

Since 1924

The All-New  
**MG ZS EV**  
BELIEVE IN MORE.

# Believe in more.

What do you get when the best becomes even better?

An exciting ride that delivers the finest that MG has to offer.

The all-new MG ZS EV reimagines our best-selling electric SUV, with a stunning design, a touch of luxury and a drive that's steeped in thrills.

It's time to begin believing in more.

Drive the all-new MG ZS EV today.

Images for illustration purposes only.

The future doesn't begin in 2030.

It begins today. With a choice.

To drive electric the way you want to.

The way you've always wished to.

Born from a heritage of racing champions.

And bringing together performance,

style & practicality.

With European design & luxury.

The future won't wait.

Neither should you.

Believe in a future for everyone.

## Believe in exciting drives.

Reinvented and re-energized, the all-new MG ZS EV offers an electric drive that more than matches its powerful SUV form. Enjoy drives that deliver peak thrills with its energetic electric motor delivering an exciting torque of 280Nm. In addition to smooth manoeuvring with its more streamlined chassis and the ability to choose 3 driving modes through the rotary gear selector – Eco, Normal & Sport.

Wireless Mobile Phone Charger

# Believe in premium interiors.

Even the longest drives in the all-new MG ZS EV turn into experiences in comfort with its premium interiors. Enjoy the plush leather-style upholstery that envelops the spacious seating for up to 5 passengers. Of course, with ample legroom and headroom that are complemented by front and rear aircon vents and USB charging ports, for a whole new level of comfort and convenience.

Images for illustration purposes only.

The reimagined interiors also offer luxurious aesthetics with premium soft-touch panels crafted with a modern carbon-fibre look. Showcasing a 10.1" floating touchscreen control and an all-digital 7" virtual cluster with a futuristic display.

# Believe in new perspectives.

With the all-new MG ZS EV, the sky is the limit – quite literally. The new dual-pane panoramic sunroof lends a new vista to every scenic drive, while also adding an airy feel to the already spacious interior.

## Believe in flexible space.

There's more space for imagination in the all-new MG ZS EV. Its generous and easily accessible boot space of 488L lets you go far beyond a shopping trip. Lower the 40:60 foldable rear seats to flexibly expand the space further, and let the adventures begin. With enough space for a camping adventure, or even the cross-country road trip you've wanted to go on. Always with all the extra luggage you'd need and more.

Images for illustration purposes only.

An aerial view of a blue MG ZS EV car on a city street. The car's advanced driver assistance systems are visualized with red and green sensor waves emanating from the vehicle. A cyclist is shown within a red sensor range, indicating detection. The car is positioned in the center of the frame, moving towards the bottom right. The road has white lane markings, and there are spherical bollards on the sidewalk.

## Believe in intuitive features.

A drive that thrills the senses, and that's still so effortless too. Set your mind at ease on the road with the intelligent array of features in the MG Pilot Advanced Driver Assistance Systems that come as standard with the all-new MG ZS EV. Navigate the city and beyond in every road and traffic condition with the intuitive driving assistance features, while the advanced safety systems also ensure your loved ones' safety remains a priority.

## MG Pilot Advanced Driver Assistance Systems

Active Emergency Braking  
with Pedestrian and Bicycle Detection

Lane Keep Assist (LKA)

Lane Departure Warning System (LDWS)

Traffic Jam Assist (TJA)

Intelligent Speed Limit Assist

Adaptive Cruise Control

Intelligent High Beam Assist

Blind Spot Detection (BSD)

Lane Change Assist (LCA)

Rear Cross Traffic Alert (RCTA)
