

The Polo Hatchback.

Volkswagen

Places to go, things to do, and the space to hold it all. The Polo Hatchback. Sporty style that proves competence and value can be fun, and connectivity that makes it just the biggest of all your always-on devices. All this with the power of German engineering. You're moving fast and going far. This is your car.

German engineering, streamlined style.

First impressions matter. A Euro-style exterior matched by an interior that gets more comfortable every day. You'll love driving this car.

No detail is too small to get right.

Even by the numbers, the Polo is impressive. A reliable and efficient engine, an exterior that looks sleek and an interior with high-quality finish. Top it with a pleasant and comfortable ride. Read every line, do the math, and you'll see: spec for spec, no German car gives you better value than a Polo.

Multi-Function Display. Average fuel consumption, range, journey distance, and outside temperature at the flick of a switch.

Halogen headlamps. The dual-beam headlamps with black finish are not only functional but also exude a hint of class.

Front and rear fog lamps. Improve visibility for the driver and for vehicles behind you.

Trunk opener. The VW logo at the rear doubles up as the trunk opener resulting to a clean yet functional design.

Tech Specs

Engine

Interior

3-spoke leather flat-bottom steering wheel with black inserts. Easy on the eyes, and a pleasure to drive.

Steering wheel switch (MFD, audio, phone). Multitask safely and conveniently.

60:40 split-folding rear seats. Be flexible! Specially made to accommodate longer, bulkier items with a luggage capacity of 952 liters*.

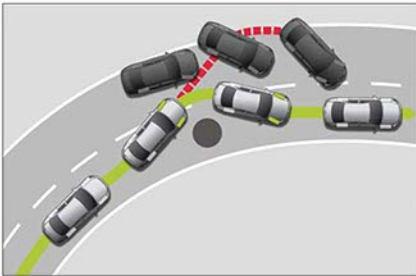

Safety counts. Need we say more?

Ready for life's bumps, swerves and sharp turns.

Driver and passenger side airbags (SRS)

- a) The one feature we hope you never use.
But it's here just the same.
- b) Required for a reason.

Anti-lock Braking System (ABS)

With ABS to prevent the wheel from locking, the car remains in control. Avoid obstacles or collisions, while still achieving maximum deceleration.

Rear park distance control (PDC) with acoustic warning signal

Adventure is for life, not for parking.
This takes the guesswork out of parking.

The Polo Hatchback.
