ECO-FRIENDLY
SEDAN

THE FREEDOM TO DO IT ALL

From outstanding fuel economy and easy manoeuvrability, to a roomy interior and carefully considered features—it's all here to enhance your driving pleasure. So whether you're just doing a spot of late-night shopping or running errands all weekend, the Attrage will go the distance with you—in comfort and style.

GO FURTHER FOR LESS

1.2ℓ DOHC 12-VALVE MIVEC* ENGINE

When you demand acceleration, the Attrage responds with spirited torque and horsepower while maintaining impressive fuel economy.

MINIMUM TURNING RADIUS

The turning radius is among the smallest in its class, making for easy handling in tight spots, regardless of experience level.

SMOOTH AERODYNAMIC DESIGN

The body is streamlined to slip smoothly through the air. Reduced drag lowers wind noise and CO₂ emissions while raising fuel efficiency and high-speed stability.

ECO

ECO LAMP

This lamp illuminates whenever you operate the accelerator pedal in an eco-friendly way. It encourages you to develop good driving habits that lower fuel costs and contribute to a cleaner environment for everyone.

INVECS-III CVT

The INVECS-III[^] CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. Enjoy smooth acceleration and deceleration, and efficiently selected gear ratios in all driving conditions.

ENGINE

The highly responsive 1.2ℓ 3-cylinder MIVEC^{*} engine delivers an ample maximum output of 59 kW (80PS) at 6,000 rpm and practical maximum torque of 106 N-m (10.8kg-m) at 4,000 rpm.

* Mitsubishi Innovative Valve timing Electronic Control system, where intake valve timing is continuously optimised in response to driving conditions.

[^] Intelligent & Innovative Vehicle Electronic Control System III, with illuminated indicator for easy reading at a glance.

 ECO 
20.4km/ℓ

CLASS-LEADING FUEL EFFICIENCY

The lightweight body and smooth aerodynamics add to its exceptional fuel efficiency, as well as its smooth and stable acceleration. Travelling is more affordable, eco-friendly and enjoyable in the Attrage.

06

INTERIOR

YOUR ALL-IN-ONE SPACE

Slip inside an advanced, welcoming, spacious cabin that's equally impressive as its exterior. Chic fabric trim and high-quality materials for soft yet supportive seats, complemented with hi-tech meters. You get style, comfort and intelligence all in one space, bringing more to your drive and your life.

TECH &
SAFETY

DESIGNED FOR YOUR SAFETY

SMARTPHONE-LINK DISPLAY AUDIO (SDA)

Go where you want, when you want. Discover new places and new music. You can operate map settings, music playback, and calls via the large 7-inch touch screen or by voice actions for a safer and more enjoyable drive.

REAR VIEW MONITOR

A live color image with parking guidelines helps prevent backing into objects or other hazards out of sight.

CLASS-LEADING 6 AIRBAGS

Front, side and curtain SRS airbags reduce collision impact from all directions, helping to curb injuries to the driver and passengers in the event of a collision.

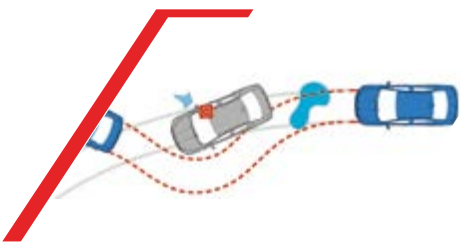

REINFORCED IMPACT SAFETY EVOLUTION (RISE)

Collision safety performance is significantly enhanced by Mitsubishi Motors' RISE body, which efficiently absorbs energy and maintains high cabin integrity in the event of a collision.

PRETENSIONERS

Pretensioners automatically tighten the front seatbelts in the event of a collision to help restrain the driver and front passenger.

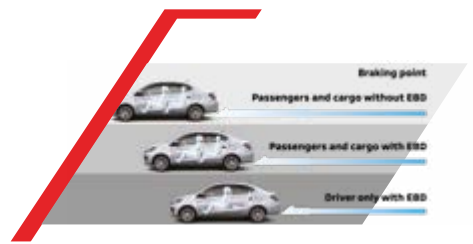

ANTI-LOCK BRAKING SYSTEM (ABS)

The four-wheel Anti-lock Braking System helps prevent the wheels from locking up during emergency braking, so you can maintain greater steering control, even on slippery roads.

ACTIVE STABILITY CONTROL (ASC)

If wheels lose their grip on slippery surfaces or while turning, Active Stability Control automatically adjusts engine output and applies braking force at the appropriate wheels to help maintain control and prevent skidding.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

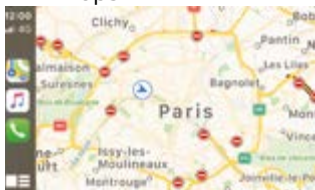

Electronic Brake-force Distribution distributes braking force to all four wheels to enhance braking performance.

WORKS WITH APPLE CARPLAY™ AND ANDROID AUTO™

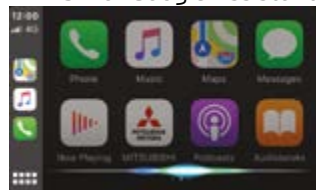

Navigate maps on your 7-inch center display. Voice activation capabilities allow hands-free use for audio, messaging, voice calling and other apps.

AMENITIES

FITTED FOR YOUR CONVENIENCE

450ℓ boot space

LARGE BOOT

Large and easy to load, the boot offers a surprisingly sizeable storage capacity of 450ℓ (measured by German VDA methods).

HEIGHT-ADJUSTABLE DRIVER'S SEAT

Adjust the height of the driver's seat to suit your preference.

DRIVER'S SEAT ADJUSTABLE ARMREST

The driver's seat includes an adjustable armrest to enhance driving comfort and reduce strain on long drives.

CRUISE CONTROL

Vehicle speed is automatically maintained without your foot staying on the accelerator pedal, allowing for more relaxed driving on longer journeys. Pressing the brake pedal disengages the system.

KEYLESS OPERATION SYSTEM (KOS)

KEYLESS OPERATION KEY

As long as the key is on your person, you can press a button on the outside of the driver's side door or trunk, to lock or unlock all doors and trunk.

ENGINE SWITCH

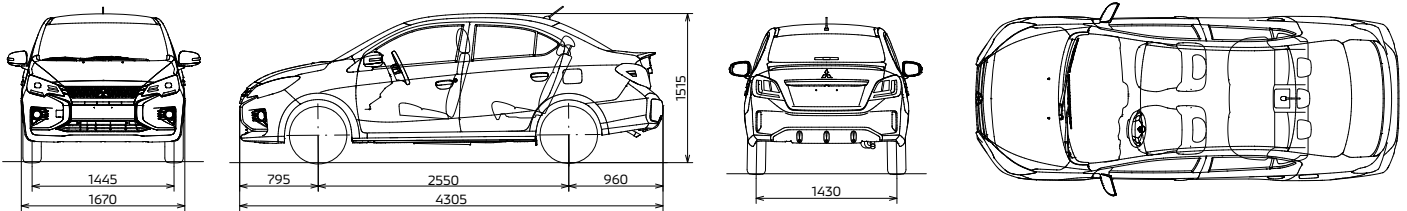

With the key on your person or within range, you can also press the engine switch in the cockpit to start or stop the engine.

USB PORT

The USB port is conveniently located near the instrument panel, allowing easy access from both front seats.
