MAZDA BIANTE

THE NEW-GENERATION MPV.

SKYACTIV
TECHNOLOGY

COMFORT COMES WITH 8 SEATS AND A HIGH ROOF.

The Mazda Biante is designed to do things your way. Its spacious cabin provides a class-leading width of 1,545mm that's combined with a generous 2,990mm length and 1,350mm height. And this accommodates 3 rows, and up to 8 adult passengers comfortably, as well as everything else you need. 3 distinct seating modes allow for extra boot capacity or even limousine-style legroom. The expansive windows with low sills too add to the Biante's overall spaciousness.

Living Mode:

Abundant space allows passengers at the back to stretch out comfortably.

Semi-living Mode:

Ample legroom and space for bags makes this arrangement great for family outings.

5 Occupants + Rear Luggage Mode:

Flipping up the 3rd row provides more room for luggage without compromising passenger comfort.

DYNAMIC AND ECO-FRIENDLY PERFORMANCE IS ASSURED.

The Mazda Biente is engineered to give you and your family the ultimate in exhilarating eco-friendly driving pleasure. Thanks to Mazda's proprietary suite of innovations in SkyActiv Technology, it delivers superior fuel efficiency as well as Mazda's renowned Zoom-Zoom performance! The spirited SkyActiv-G engine, and SkyActiv transmission, body and chassis all combine to assure a drive that's as comfortable and exciting as it is fuel-saving.

Mazda's unique i-Stop automatically shuts off the engine when at a stop so as to save fuel and improve efficiency even more.

The SkyActiv-G 2.0L engine boasts high compression ratio of 12.0:1 to realise exciting performance and astonishing fuel efficiency.

Fuel Consumption: 7.4L/100km
CO₂ Emission: 174g/km

With SkyActiv-Drive, you do not only enjoy the direct, connected feel of a manual transmission but also fast, smooth gearshifting with the precision of a professional racer. And as a bonus, better fuel efficiency too.

A DRIVE THAT DELIVERS PEACE OF MIND.

At Mazda, your safety is our priority. That's why the Mazda Biente is well equipped with advanced safety technologies to keep you and your passengers safe. From its excellent field of view for clarity, to enhanced 4W-ABS with EBD, you can just enjoy the drive.

The highly rigid triple H structure is designed suppress cabin damage in the event of a collision.

Front driver and passengers airbags are standard safety features.

ISOFIX child seat anchors on second-row seats.

Dynamic Stability Control prevents skids and keeps the vehicle under control.

INSIDE'S EQUALLY AMAZING.

Hop in and discover the Mazda Biance's feature-rich interior that makes the drive all the more inviting.

Paddle shifters on the steering wheel add a touch of sportiness to your drive.

Broad meter cluster at the top of the dashboard provides information clearly and easily without taking your eyes off the road.

Ample trays, pockets and hooks are available for your knick-knacks.

Nanoe[^] Ion Generator, with an anti-allergenic filter, helps capture allergenic particles and neutralise bacteria as well as odour, maintaining a clean interior.
