

Volkswagen

The Santana GTS.

Santana GTS

Life has so much to offer
and between juggling your
responsibilities and pursuing
what you love, you need a car
that can keep up.

It's the vehicle for your passions.

1.5 MPI Petrol engine with BlueMotion. Offers power, efficiency and durability with 110 Ps output and 150 Nm of torque.

Blaupunkt Infotainment System (Option). What matters most to the car occupants is; how to spend good time in the car while they are travelling.

372L of trunk space. Fold those rear seats down and get up to 1,255L of space to play with. Fit your gear with ease.

Wagon body style with spacious interior. The Santana GTS is a smart choice for the car buyer looking for a vehicle ready to conquer the roads while finding a balance in practicality, spaciousness and performance.

Fit for your every passion.

Rear park distance control (PDC) with acoustic warning signal. Provide eyes where you don't have them. You'll hear a beeping noise, with beeps getting closer together the closer you are in of a collision.

Front and side airbags. We don't take anything for granted. The Santana GTS carries dual airbags for the driver and co-driver. Along with the seat belts and ABS, the Santana GTS is one of the safest in its class.

ISOFIX Child Care Seats. Your child's safety is a priority for us, as well as for you. That is why we have ISOFIX child seat mounts for the Santana GTS.

Electronic Stabilisation Program (ESP) puts your safety first in all critical situations by automatically applying the brakes at individual wheels to keep the vehicle heading in the right direction. Whether you are faced with debris on the road or some other unforeseen event - when you are forced to make an evasive maneuver, ESP helps you to retain better control and stay on track.
