

THE MINI CLUBMAN.

OPEN MORE DOORS.

Usher in a new era of sophistication where style and practicality come together beautifully. With its bold lines and sweeping silhouette, the MINI Clubman cuts a distinctive figure wherever it goes while retaining all of its British charm.

TO NEW BEGINNINGS.

But the MINI Clubman is more than just a head-turner. Its interior is no less impressive, comfortably seating five in a setting that is unmistakably luxurious — and remarkably versatile. Now who says you couldn't ask for more?

SPACE FOR MORE.

Broader and longer than its predecessor, the MINI Clubman makes plenty of room for your plans. Friends and family are more than welcome with five fully-fledged seats and ample rear legroom, giving all a comfortable and relaxing ride.

MORE THRILLS TO BOOT.

Going away for the weekend? The flexible 40:20:40 rear-seat split expands the luggage space from 360 litres to an amazing 1,250 litres. Rising to every occasion, the MINI Clubman allows you to pack all that you need — and all that you don't too.

OPEN SESAME.

Form meets function perfectly exemplified, the sleek Split Doors with Easy Opener allow contactless access when your hands are full. Simply wave your foot below the rear bumper.

GEAR UP.

The MINI Clubman comes packed with the substance to match its confident stance. Take control in style with a simple push of a button on the newly designed electronic selector lever. On the move, the TwinPower Turbo engine and 7-speed dual clutch transmission deliver a sportier ride with effortless acceleration even while improving fuel efficiency.

SEAMLESSLY CONNECTED.

Now with built-in 4G connectivity, discover new ways of interacting with the car through smart voice control and remote services with the MINI App. Sync your calendar and it'll not only remind you to leave on time for appointments and plan the route based on traffic conditions, but also ensure that you can find your way back to your MINI even if you forget where it's parked.

BEST FACE FORWARD.

Sporting a brand new front grille as well as matching high-gloss Piano Black accents around the LED headlights and Union Jack tail lights, it's clear the MINI Clubman is designed to make a statement. Stand out even more with a choice of three new colours: Indian Summer Red, British Racing Green and Enigmatic Black.

YOURS TRULY.

Revel in an atmosphere of refinement with premium finishes such as MINI Yours Walknappa Leather Lounge for the seats, complete with iconic Union Jack motif on the headrests. The sports steering wheel is wrapped in the same elegant leather, while illuminated trims at the door bezels and surfaces add to the interior ambience.

The figures quoted include a 90% tank filling, 68 kg for the driver and 7 kg for luggage. All figures relate to vehicles with 7-speed automatic transmission.
*Depending on the environmental conditions, a temporary peak of the combustion engine power is provided, which can be approx. 10% above the rated power.
The duration of the peak performance increases with falling ambient temperature (approx. 5s at +25°C, approx. 40s at -20°C).
