2017 MAZDA CX-9

When it comes to driving, there's no such thing as minor detail. That's why we considered every single one when we crafted the Mazda CX-9's indulgent Signature Trim. Supple leather, sculpted aluminum and a genuine premium finish deliver a multi-sensory driving experience of sophistication and indulgence.

DYNAMIC PRESSURE TURBO ENGINE

The CX-9's SKYACTIV®-G 2.5-liter engine features an innovative dynamic pressure turbocharger that gives you power as soon as you hit the gas, nearly eliminating "turbo lag." This instantaneous response is an important part of Mazda's Jinba Ittai philosophy, which strives to achieve oneness between car and driver.

SMART i-ACTIV AWD

MORE CONFIDENCE FOR PURE DRIVING ENJOYMENT

Mazda's available predictive i-ACTIV AWD® all-wheel-drive system monitors changing road conditions and adjusts power delivery to help give you optimal traction before your wheels can slip. Even when the weather's perfect, i-ACTIV AWD® helps stabilize and improve the CX-9's overall road grip by sensing changes in steering effort and throttle input to distribute torque more evenly.

LOW NOISE, VIBRATION, HARSHNESS (NVH)

Another way the CX-9 elevates the driving experience is by subduing road, wind and engine noise. We added 53 pounds of sound-deadening material, used sound-insulating glass, and installed even better seal insulation than in the previous generation. All this makes the CX-9 remarkably quiet, ensuring your time behind the wheel is one of minimal stress and maximum enjoyment.

FREE
3-year

- Periodic Maintenance Service (Parts, Oil and Labor) or 60,000 km.
- Roadside Assistance & Concierge Service
- Warranty or 100,000 km.

Mazda received the highest numerical score among auto manufacturers in the proprietary J.D. Power 2016 Philippines Customer Service Index (CSI) Study. Study based on 1,838 responses from 11 brands measuring experiences and perceptions of new-vehicle owners, surveyed in February and May 2016. Your experiences may vary.
