There may be minor equipment changes due to model year change.

HIGHLIGHTS

NEXT-GEN ENGINE

This next-generation Opel Astra has been engineered around a whole new platform, precision-made for agility, driveability and comfort. Its smooth and ample power delivery combined with the Astra's lightweight body creates an agile and responsive drive.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST

An advanced feature within the Astra, Lane Departure Warning signals against unintentional gradual drifting. Coupled with Lane Keep Assist which gently corrects steering to help you stay within your lane, sit back and enjoy a safe ride.

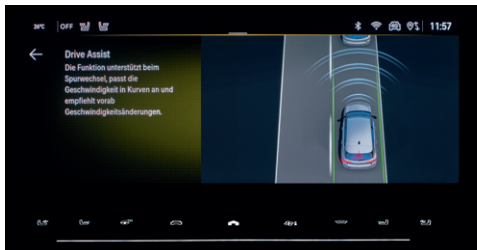

OPEL PURE PANEL® AND FULLY DIGITAL COCKPIT

Discover the new and improved digitally-detoxed Opel Pure Panel®. Comprised of a 10" Digital Instrument Cluster and 10" HD Touchscreen Infotainment that, driver information is streamlined like never before.

LED HEADLIGHTS

Unique Opel "wing" signature headlights and daytime running lights add both style and improved visibility. And, leading technology also means saving energy, our powerful and efficient LED headlights only consume 20 Watts which results in lower CO emissions.

FORWARD COLLISION ALERT

Gives you an audible and visible signal if you approach slower vehicles too fast from behind. The system will also help avoid low-speed rear-end collisions by giving an additional warning in the driver's field of view.

IMPRESSIVE DIGITAL PANORAMIC VISUAL ASSISTANCE

Make parking and backing out a breeze with the digital Panoramic Visual Assistance. With a bird's eye view of potential obstructions all-around you, say hello to stress-free parking!
