

Q8

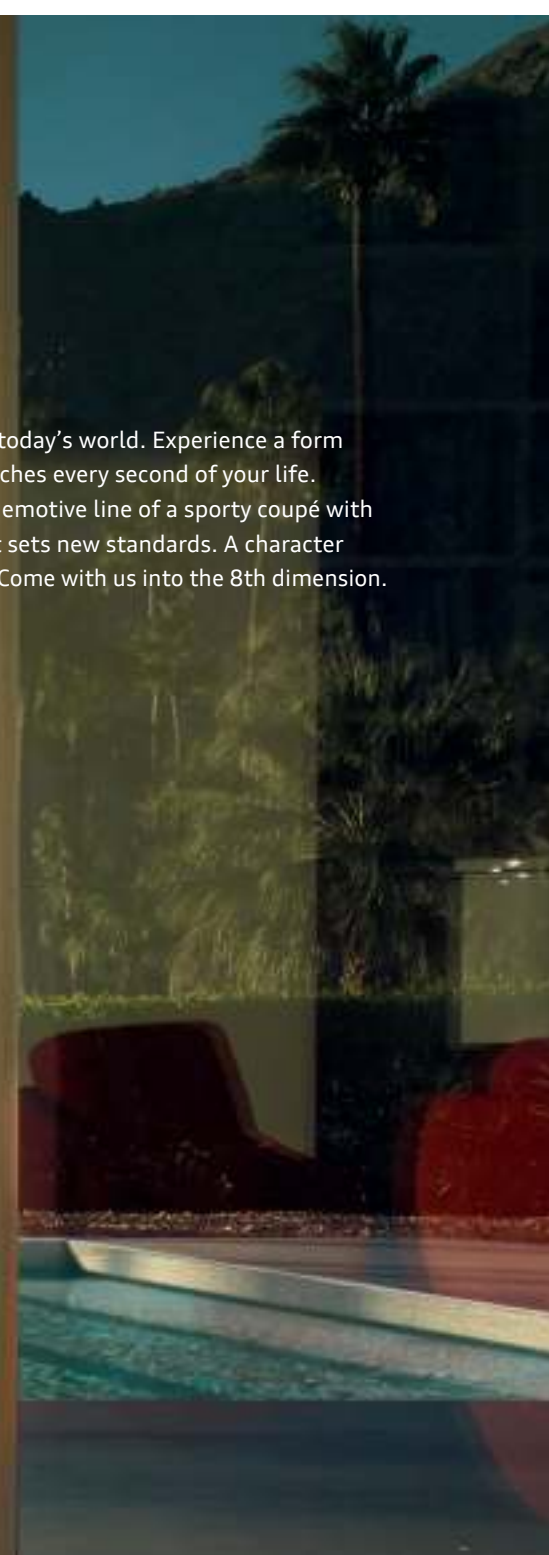

Think about your life.
Accelerated in a
new direction.

Think about mobility. Then multiply it by today's world. Experience a form that redefines the maximum. That enriches every second of your life. The new Audi Q8 impressively combines the emotive line of a sporty coupé with the spaciousness of an SUV. A design that sets new standards. A character that puts self-confidence in a class of its own. Come with us into the 8th dimension.

