

VELLFIRE

Move your world

ALL NEW **VELLFIRE HYBRID**

First-class Travel, Elevated

Introducing the Toyota Vellfire Hybrid—an embodiment of bespoke luxury travel, your trusted companion in your most treasured moments. Step into a realm of unparalleled comfort and opulence, meticulously refined to ignite your senses.

Enhanced by advanced safety features that cocoon you and your loved ones in a protective embrace, and powered by an extraordinary self-charging hybrid engine, each journey becomes an exquisite indulgence, making your travels truly opulent.

Distinguished **Elegance**

The all-new Vellfire Hybrid confidently exudes an unequivocal aura of allure and sophistication, highlighted by its commanding front grille that radiates distinction and power.

Front Grille Design

Meticulously sculpted to convey unmistakable authority, the face of the Vellfire speaks volumes about its formidable presence.

Front LED Lights

The striking head lamps, day-time running lamps, and fog lamps blend seamlessly with the Vellfire's aesthetics, and utilise LEDs for enhanced visibility.

Rear LED Lights

Discernible from a distance, the LED Brake and Sequential Tail Lamps add to the Vellfire's exquisite distinction. In addition, the Aero Stabilising Fins on the outer lens contribute to excellent stability.

Power Sliding Door with Obstruction Detection

Crafted for your elegant entrance into and exit from the Vellfire, the power sliding doors operate effortlessly, discreetly detecting obstacles for a smooth and safe boarding experience.

Lower Rear Seat Access Step

Board and alight the Vellfire with steady grace and unhindered style. The lower access step allows your every entry and exit to be consistently immaculate and effortless.

First-class **Luxury**

An exquisite blend of sophisticated elegance, enveloping comfort, and uncompromising luxury, the Vellfire's interior embodies refined opulence.

Immerse in Enveloping Bliss

Indulge in first-class comfort as you sink into the spacious Captain Seats with Ottoman Function luxuriously wrapped in genuine leather upholstery. Tailor the adjustable seats with ventilation until they reach your desired level of comfort.

So wherever your destination is or however long the journey takes, you'll always arrive well-rested to take on the day.

Twin Panoramic Glass Moonroof and Overhead Console

Let the light in or gaze outward into the night sky as you travel. The Vellfire's moonroof shades can be electrically operated to slide open and close—allowing you to appreciate the beauty of the outside world as you travel to your destination.

From lighting to air-conditioning, the thoughtfully designed overhead console gives each occupant unbridled access to adjust the cabin's comfort levels to their desire.

Ambient Lighting

With up to 14 base colours and 50 custom options to choose from, the Vellfire's LED ceiling illumination can be adjusted to suit your every mood—and create a truly bespoke setting at every turn.

Tri-zone Air Conditioning with Nanoe™

Experience equal levels of comfort and freshness, always. Together with the nanoe™ X system, the tri-zone full-automatic air conditioning provides cool, clean air all throughout the Vellfire's cabin—making every journey comfortable beyond compare.

Roller Sunshades

The powered roller sunshades add an extra dimension of luxury to your journeys. Integrated seamlessly into the rear windows and in a single, effortless touch, they slide down to shield passengers from sun and sight—giving you the privacy you need on demand, and enabling an unparalleled travel experience.

Detachable Touch Displays for Individual Comfort

Get ready to experience a personalised passenger experience like no other. Whether it's effortlessly adjusting your seat posture, fine-tuning the air conditioning to your desired level, or indulging in a soothing massage feature that melts away fatigue and stress, the Vellfire offers a world of comfort and sophistication beyond compare in all your journeys.

Craftsmanship Meets Opulence

An exquisite blend of intuitive design and precise craftsmanship, the Vellfire's features are thoroughly honed for an elevated sense of opulence and grandeur. From the extraordinary multimedia system to the outstanding comfort of the configurable seats, you'll find yourself immersed in a world of pleasure that surpasses all expectations.

14" Multimedia System with Touch Screen

Stay seamlessly connected and entertained in the Vellfire with its 14" Multimedia System, featuring full touchscreen and Bluetooth functions along with wireless Apple CarPlay® and wired Android Auto™. Enjoy a modern driving experience with easy access to calls, music, apps, and real-time navigation updates—all at your fingertips.

Premier Audio System

Within the Vellfire's cabin adorned with 15 premium JBL speakers, every note played resonates through like a symphony in a grand concert hall—enveloping you in pure audio bliss, transforming every journey into a sublime auditory experience.

Versatile Seating Configurations

Tailored to offer unrivalled levels of personalisation, our seats transform your journey into a symphony of luxury and delight. Seamlessly adjust them to create a cocoon of opulence that cradles you throughout. Indulgence is taken to new heights with the 50:50 split-folding third row seats, which grants you unmatched adaptability and satisfaction. Every trip is now filled with pleasure.

Spacious Storage

The Vellfire features unrivalled storage space, enabling you to bring all you desire to your every destination without worry.

Toyota Hybrid

Powered by the latest generation of Toyota Hybrid System, the Vellfire promises exceptional performance and a smooth, quiet ride—always.

Self-Charging Hybrid

With innovations such as regenerative braking, the energy used as you drive is captured, transformed into electricity, and used to recharge the Vellfire's hybrid battery—giving it an impressive 17.2km/L of fuel efficiency.

Lower CO₂ Emissions

The hybrid system allows every drive in the Vellfire to not only be smoother, but to complement an eco-lifestyle and contribute to a greener future with reduced CO₂ emissions.

No Additional Maintenance

Even with a hybrid power source, there's no additional maintenance required for the Vellfire—ensuring you won't encounter any added disruptions to your travels.

