floor gives you more options

The rear part of the cargo board opens and closes. It can be secured to the headrest stay, easing access to the space beneath the board.

The cargo board lowers down to 140mm.

The luggage compartment floor has two levels. The higher one gives you a roomy floor box beneath – ideal for wet gear or items you need to keep out of sight. It also creates an even surface in the cargo area for things that need to lie flat.

Dropping the floor to the lower level gives you room for taller items like furniture or potted plants. Whatever you need to pack into your life, the versatile Colt Plus makes space for it.

COLT PLUS

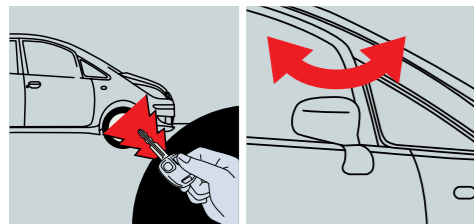

TECHNOLOGY

CLEVER THINKING THAT MAKES LIFE EASIER

The Colt Plus features Mitsubishi's ETACS – Electric Time and Alarm Control System. It controls a whole range of functions to make your motoring simpler, safer and more secure. It even monitors driving conditions and can be customised to your own preference. Ask your Mitsubishi Motors Dealer how to customise ETACS to suit your motoring.

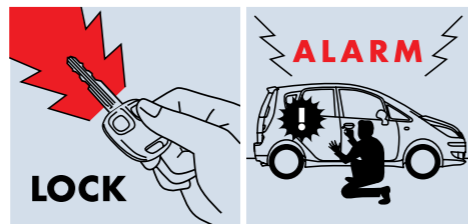

Multi-function keyless remote

FOLDING DOOR MIRRORS

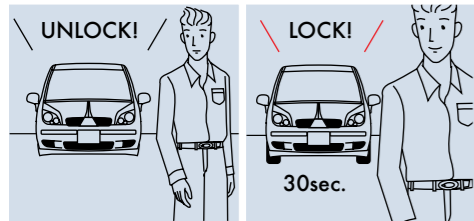

If you forget to retract the door mirrors, you can use the remote controller to do so from outside the car.

SECURITY ALARM

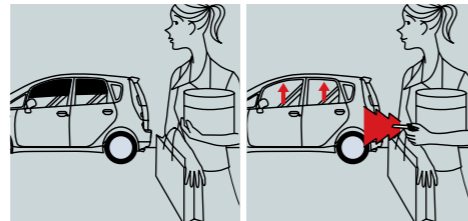

When the vehicle is locked by keyless remote, the alarm will trigger when any other form of reopening is attempted.

AUTOMATIC DOOR-LOCKING

If you unlock the doors with the remote, the system automatically locks them for you following 30 seconds of inactivity.

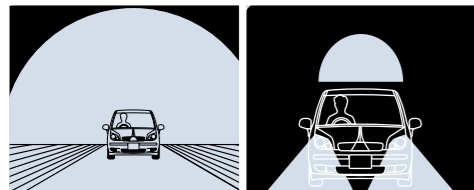

POWER WINDOWS

Using the remote you can close all windows from outside the car.

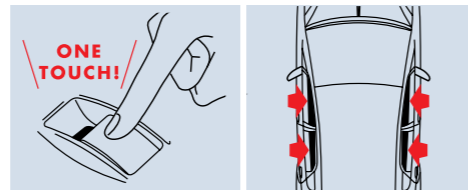

Driver-friendly electronics

AUTOMATIC HEADLAMP CONTROL

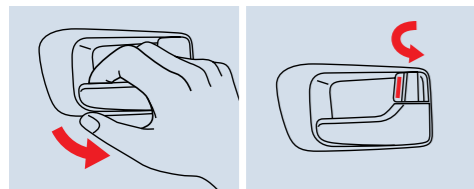

The headlamps automatically turn on in failing light, such as going into a tunnel, and turn off again when light improves.

ONE-TOUCH POWER WINDOWS

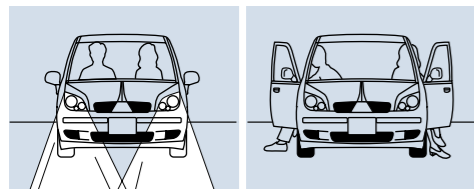

All power windows can be opened or closed with a single touch of the driver's-side master switch.

KEY LOCK OVERRIDE SYSTEM

Pulling on the driver's-side inner door handle automatically unlocks all doors.

AUTOMATIC HEADLAMP TURN-OFF

Even if you forget to turn off your headlamps, when you turn off the ignition and open the driver's door, they will automatically turn off for you.

CLEVER THINKING THAT MAKES LIFE EASIER

COLT

COLT ACCESSORIES

HEADLAMP PROTECTORS

For protection of headlamps on those loose chipped roads.

Please enquire at your local Mitsubishi Motors dealer.

PART NO: JCMR927767

CUSTOM MATS

Available in charcoal, these floor mats are contoured and branded especially for Colt, with 'non-slip' backing to prevent the mats from slipping.

Includes two-piece rear mats.

PART NO: U803/COLT03

ROOF RAILS

Available with a full range of accessory add-ons e.g. snowboard racks.

PART NO: U804/COLT

PARKING SENSOR

There are five different models with either stick-on mount or bumper mount available. The units automatically engage when the vehicle is put into reverse to make for safer parking and the prevention of accidental damage. Please enquire at your local Mitsubishi Motors dealer.

