

The new
SEAT Arona.

Do your thing.

Made to move you, body and soul.

The Be this. Go there. Drive that. Life is full of voices telling you what to do. The truly bold listen to their own voice. Strike their own path. And now there's backup.

The new SEAT Arona is the city crossover built for the fearless. Smart. Powerful. Dynamic. So you can get out there and do your thing. Whatever that might be.

Take it on with the best of SEAT tech. Getting things done? Stay connected and in touch with Full Link Technology. Energy to spare? Same goes for your Wireless Charger. Past doing difficult? The Keyless System gets you in and off in no time.

Design.

01 See and be seen
in the best light, with Full LED headlights and rear LED taillights.

02 The 'X' detail in the C pillar stands for crossover.
Show the world you've got style, with class.

03 Style, strength and agility.
Just three ways your alloy wheels will keep you in control, beautifully.

04 Sharp blisters and dynamic lines
let you do your thing, and make sure you look great doing it.

05 Strike some contrast
with the customisable roof colour on the Arona, which can be grey, black, orange or the same as the body.

06 The boot goes up to a massive 400 litres in the new SEAT Arona.
Question is, how are you going fill it?

Technology and comfort.

01 Digital Cockpit

Advanced digital display, music, navigation, adaptive cruise control and any other driving assistance systems all in one customisable display.

02 8" display with Full Link

Bring it all together with Full Link technology. Connected and in control.

03 Climatronic airconditioning with Aircare.

04 Heart beat button

The start/stop button illuminates as your new Arona unlocks. Just press it to start the engine and you're off.

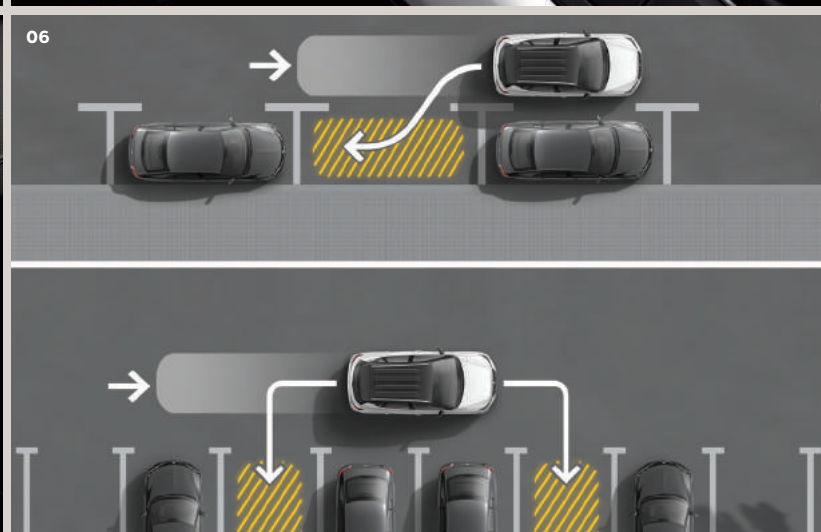

05 Drive Profile

Your Drive Profile sets the car up how you like it. Enjoy Dynamic Chassis Control in Sport mode, in the FR Sport trim.

06 Rear View Camera with Park Assist

Reversing into tight spot? The Rear View Camera shows your steering line on your console, and Park Assist brings it home.

Safety.

