

KONA Hybrid

More dynamic, more versatile

KONA's futuristic design, aerodynamic profile, and sporty details create an energetic impression, completed by a dynamic connecting line. Not only does it feature a stylish exterior, but its spacious interior is also enhanced with seamlessly integrated high-tech elements and equipped with practical features. Enter a versatile space built for drivers and passengers alike.

Sharper and bolder

The clean nose of KONA emphasizes its pure volume and boosts aerodynamic performance, with the dynamic character line adding contrast to its parametric surface.

Front seamless horizon lamp, front bumper

Full LED headlamps

Sunroof

Spoiler Integrated HMSL, rear seamless horizon lamp, LED brake lamps, LED turn signal lamps

Double-glazed sound insulation glass (windshield) and exterior mirror cut-line seals minimise wind noise and enhance shielding

18" alloy wheels with parametric rim design

Maximised living space

KONA's interior is practical and spacious, with a focus on the comfort of rear passengers and ample luggage space to cater to different lifestyles.

2nd row space

64-colour ambient lamps Drive mode Eco Drive mode Snow Drive mode Sport Automatically dims light in the dark

2nd-row seatback 2-step latch

6:4 folding 2nd-row seatbacks

Open console storage
(removable bulkhead / rotational cup holders)

Enlarged trunk space (466L / 1300L)

The new standard of comfort

The panoramic display - 12.3-inch integrated dual screen display and cutting-edge driver assistance technology offer high-tech convenience and increase user satisfaction in daily use.

Panoramic display - 12.3-inch integrated dual screen display

Column-Type Shift by Wire (SBW)

1st-row relaxation comfort seat

Smart power tailgate with adjustable height setting

Wireless Apple Carplay / Android Auto

Heated & ventilated front seats

Wireless charging pad

Full auto air conditioning system

Powered driver seat

Hybrid

The e-Motion Drive system improves driving performance in Hybrid mode, delivering a smooth ride with reduced vibration and improved stability.

Smartstream Gasoline 1.6 GDi Hybrid Engine

105 Maximum Power
PS/5,700 rpm

14.7 Maximum Torque
kgf-m/4,000 rpm

Electric motor

32 Maximum Power
kW/1,798 - 2,500 rpm

170 Maximum Torque
Nm/1,798 rpm

Multi-link rear suspension

The suspension delivers a comfortable ride during daily driving and provides stability during sporty, high-speed driving and cornering through improved traction, shock dispersion, and minimized vibration.

Drive mode

Choose from a range of drive modes based on your preferences or road conditions. The engine and braking are optimized for peak driving performance depending on the selected mode and road conditions.

Enhanced road noise reduction

Floor-carpet-under-pads reduces the inflow of external noise, and the rear wheel member bushing minimizes inflow of road vibration.

Hybrid information panel

Information regarding your Hybrid performance including vehicle driving and fuel economy information, energy flow charts, and the ECO driving mode offer a pleasant and smart experience.

Active air flaps

The upper and lower active air flaps of the radiator grille reduce unnecessary air inflow to minimize air resistance and improve fuel economy.

Paddle shifters

e-Motion Drive

KONA Hybrid's e-Motion Drive uses the drive motor to effectively control braking, shifting, and torque during sharp cornering to deliver uninterrupted acceleration and cornering stability.

Hyundai SmartSense

Forward Collision-Avoidance Assist (FCA)

Monitors your surroundings and warns you if there is a risk of collision. After the warning, if the risk of collision increases with the target (e.g. a leading vehicle which suddenly slows down, a vehicle, a pedestrian or a cyclist in the front), it automatically assists with emergency braking. If the risk of collision with an oncoming vehicle increases while turning left at an intersection or if the risk of collision with an oncoming vehicle increases while driving in the lane, it automatically assists with emergency braking.

Lane Keeping Assist (LKA)

Provides a warning if the driver leaves the current lane without using a turn signal while driving above a certain speed limit. And it automatically assists in steering the vehicle to prevent a lane departure before leaving the current driving lane.

Smart Cruise Control (SCC)

Maintains a distance from the front vehicle and drives at a speed set by the driver. Automatically stops when the front vehicle stops and automatically starts when the front vehicle departs within a short time.

Lane Following Assist (LFA)

Helps centre the vehicle in the lane.

Blind-Spot Collision-Avoidance Assist (BCA)

Warns you if there is a risk of collision with a rear side vehicle in the blind spot while changing lanes. When forward exiting a parallel parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)

If there is a risk of collision with an oncoming vehicle on the left or right side while reversing, it provides a warning. After the warning, if the risk of collision increases, it automatically assists with emergency braking.

Specifications

Type	1.6 Direct Injection
Engine Type	Petrol-Hybrid
Displacement (cc)	1,580
Transmission	6-speed Dual Clutch Transmission
Max. Power (kW)(hp)	96 (129)
Max. Torque (Nm)	265
Electric Motor Max. Power (kW)	32
Electric Motor Max. Torque (Nm)	170
Brakes	
Front	305 mm Ventilated Discs
Rear	284 mm Solid Discs
Suspension & Tyres	
Front	MacPherson Strut Type
Rear	Multi-Link Type
Tyre	215 / 55 R18
Vehicle Efficiency & VES banding	
Fuel Consumption (L / 100km)	4.7
Fuel Tank Capacity (L)	38
VES Banding	A2
Dimensions	
Head Room (mm) Front / Rear	974 / 972
Leg Room (mm) Front / Rear	1,059 / 970
Shoulder Room (mm)	1,443 / 1,402
Cargo Capacity (L)	466 - 1,300
