The Grand California

Freedom begins in the backyard

Back in the sixties, our iconic campervan won hearts as a symbol of freedom. Seventy years later, like the Kombi, we've all grown up and now life is more about relaxation than liberation. You can find peace and harmony in a 5-year warranty. With more space, comfort and freedom than ever, the all-new Grand California is ready for a new generation of adventure.

*Maximum retail price shown includes GST and excludes on road costs. NZ Govt. Clean Car fee/rebate may apply.
