

ŠKODA OCTAVIA

ŠKODA
SIMPLY CLEVER

WHAT IS ŠMART?

Is it just a word? Just a label? Just a category?

No. It's more. Much more.

ŠMART is intuition, turning intelligence into value
And taking it to the streets

Making small feel big
Making inexpensive feel awesome

Making performance and comfort sync like never before

After all, who would say 'no' to feeling good?

ŠMART is owning your ride
Instead of having it own you

High quality without the high price tag
In a car you really really want to drive

ŠMART is a status you expect
Because you've earned it

And will do so year after year after year

Performance + Reliability + Safety + Quality + Value

That's what ŠMART is
ŠKODA ŠMART

WHAT IS IT ABOUT THE OCTAVIA?

We believe the sum of the parts is as great as the whole. And nowhere does this ring more true than with the ŠKODA OCTAVIA. A 6-time Car Of The Year winner of What Car? award from 2013 to 2018, it's a car that's justified in its adoration.

Led by crystalline lines that define its road presence, the car is compelling to look at from every angle. Inside, the numerous connectivity features, safety assistants and technological treats tick every box for the 21st century driver. And as always, a host of Simply Clever features cements the status of this car in a class of its own.

The OCTAVIA is the epitome of our philosophy of making beautiful rides that are a joy to drive.

That's Simply Clever. That's ŠKODA.

LOOKING SHARP AND SMART MATTERS.

The ŠKODA design is simple, precise and crystalline, lending the car its harmonic proportions, high functionality and timeless aesthetic.

FRONT VIEW

The front is dominated by a robust grille with the ŠKODA logo. It is aptly complemented by headlamps that are split-angled in the lower part.

LED REAR LIGHTS

The prominent and eye-catching multifaceted finish features ŠKODA's distinctive C-shape design.

FIN

The upswept dynamic window line in the rear doors provides the car with added dynamism.

THE EXTRA MILE, FOR YOUR PROTECTION.

We want you to go as far as possible with your OCTAVIA. So we made it safe. With active and passive features working in unison, we've thought about your protection, in case someone else doesn't.

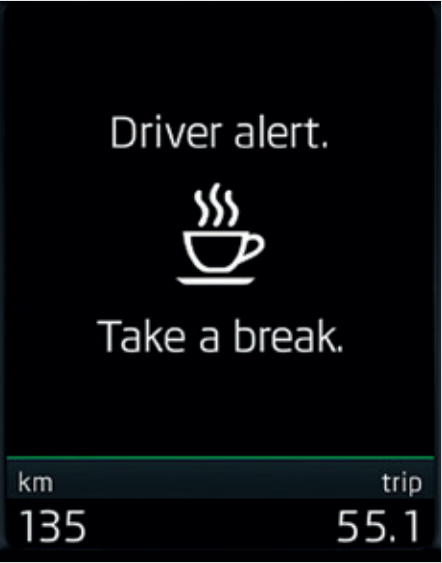

ELECTRONIC STABILITY CONTROL

This assistant helps to control the brakes, preventing slipping, locking of the wheels, and reduces the risk of multiple collisions.

DRIVER ALERT

This clever assistant evaluates data from the power steering sensors to detect any driver fatigue behaviour. In such cases, the Maxi DOT display warns the driver to take a break.

7 AIRBAGS

Front driver and passenger airbags, side airbags, head airbags and driver knee airbag are equipped in the car to ensure the safety of all passengers. The passenger airbag can be disabled when a child seat is installed on the front seat.

BLIND SPOT DETECT*

Radar sensors in the rear bumper support the driver in changing lanes safely by registering any vehicles in the blind spot.

*Only available on Ambition Plus

MORE INSIDE THAN MEETS THE EYE.

Underneath the stylish exterior of the OCTAVIA lies a perfect example of solid, reliable ŠKODA engineering. In its class, the OCTAVIA isn't just ŠMART, it's technically ahead.

STEERING WHEEL

The multifunctional leather steering wheel comes equipped with radio and telephone controls.

DUAL-ZONE CLIMATRONIC

Allows the driver and front passenger to choose the most comfortable temperature.

KESSY

For keyless ignition and switching off the engine.

SMARTLINK

SmartLink delivers an elegant connection between car and smartphone by supporting Apple CarPlay, Android Auto and MirrorLink technologies.

CRUISE CONTROL

Enables you to increase or reduce speed without using the pedals.

BOLERO

The Bolero radio with 8" touchscreen display offers a USB/AUX-in connection, SD card slot, Bluetooth, SmartLink system and 8 speakers.

SIMPLY CLEVER. IT'S ALL IN THE DETAILS.

The OCTAVIA doesn't just get by on its good looks. It's intelligent too. With obsessive attention paid to features based on your real needs, thoroughly thought-out and ingenious details scream *Simply Clever*! But let the last word be yours.

GLOVE COMPARTMENT
Thanks to the air-conditioned, closed storage compartment, you have a place to store chilled refreshments.

FRONT DOOR COMPARTMENTS
You will find a 1.5L bottle holder in a spacious compartment in the front door. This is also where you can place a removable waste basket.

UMBRELLA BOX
Greet the rain with a smile. A box for your umbrella is under the passenger seat.

LUGGAGE HOOKS
Keep your purchases safe, upright and uncrumpled on the journey home. Hang them on the bag hooks, and everything's taken care of.

SMART SPACES ARE NEVER TOO MUCH.

When it comes to your comfort, the OCTAVIA gives you all the cleverly purposed space you need. Space for your seating, and even your luggage. So when you've got a long way to go, the OCTAVIA goes a long way to make you comfortable.

LEGROOM

With a long wheelbase of nearly 2.70 metres, there is more than enough room to comfortably stretch your legs.

BOOT SPACE

The largest in its class, the liftback can hold 590 litres or 1,580 litres with rear seats folded.

*Only available for OCTAVIA RS 245

RS 245

FUNCTION + PERFORMANCE, AMPLIFIED.

What makes the OCTAVIA RS 245 truly exceptional? It all lies under the bonnet – a 2.0 TSI/180kW (245bhp) engine that will turn up your drive. Accompanied by its sporty design, it cleverly maximises traction, reduces under-steering and adds agility, for your fastest OCTAVIA ride.

FRONT VIEW
The dynamic front features a front grille frame in glossy black and the RS badge.

CHROME EXHAUST
The exhaust pipe, in chrome finishing, is specifically tuned to reverberate the engine's sporty, signature sound. While the side-view mirror covers, are finished in black, a characteristic detail of the RS 245 version.

SEATS
Upholstered in Alcantara leather, where the backrests are decorated with the RS logo.

SPORTS STEERING WHEEL
The wheel controls the Direct Shift Gearbox (DSG), radio, and the phone, which is integrated with digital voice enhancement.

COLUMBUS
The Columbus 3D navigation system features comfortable touch control on a 9.2" display. The device offers many functions, including Bluetooth, SmartLink system and WiFi. The integrated phone module with fast LTE internet compatibility is also available. Perfect sound quality is guaranteed by four front and four rear speakers.

OCTAVIA Ambition

1.4 TSI

- › 16-inch alloy wheels
- › Halogen headlights with daytime running lights
- › Front fog lights