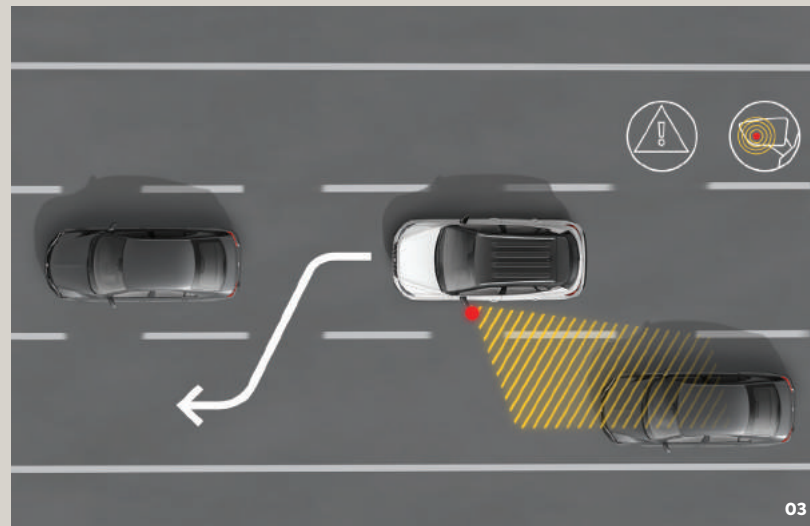

01 Always looking out for you,
Tiredness Recognition System alerts you if you need to take a break.

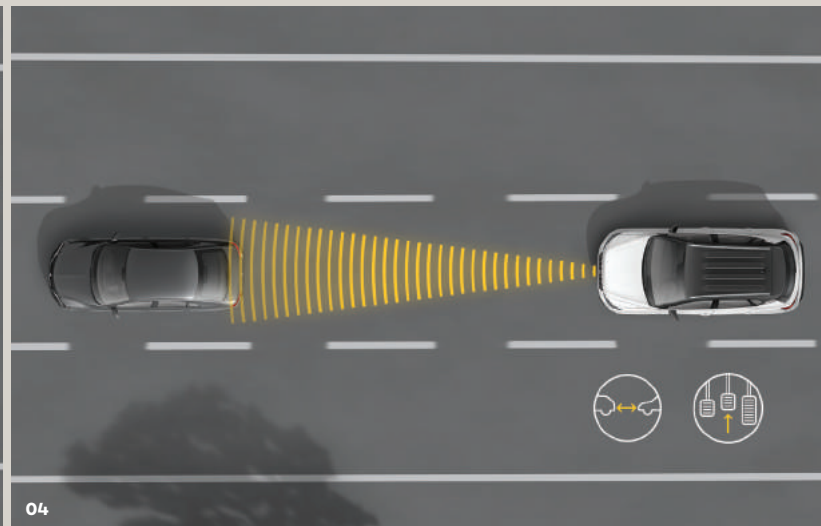

02 6 Airbags
with 5 Star Euro NCAP ratings.

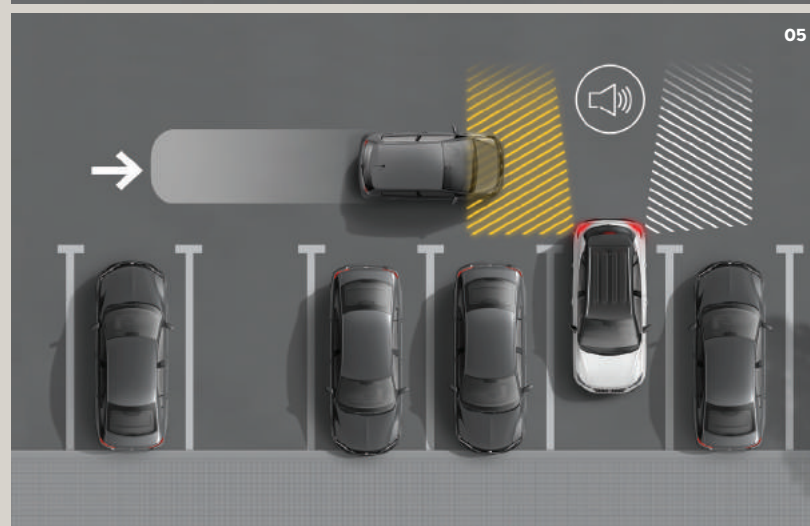

03 Changing lanes?
Your blind spot detection system lets you know if there's something approaching from behind.

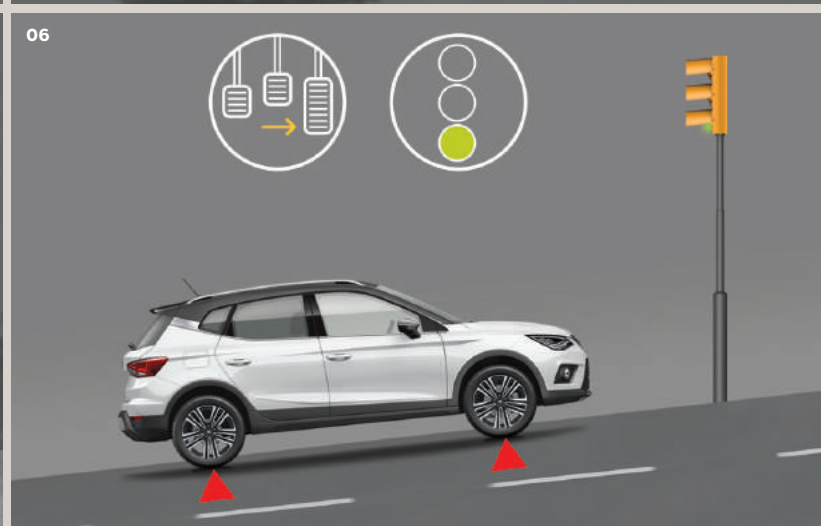

04 Get cruising with your Adaptive Cruise Control.
It makes sure you keep the right speed and distance, and Front Assist helps to avoid collisions with pedestrians or other vehicles.

05 Reversing in or out of a parking space,
the rear traffic alert is there to make sure the coast is clear.

06 Challenge the vertical.
Hill hold control records and stores your brake pressure, so you can easily pull off on steep slopes.
