

RS 4

THRILLING AND ABLE.

The new Audi RS 4 Avant.

Outstanding RS performance combined with the everyday usability of an Avant. The new Audi RS 4 Avant is the ideal vehicle for progressive families with an adrenaline-fueled lifestyle.

Unleash your adrenaline: sprint from 0 to 100 km/h in just 4.1 seconds. This performance is made possible by the 2.9-litre V6 TFSI engine with 331 kW and maximum torque of 600 Nm. The combination of 8-speed tiptronic and the quattro permanent all-wheel drive confidently transforms engine output into propulsive power.

The completely redesigned front section of the RS 4 Avant consists of a wider and flatter Singleframe, featuring the three-dimensional honeycomb structure in gloss black. The new eggcrate grille with the RS 4 emblem is inserted directly into the bumper with the large lateral air inlets and vertical flaps. Finishing off the look are the headlights, fitted with Audi's new design language.

PERFORMANCE IS AN ATTITUDE.
Powerful. Muscular. Dynamic.

High performance meets functionality and versatility: Choose between the optional gloss black or carbon styling packages to add individual accents to the inlays, exterior mirror housings, front and rear bumpers. The optional RS sport exhaust system with black tailpipe trims offers an even fuller sound, further accentuating the unmistakable sound of the RS 4 Avant.

With the luggage compartment capacity of 505 litres to 1,495 litres with the rear seat folded down, you never have to worry about space. Plus, they are electrically operated – giving you an easy and fuss-free unloading or loading experience.

PERSONIFY YOUR RIDE.

Customise fully to your liking.

The RS 4 Avant is equipped with 20-inch wheels, with various designs available as an option. Powerful RS steel brakes with perforated composite discs paired with brake callipers in red completes the look, attracting more glances by the hour. Add on the optional RS ceramic brake system and let it show you how fun it can be when delivering its full deceleration force.

When fitted with the optional panoramic glass sunroof, more light enters the cabin in the day – intensifying the impression of airiness and space. During the night, wind down and appreciate the beautiful city skyline from the comforts of the RS 4 Avant.

SPORTY AND PROGRESSIVE.

The interior.

Sportiness down to the tiniest detail: the interior of the RS 4 Avant has everything you need for everyday driving – and everything to make dynamic journeys into unforgettable ones. From the standard flat-bottomed RS sport contour leather steering wheel to the front RS sport seats with honeycomb stitching in crescendo red, it's hard to miss the sporty ambience. To take it a step further, you can choose to set additional accents with the optional RS styling package in grey or red.

The 10.1-inch MMI touch display with acoustic feedback is the control center of the new operating system. In the Audi virtual cockpit plus, special RS displays provide information on tire pressure, torque, power output, engine oil temperature, lap times, acceleration measurements and g-forces. The new operating system is tailored to user's expectations and aims for easy operation. Being in control and navigating the RS 4 Avant has never been more versatile and user-friendly.
