

PEUGEOT **4008**

PEUGEOT

STYLE AND SUBSTANCE

Its sleek silhouette might suggest style over substance, but the Peugeot 4008 is not just a pretty face. The 4008 delivers agility and performance on even the most challenging terrain – yet is also compact and manageable enough to make it an ideal choice for the city.

Combining the solidity of a 4x4 with the aesthetic of an urban vehicle, this compact SUV breaks the rules of all-terrain vehicles. Get ready for intense adventure in your daily life.

ALL-TERRAIN DRIVING WITH 3 MODES

In true Peugeot tradition, the 4008 combines remarkable comfort levels with driving behaviour of the highest standard. This multi-purpose approach is partly due to superior road handling as well as the different transmission modes that are available.

The 4WD mode on Feline models is not just for off-roading. The interaction between front and rear wheel axle units is automatically managed, guaranteeing optimum road-holding in all circumstances.

On a good quality, tar-sealed road with a dry surface, you can switch to 2WD and optimise both the handling and fuel consumption of your 4008 at the same time.

Finally, in situations where road-holding is reduced (e.g. rain or dirt), simply select the LOCK mode. This system transmits up to 1.5 times more grip to the rear wheels than 4WD mode, helping you to overcome these challenges at low speed.

AN AESTHETIC OF ADVENTURE

One look at the Peugeot 4008 tells you it has one thing on its mind. Bold lines hint at a daring personality and a true all-terrain capability.

The stylistic motifs of the brand are subtly stated: the floating grille, the feline headlamps, the row of daytime LED lights that outlines the front headlamps and the three red claws that sculpt the tail lights all add a touch of refinement. Elegant and distinguished, the 4008 displays its ready-for-anything temperament through generous ground clearance, side sill protectors, higher wheel arches and a sporty ridged bonnet.

AN ELEGANT SPACE

The adventurous outward character of the 4008 is complemented by its interior, which boasts beautiful finishing and enduring materials. For example, the detailed leather steering wheel which permits control of audio functions, cruise control and Bluetooth, plus there's the automatic air-conditioning dials in a stylish chrome finish.

Manual transmission not available in NZ.

LIGHT UP YOUR WORLD - AN OUTSTANDING VIEW

Once inside the 4008, passengers enjoy ample leg and head room with plenty of space to stretch out. The 4008 offers both the driver and passengers a level of comfort

more typical of a well-appointed sedan. Features include automatic air conditioning, a refrigerated glove box, a 12 volt plug socket, fully adjustable seats and electric windows.

The full length panoramic glass roof (available in Allure 2WD models only) floods the cabin with natural light and creates a feeling of space and well-being. The LED side lighting adds to the overall feeling of quality and stability.

VOLUME AND VERSATILITY

With the 4008, the spaces can be adapted to suit your adventures. The front seats are adjustable by length, height and inclination. You can even incline the rear seats. The rear seats can be easily folded down by a third, two thirds or entirely (see visuals 1, 2 and 3) to optimise boot space and load volume.

The boot has a volume of 384 litres which can be increased to 1219 litres once the rear seats are folded down.

SAFETY

ESP AND HILL ASSIST FUNCTION

The 4008 is equipped with the ESP (Electronic Stability Program) system, including an anti-slip function as well as a Hill Assist function. The latter automatically maintains the brake temporarily (for 2 seconds) when the vehicle is on a gradient.

LIGHTS AND VISIBILITY

The 4008 is also equipped with an automatic lighting function which adjusts to ambient light conditions, front fog lamps, Xenon headlamps* with headlight washer and an electronic headlight height adjustment function.

* Available on Feline 4x4 model only.

AIRBAGS

In the event of a collision, 7 airbags will deploy to increase the protection of the driver and passengers.

- 2 frontal airbags to protect the driver and front passenger which inflate according to the intensity of the crash.
- 1 knee airbag for the front driver.
- 2 side airbags in the front (fitted within the seats) designed to protect the chest, abdomen and pelvis of the front passengers.
- 2 head/chest curtain airbags to protect the heads of the driver as well as all front and rear passengers.

ISOFIX

The 4008 has Isofix anchorage points on the two side rear seats.

PARK AID

The 4008 is equipped with sound alert for rear parking assistance. 4 sensors at the rear detect any obstacle and will warn the driver with a beeping sound.

SPECIFICATIONS

WHEELS

16" Aluminium Rim.
Available on Active 2x4 model.

18" Aluminium Rim.
Available on Allure 2x4 and Feline 4x4 models.

