Design.

01 Front Grille

Accentuated and robust bonnet with Full LED headlights contrast with dark aluminium detailing.

02 Rear Spoiler

Full LED tail lamps with dynamic indicators as well as a rear spoiler that is designed to enhance aerodynamics embellished with the CUPRA logo on a carbon fibre background.

03 Interior Refinement

Made only with the finest craftsmanship, premium materials and upholstery.

04 Sporting Comfort

Electric supportive bucket seats are designed with the fine leather so that you always feel comfortable especially at top speed.

05 Quad Exhaust

Uniquely crafted double-twin exhaust system embedded into the dynamic rear diffuser for optimum performance and styling.

06 19" Alloy Wheels

Distinctive 19" alloy wheels in silver. The colour of elegance on the shape of sophisticated design.

Technology.

01 CUPRA Multi-function Steering Wheel with Progressive Steering

Shift through the gears, control your favourite tracks and navigation without taking hands off the wheel. Progressive Steering feature ensures better control during sporty driving and reduced steering effort at low speeds or when parking.

02 Digital Cockpit

10.2" digital cockpit in your line of vision displaying everything related to your car's performance to navigations.

03 CUPRA Drive Profile

CUPRA Drive mode modifies the whole setup, creating a more exhilarating driving experience and enhancing the roar of the engine.

04 New 9.2" Infotainment System

Take connectivity to the next level with seamless access to content on both smartphones and on the infotainment screen.

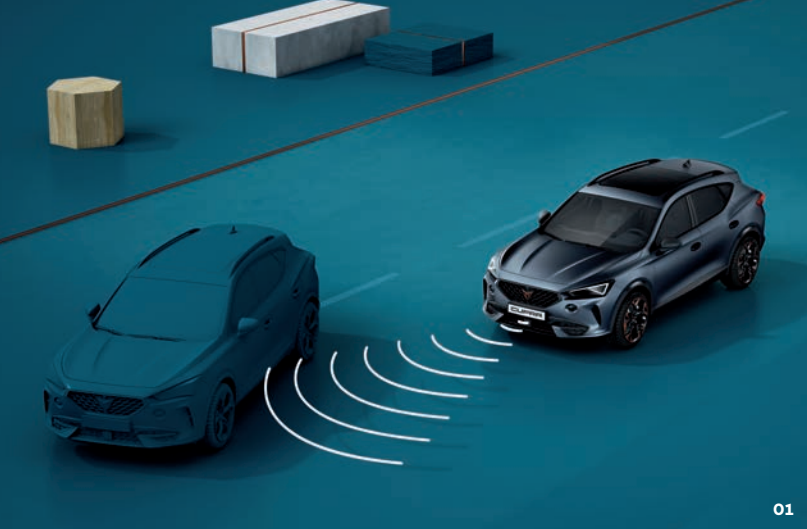

05 Park Assist + 360 Camera

Side mounted camera provide a 360-degree view of your car while the Park assist feature automatically parks the car.

06 Beats Audio System

Driven by 340W amplifier and subwoofer for high-fidelity sound.

Safety.

01 Front Assist

Front radar constantly detects and mitigates potential frontal collision situations.

02 Side Assist

System warns you on incoming traffic behind you so you never have to worry about the blind spot.

03 Adaptive Cruise Control

Designed to take the stress out of driving. Adaptive cruise control feature adjusts the vehicle's distance and speed according to the vehicle in front.

04 Head Lamp Assist

Automatically dips the headlight when it senses oncoming traffic.

05 Rear Cross Traffic Alert

Helps make exiting rear parking lots easier as it stops the car if it detects vehicles or obstacles approaching.

06 Airbags

7-Airbags for 360 degrees protection.