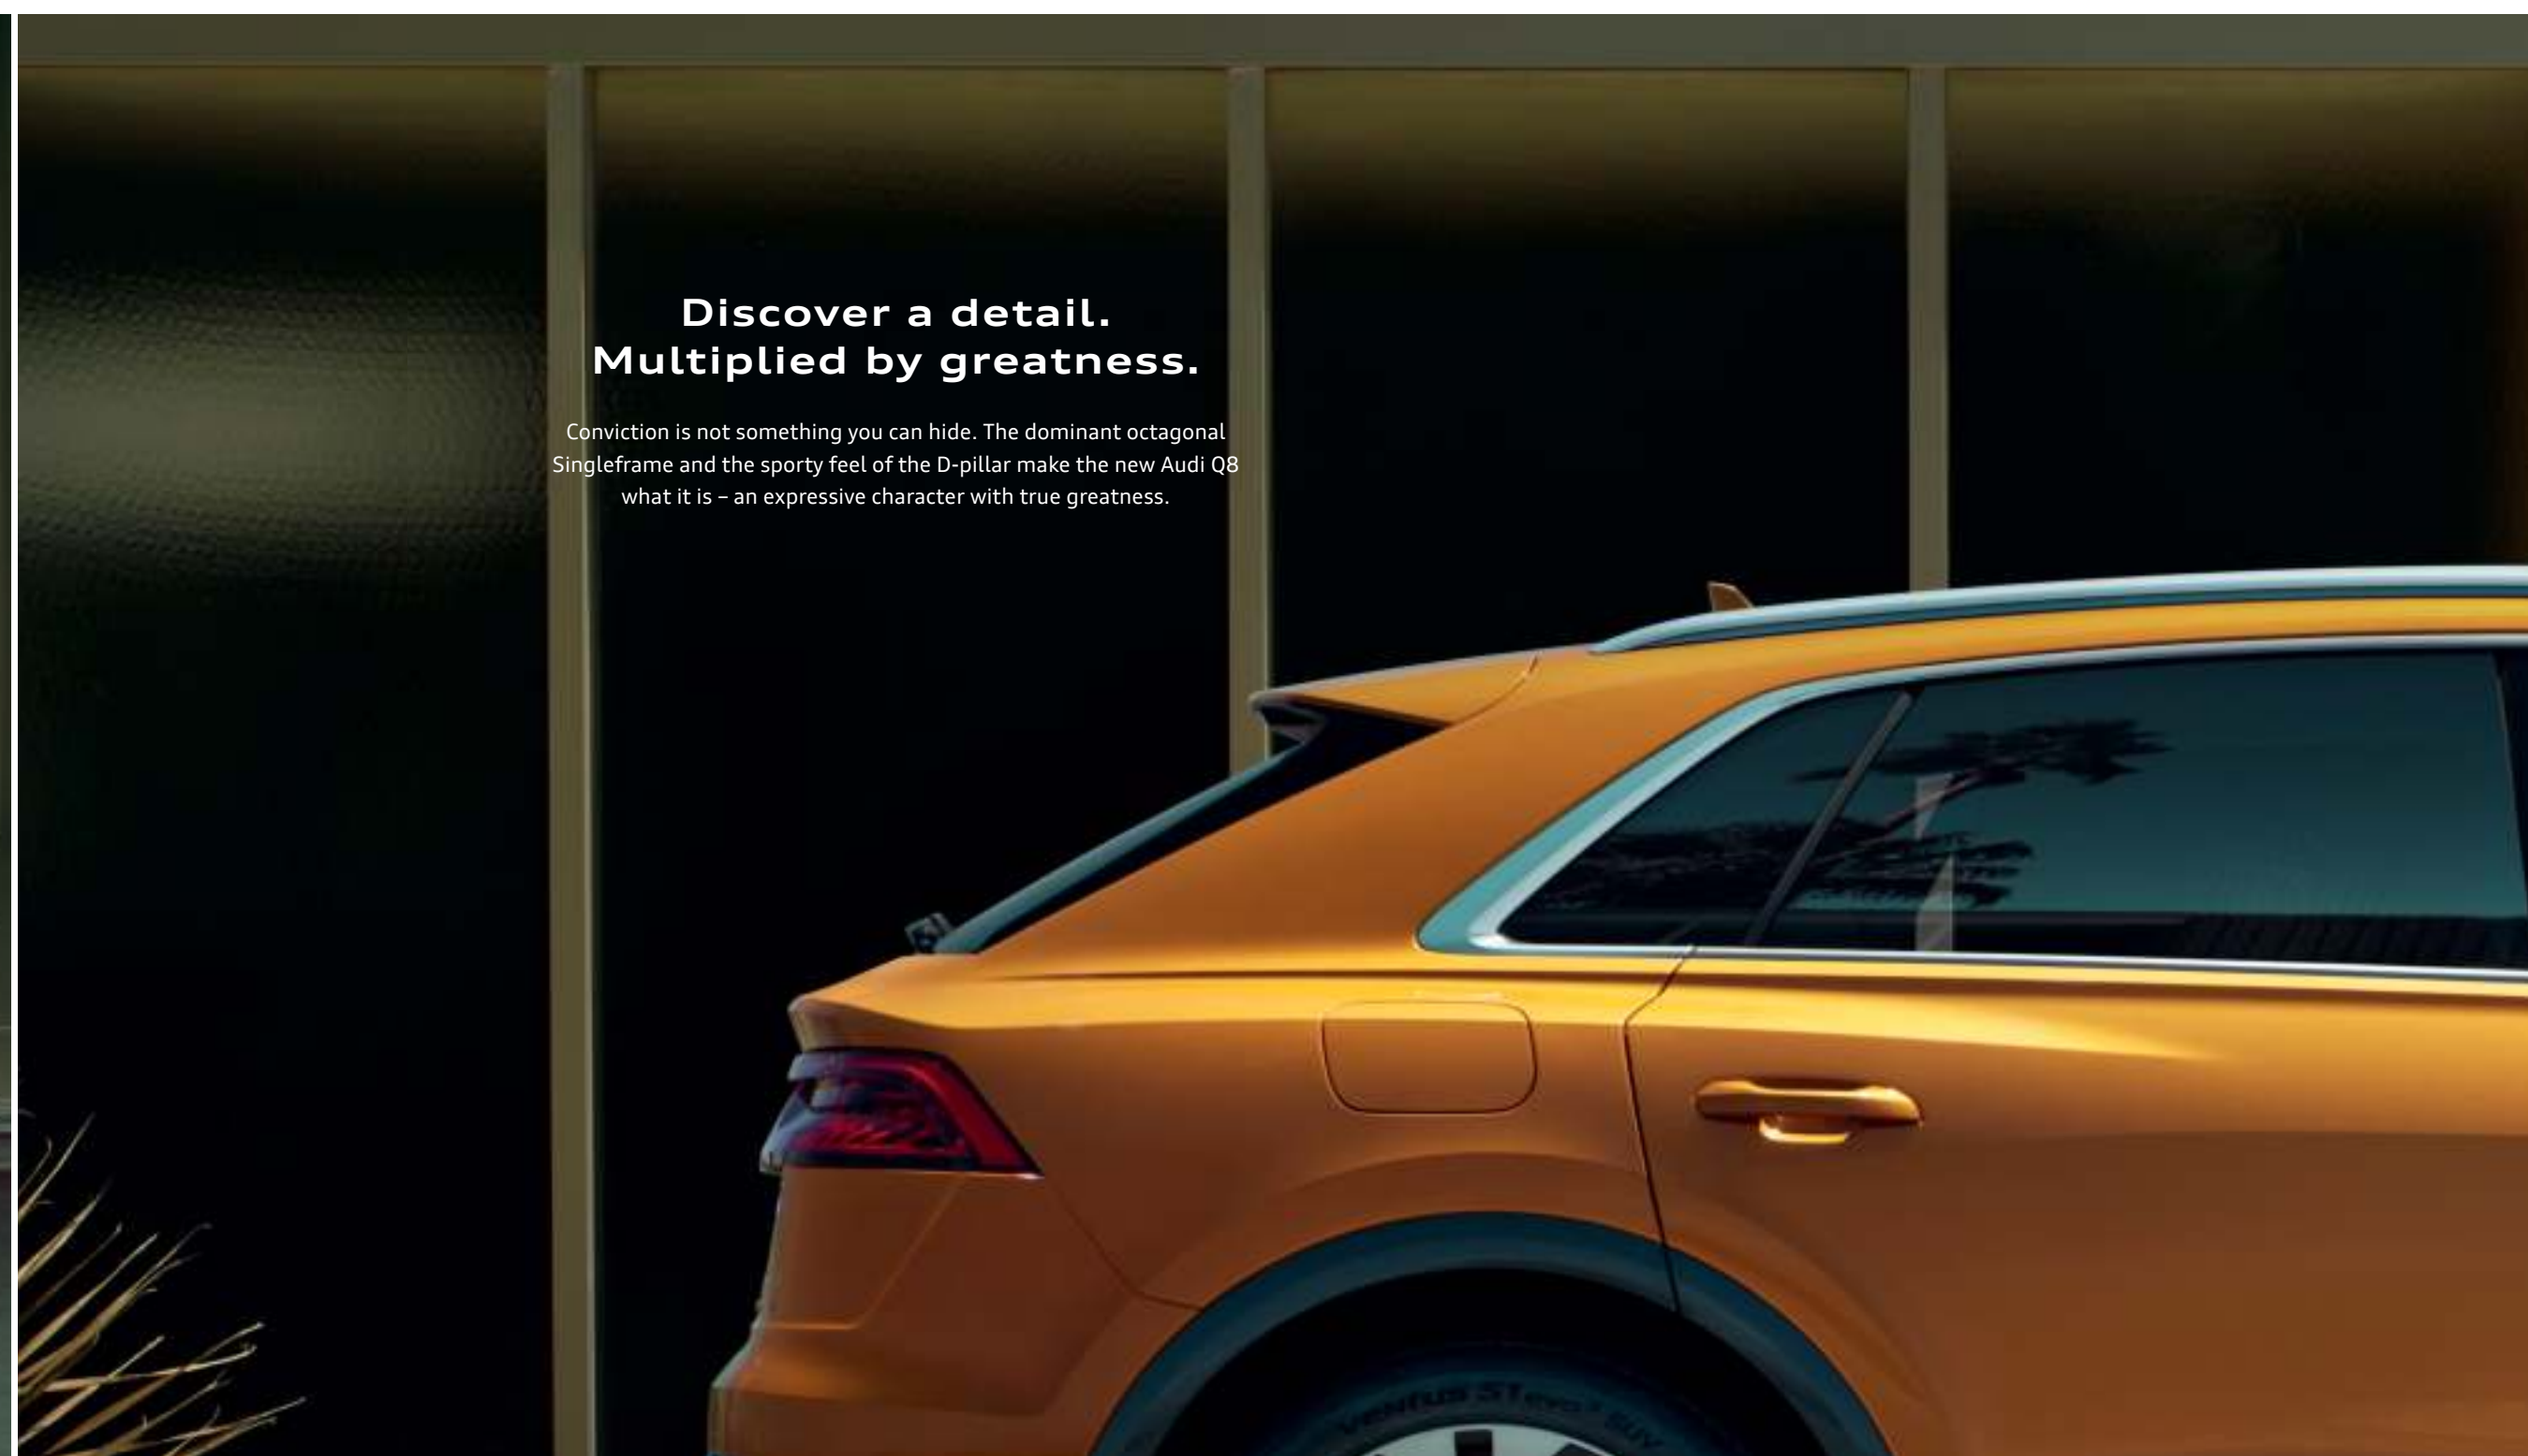

**Marvel at a form.
Sharpened by character.**

It's the first impression that counts. That goes not just for what you can see, but also for the personality behind the form. The new Audi Q8 embodies both: its exterior design combines an athletic roof line and a coupé-like silhouette to create a powerful character statement – making a lasting impression wherever it goes.

Savour the view.
Brought to life by a statement.

A side-rear view of an orange Audi Q8 driving through a shallow body of water, creating a large splash. The car's rear wheel is visible, and the rear light bar is illuminated. The license plate is 'DN-98002'.

**Set yourself a challenge.
Driven by passion.**

For a driving experience in a whole other dimension. The new Audi Q8 combines luxurious comfort with superb handling stability. Thanks to the adaptive air suspension, it adjusts to your individual driving style and ensures superb cornering and a sporty, direct steering sensation on virtually any terrain.

Driving around town usually means you have somewhere to be. The new Audi Q8 helps you get there without you losing your cool. Its optional all-wheel steering and ideal power distribution to both axles provide the agility and manoeuvrability you need – even to negotiate the urban jungle. That way you can stay relaxed even on tight bends. For an extraordinary driving sensation. Intensified with Audi quattro.