ACCESSORIES

FRONT DOOR WIND DEFLECTORS

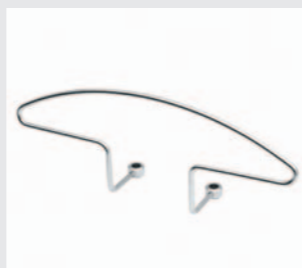

Allows you to draw stale air out of the vehicle whilst letting fresh air in, reduces interior heat and wind noise, and eliminates windscreen fogging.

#1607767180

HEAD RESTRAINT COAT HANGER

This chrome effect coat hanger attaches to the rear of a front seat head restraint and provides convenient hanging space for jackets and coats low down where they can't restrict your rear vision.

#1607938080

ROOF BARS

An excellent foundation for carrying large items and for attaching cycle carriers and luggage boxes.

#1607723080

STYLED MUDFLAPS

Designed to compliment the lines of the vehicle whilst protecting the vehicle's bodywork from damage that can be caused by road debris.

#1606277380 FRONT
#1606277580 REAR

FRONT DOOR SILL PROTECTORS

These stylish sill protectors combine an attractive appearance with effective protection of the sill panels.

#1607555880

LUGGAGE COMPARTMENT TRAY

This boot tray protects the boot against the hazards of life in the great outdoors. The durable luggage compartment tray is simple to install, and easy to maintain.

#1606544880

PEACE OF MIND **4008**

When you choose Peugeot, you have the reassurance of knowing that your vehicle has been designed and manufactured to give you years of worry-free motoring. What's more, as a Peugeot owner, you can rely on a comprehensive range of customer care services from your dealer. So you can be sure that you're talking to a specialist who'll listen to you, understand your problems and respond efficiently – someone who also has the expertise to maintain your Peugeot correctly, using trained technicians, Peugeot Diagnostic Equipment and Peugeot Genuine Parts.

DRIVING DOWN THE COSTS OF SERVICING

Peugeot petrol and diesel engine cars need servicing every 20,000 kms or every 12 months, whichever is the sooner. This reflects a recent lengthening of the schedule and with less time spent in the maintenance bay and fewer service visits, Peugeot has passed on the benefits of technology in engine design and lubrication. While Peugeot can predict the maintenance needs of the engine and other major components, the wearing of certain components such as tyres and brake pads is less predictable and is affected by driving style and conditions.

3 YEAR / 150,000 KM WARRANTY

Should any part of the vehicle require repair or replacement as a result of a manufacturing or material defect within the warranty period, the part will be repaired or replaced completely free of charge by your authorised Peugeot dealer, regardless of any change of ownership during the period covered. The warranty does not cover items replaced during normal service and maintenance operations, which are subject to wear and tear.

12 YEAR ANTI-CORROSION WARRANTY

Peugeots are renowned for their durability and longevity. This is due in part to the sophisticated measures which are taken during the production process to optimise long-term protection from the elements. Peugeot backs this advanced technology with a 12 year warranty against corrosion-perforation of your car's bodywork – one of the longest body warranties in the world today (subject to conditions in the Warranty Maintenance Book).

PEUGEOT ASSISTANCE

Whatever it takes to get you going again, in the unlikely event of a breakdown or emergency, it only takes one free phone call. Peugeot Assistance is free for Peugeot new car owners. The programme includes 24-hour roadside assistance, vehicle recovery, technical advice, message service, home assistance and accident or theft co-ordination. Your Peugeot Dealer has full details of all terms and conditions.

PEUGEOT GENUINE PARTS PROMISE

If your car is in for a service or repair, the parts required to keep your car on the road are Peugeot genuine parts. Using specifically designed and manufactured parts ensures your Peugeot can operate at peak performance at all times.

IMPORTANT NOTICE

Sime Darby Automobiles NZ Ltd offers this brochure as a general guide to product specifications. Photographs and illustrations in this brochure are for illustrative purposes only and do not necessarily represent final production models for New Zealand, or modifications made to meet New Zealand standards or requirements. Features shown or described in this brochure may not be available on all 4008 models. All data in this brochure is believed to be correct at the time of printing. However, as development is an ongoing process, changes may occur from time to time which will not necessarily be reflected herein. Therefore, Sime Darby Automobiles NZ Ltd reserves the right to change specifications without notice. Accordingly, this brochure should not be regarded as an infallible guide to correct specifications, nor does it constitute an offer for sale of any particular vehicle.

PEUGEOT: INNOVATIVE CARS SINCE 1889.

With a company history now 200 years old and more than 120 years of experience building motor cars, Peugeot – the world's oldest motor car brand – has developed acclaimed expertise in making cars that exceed drivers' expectations and which delight the senses with the thoroughness of their design.

Throughout this long history we have tirelessly questioned the accepted norms, seeking ways to refine existing vehicle concepts and even to create a few new ones of our own.

On behalf of all the people that make our brand, I hope that you enjoy the new journeys and sensations it creates for you.
