

Since 1924

MG HS 1.5L Turbo SURPRISINGLY REAL.

More scenic drives – Extra-large panoramic sunroof

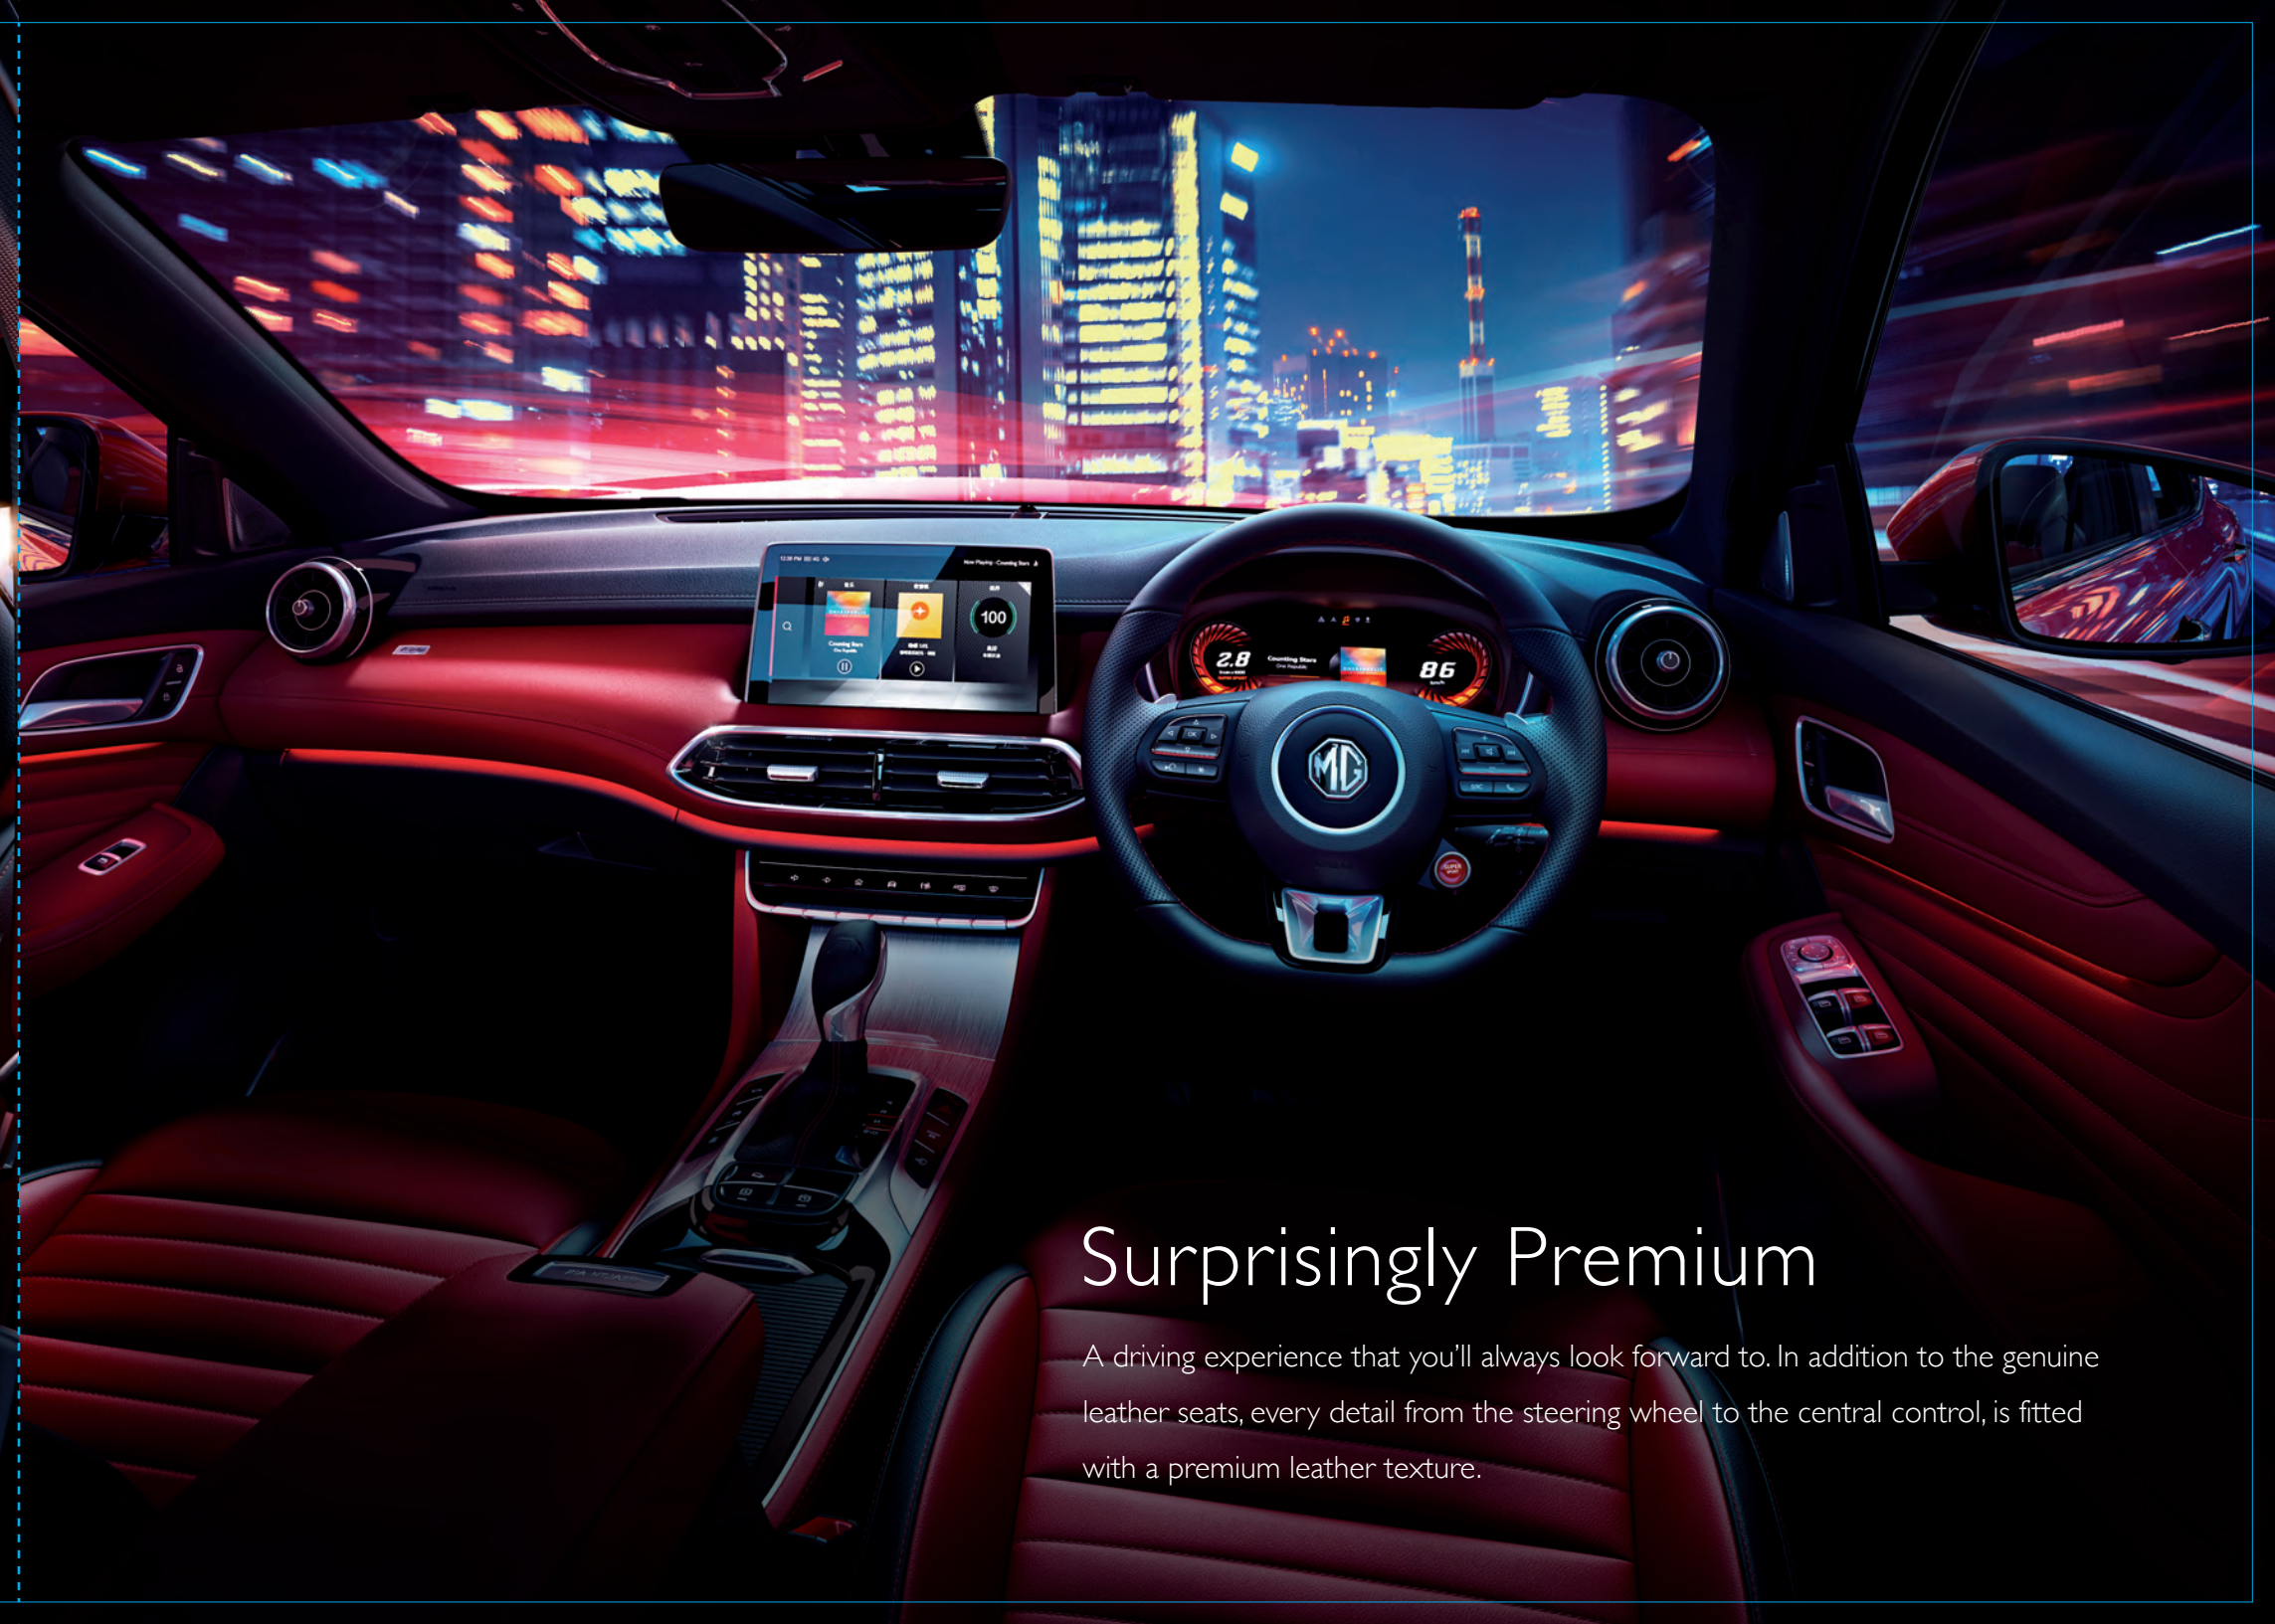

Enjoy more scenic views of the sky on every drive. The optional sunroof is a class-leading 1.19m², more than double the size of the typical 0.51m² sunroofs in the market.

Surprisingly Stunning

The MG HS 1.5L Turbo SUV is luxuriously designed to attract attention. It's the first model of its class to adopt a light and shadow shoulder line design. That's further accented by natural flowing curves all around, for a streamlined yet powerful look.

Surprisingly Premium

A driving experience that you'll always look forward to. In addition to the genuine leather seats, every detail from the steering wheel to the central control, is fitted with a premium leather texture.

Surprisingly Innovative

Enjoy every drive with an advanced surround sound system. In addition to superior convenience with a 10.1 inch colour screen that supports Apple Carplay™ & Android Auto™.

A 1.5L turbocharged engine delivers more power for more thrilling rides while the Sports Mode button takes your driving pleasure even further.
