

Territory

Own The Moment

Ford

ford.com.ph

**Dynamically Designed.
Efficiently Engineered.
Unmistakably Ford.**

Get In. Stand Out.

With Ford DNA firmly ingrained in its design, quality and capability, Ford Territory is designed and engineered following Ford's highest global quality standards to deliver an all-in-one SUV package.

LED Headlights and Daytime Running Lamps

Elegant design matched with signature Ford grille - a vehicle tailored for modern-day life.

LED Tail Lights

Full LED lights with chrome accents for a premium feel.

Panoramic Moonroof

Lets in the natural light at the press of a button - whether you're sitting up front or in the back.

Smart

Go hands-free with seamless integration of the Ford Territory and your smartphone.

The Territory's 10-inch In-Vehicle Infotainment System has viewing modes that can be adjusted according to your preference.

Effortlessly connect and display your smartphone information on the 10-inch touchscreen through Apple CarPlay® Android Auto®

Apple CarPlay® with Wireless Connectivity Feature

Android Auto Capability®

1.5L EcoBoost Engine

The 1.5L EcoBoost paired with a Continuously Variable Transmission (CVT) optimized for urban driving provides the perfect balance of power, torque and fuel economy.

Max. Power Output: 143ps @ 4500-5200 rpm
Max. Torque: 225 Nm @ 1500-4000 rpm

Fully Digital 10-Inch Instrument Cluster*

A new way to look at your dash. The 10-Inch Digital Instrument Cluster lets you configure the look of your driving information with three design themes to match your style.

*Available on Titanium+ only

**Requires phone with active data service and compatible software. 3rd Parties are solely responsible for their respective functionality, Apple CarPlay is a trademark of Apple Inc, Android Auto is a trademark of Google Inc. • Don't drive while distracted. Don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Stylish

The Territory lets you arrive in style with its clean lines and fresh exterior look.

Safe

Territory has Ford Co-Pilot360™, an advanced suite of driver-assist safety technologies.

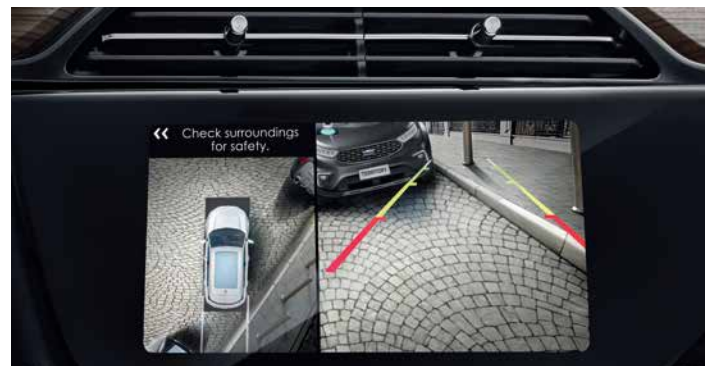

Spacious and Stylish Interior Design

Designed, engineered and built to make unforgettable moments. The Territory's 3200 liter interior space is finished with soft-touch materials and convenient features.

All-Round Airbags

Six airbags protect you and your passengers from every side: These include driver and front passenger airbags, front side airbags and side curtain airbags.

High Definition 360-Degree Camera*

Closely monitor your surroundings when driving at low speed or backing up the Territory: Safer and more convenient.

Enhanced Active Park Assist*

The perfect parallel park at the touch of a button - even in a tight spot. Enhanced Active Park Assist also helps with reverse perpendicular parking: The Territory locates a suitable parking space while you drive, and then steers you in. You just control the gears and the brake.

Autonomous Emergency Braking

Territory scans the road ahead and alerts you to a potential collision with a vehicle ahead of you. If you don't react, the system brakes for you - literally a life-saving feature.

*Available on Titanium+ only
• Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. See owner's manual for system limitations.