**Think about mobility.
Designed for peace of mind.**

We move around more freely than ever before, and yet everything we need can travel with us. All thanks to new technologies that bring clarity to our daily lives. This includes the digital core, a new design approach that focuses on the essentials while opening up endless possibilities. In this way, the new Audi Q8 combines a clear menu structure with the latest personalisation options.

The image shows the front interior of a car. The driver's seat is in the foreground, featuring a combination of dark leather and a textured fabric. The passenger seat is visible behind it. The center console has a gear shifter and a handbrake. The dashboard and steering wheel are partially visible. Through the windshield, a person in a blue blazer is standing outside near a building with a 'CLEARANCE 7' 5"' sign.

Enjoy relaxation. Refined with exclusivity.

Whether it's by getting your day off to a good start or having a relaxed journey home – we all need ways to offset the rigours of everyday life. And it shouldn't be any different when you're setting off on holiday. With the massage and seat ventilation functions of the customised front contour seats in Valcona and Cricket leather combination, time takes on a whole new dimension.

Create a familiar place. Framed by openness.

A quick look at your options. The new Audi Q8 – an exceptional vehicle whose diverse range of high-quality equipment will impress you. Innovation and comfort meet individuality and personality. Tailored to your wishes.

Optional panoramic glass sunroof – provides for a pleasant, well-lit interior and improved interior climate thanks to efficient ventilation. An integrated wind deflector reduces wind noise when the sunroof is open. And the electrically operated, virtually lightproof sunblind means you don't have to worry about strong sunlight.

**Think about seeing.
Multiplied by being seen.**

For a statement that clearly makes an impression: the new LED rear light band on the new Audi Q8. Choose the optional coming home/leaving home function and your car will greet you and bid you farewell with dynamic light sequencing. A demonstration of pure conviction.

A high-angle, close-up view of the front interior of a car, likely an Audi Q8, showing the dashboard, steering wheel, and center console. The interior is illuminated with a warm, orange-red ambient light that highlights the leather upholstery and the sleek design of the dashboard and center console. The steering wheel is black with the Audi logo in the center. The dashboard features a large digital display showing various vehicle metrics. The center console has a touch-screen interface and a gear selector. The overall atmosphere is one of luxury and modern technology.

Discover an interior. Tailored to your mood.

For a driving sensation that speaks to all the senses and conveys pure lightness – underlined by a centre console that appears to float freely in the cockpit. With the multicoloured contour/ambient lighting package for the new Audi Q8, you choose what lighting you want at any time of day. And thanks to the individual colour profile, you can find the right colour for every mood.

Town or country: Audi quattro with self-locking centre differential ensures the necessary reliability – even when the drive gets challenging. Wheel-selective torque control provides additional support to the permanent all-wheel drive with asymmetric, dynamic torque distribution.

An aerial, high-angle shot of an orange Audi SUV driving on a multi-lane road. The car is positioned in the right lane, moving towards the bottom right of the frame. Overlaid on the scene are various semi-transparent geometric shapes representing sensor ranges: concentric white circles around the car for radar, green trapezoidal shapes for side and rear cameras, and a blue trapezoidal shape for the front camera. A dark blue sedan is visible in the left lane, and a dark SUV is in the right lane ahead. The background shows a blurred cityscape and a bridge structure. The overall image conveys a sense of advanced automotive technology and safety.

Think about power. Multiplied by safety.

Tour assist package (with adaptive cruise assist including traffic jam assist and bottleneck assist, predictive efficiency assist, turn assist and swerve assist) – optimum support on motorways and highways.

City assist package (including crossing assist, cross traffic assist rear, lane change warning, exit warning) – for more safety and comfort in urban traffic.

**Observe an athlete.
Perfected by aesthetics.**

Don't just emphasise the sporty character of your new Audi Q8 – enhance it. With the optional S line exterior package, you can lend the dynamic body line of your car an even more exhilarating edge and create special accents with exceptional design details.