WEATHER SHIELDS

Prevent rain and run-off water from entering the cabin when driving with a partly open window.

RIGHT HAND PART NO: JCMR927772
LEFT HAND PART NO: JCMR927771

TOW BAR

Towbar capacity rated at 400 kg unbraked (not recommended for braked towing). Towbars are fitted with 17/8" cadmium towball. Refer to your owner's manual for full towing details.

PART NO: JCL10742C

CARGO BLIND

Protect your belongings from prying eyes.

PART NO: MZ521803EX U817/CBC

Mitsubishi has a number of superior service standards we set ourselves every day. It defines our attitude to our customers and their vehicles. It is expressed in details such as the comprehensive service notes you receive and the questionnaires that give you the opportunity to comment on our work.

➤ MITSUBISHI WARRANTY

The Mitsubishi Warranty gives you 3-years/ unlimited kms protection on your Mitsubishi Colt.

Your warranty is transferable, so if you sell the vehicle within 3-years, the new owner will continue to enjoy peace of mind for the remainder of the period.

➤ MITSUBISHI EXTENDED WARRANTY

Extended warranties are available at the time of purchase at very competitive rates. You can extend the standard 3 year/ unlimited kms Mitsubishi Warranty by anything from 12 to 36 months.

➤ GOLD SERVICE CARD

All new car buyers* receive a Gold Service card as part of Mitsubishi's Customer Care programme. Valid for 3 years, it entitles you to some great benefits, including:

- Service completed on time or no charge
- Complimentary car wash after every service
- Free 3 year roadside assistance 24 hour, 7 days a week
- Privileged 'two for one'** access to the Mitsubishi-partnered *Zealandia – the Karori Sanctuary Experience*. For more Information visit www.mmnz.co.nz/zealandia
- Free subscription to Brilliant Magazine.

MyMitsubishi

Now you can manage your vehicle's service online by clicking through to www.mymitsubishi.co.nz. This online service allows you to upload a picture of your vehicle and receive reminders about WOFs, registrations and servicing.

* Excludes fleet vehicles. Only available to original purchases
 ** Entitles one free entry to Zealandia – the Karori Sanctuary Experience of an equal or lesser value, when a ticket is purchased. Limited to one use of card per year.

➤ FINANCE MITSUBISHI

Paying cash is just one of the ways to purchase a Mitsubishi. There is a range of finance options that make ownership easier – you should explore them with your Mitsubishi Motors dealer.

For example, leasing helps spread the impact of a big capital purchase and provides protection against depreciation costs.

The ways Mitsubishi lease packages can be tailored are virtually limitless. You can spread or delay payments to suit your situation.

One option is the Operating Lease, particularly suitable for businesses, where your rental is effectively the monthly payment.

Leasing means you don't have a depreciating asset and you can keep upgrading regularly without having to worry about selling used vehicles.

➤ MITSUBISHI ROADSIDE ASSISTANCE

Wherever you travel in New Zealand, no matter what happens, you have the support of our 24-hour helpline right through the warranty period. Whatever it takes to get you going again, Mitsubishi roadside assistance will work with the nearest Mitsubishi Motors dealer to make it happen. If necessary, we can even help with rental car or accommodation costs. To talk to Mitsubishi staff who can help, just call 0800 806 661.

➤ MITSUBISHI PAYMENT PROTECTION

Your Mitsubishi Motors dealer can also arrange Payment Protection Insurance. It means that, in the event of an illness, accident or interruption to your income, you and your family will be able to continue enjoying your Mitsubishi.

➤ MITSUBISHI FULL REPLACEMENT VEHICLE INSURANCE

Mitsubishi Motors dealers can offer you a special insurance package with full replacement instead of the 'agreed value' most policies provide. It means that if your new vehicle is written off within the first 3 years or 100,000kms of continuous ownership, you will receive a brand new one. If there has been a model upgrade since you purchased, you will get the upgrade.

Mitsubishi's insurance gives you competitive premiums negotiated with the benefit of group buying power, and the reassurance of knowing only approved Mitsubishi parts will be used in any repairs.

MITSUBISHI SERVICE AND PARTS

With 60 dealers nationwide, Mitsubishi's network is one of the most extensive in New Zealand. Wherever you are, whatever assistance you need, support is always close at hand.

MITSUBISHI SERVICE

Your first service at one month/1,500kms is free. After that you Mitsubishi Colt will require servicing every 15,000kms. Vehicles operating under severe conditions may require servicing every 7,500km.

Use our online Service Estimator at www.mmnz.co.nz/serviceestimate or call your local dealer on 0800 54 53 52 to arrange a service for your Mitsubishi Colt.

SHARED PASSION

WINNING PARTNERS, WINNING PERFORMANCE.

At Mitsubishi, we're drawn towards those who share our drive and our love of performance. That's why we're very proud to sponsor the New Zealand Olympic and Paralympic teams.

We cheered with all New Zealand as Valerie Vili won her Olympic Gold and her coveted Halberg Awards. We've no doubt the road ahead will bring more incredible results for our partners and our strength is behind them all the way.

FUTURE THAT ENSURES THE PAST

In the midst of Wellington, you'll find Zealandia – *The Karori Sanctuary Experience*. In 225 hectares of native bush thrive the unique and often endangered animals that once populated New Zealand.

As part of our passion for the environment, we're proud to support Zealandia. We're also trialling our electric iMIEV vehicle in New Zealand – The future of sustainable motoring.