Exceptionally Quiet

The Vellfire is exceptionally peaceful and quiet thanks to the near-noiseless hybrid engine—enabling you to truly enjoy first-class luxury.

Safety for All

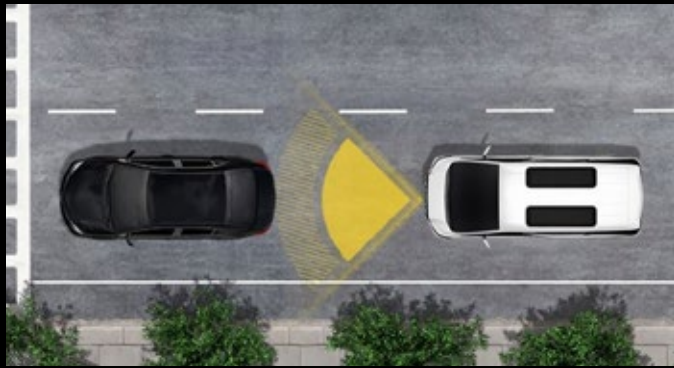

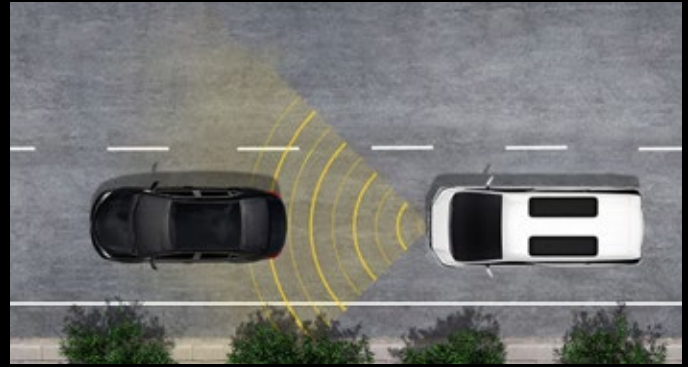

Every Toyota is designed with your safety as one of our greatest considerations and highest priorities. Safeguarded by the latest Toyota Safety Sense, our suite of advanced safety features, you'll be well-protected wherever you go in the Vellfire. So you can enjoy your journeys with total peace of mind, every time.

Drivers are responsible for their own safety, and must always drive safely, obey traffic speed limits and laws and focus on the road while driving. Refer to the Owner's Manual for your vehicle to read more information on TSS precautions and limitations.

Safety
Sense

Dynamic Radar Cruise Control (DRCC)

Cruising made even more effortless. Using forward-sensing radar technology and an intelligent camera, DRCC adjusts your speed according to traffic—slowing when the traffic is heavy and accelerating back to your original cruising speed when traffic clears. It now includes Curve Speed Management which, if needed, automatically reduces your speed on curves.

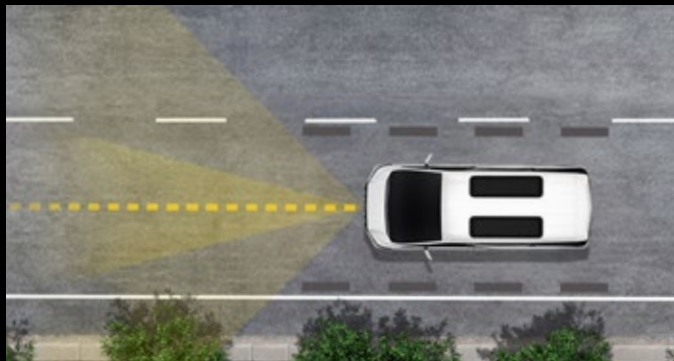

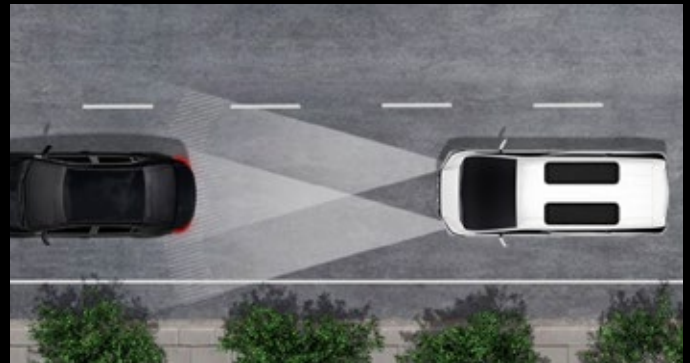

Pre-collision System (PCS)

The PCS now includes Automatic Emergency Braking (AEB) Intersection, alerting you to vehicles, pedestrians, or cyclists even at intersections. It uses radar and shape recognition to warn of potential collisions and helps to apply brakes when necessary. The new Emergency Steering Assist (ESA) further enhances stability during emergency steering.

Adaptive High-Beam (AHB)

This smart sensor detects the headlights and taillights of cars in front of you, and automatically optimises the headlamp light distribution to ensure you never dazzle other drivers, making driving safer for you and your fellow road users.

Lane Tracing Assist (LTA) and Lane Departure Alert (LDA)

When DRCC is enabled and lane markers are visible, the LTA uses road lines and leading vehicles to centre your car in its lane. The LDA identifies lane markings to help detect inadvertent lane departures—issuing audible and visual warnings. The Steering Assist also provides corrective steering when necessary.

6x SRS AIRBAGS

No matter where you're seated in the Vellfire, your safety is paramount and assured. With six SRS airbags providing coverage across the cabin, the impact from any collisions will be mitigated to keep you safe from harm.
