DIAMOND-STYLED DESIGN

A cut-through presence on the road that's as distinct as you

DESIGN THEME

STAND OUT FROM THE CROWD

The distinctive diamond shaped silhouette formed by the unique contrast of the coupe-like cabin and powerful underbody expresses agility and speed.

FRONT HEADLAMPS

SHINE BRIGHT LIKE A DIAMOND

Enjoy greater visibility with adaptive high-beam system, auto headlamps, sweep-action sequential turn signals*, and daytime running lights.

*only for Luxury variant

AERODYNAMIC CONTOURS AND PARTS

CUT THROUGH IN STYLE

Experience greater stability and controllability at any speed thanks to the aerodynamic parts and shapes incorporated in the car design.

REAR COMBINATION LAMPS

CAPTIVATE FROM ALL DIMENSIONS

Bright and clear lamps provide superior vehicle visibility. It's also hard to miss the unconventional shape which projects outwards, giving it a three-dimensional feel.

WING MIRRORS

INCREASED VISIBILITY AND CONVENIENCE

Side mirrors are strategically placed to enhance forward-diagonal visibility and reduce blindspot areas. Mirrors also automatically fold when the car is locked.

17" ALUMINIUM WHEEL DESIGN

MAKE YOUR MARK BOLDLY

Performance and style come together in this eye-catching rim design, complementing the bold look and character of the C-HR.

HEIGHTEN YOUR SENSES

With diamond motif interior and multi-function steering

DIAMOND MOTIF INTERIOR STYLING

STEP INTO STYLE

The unique diamond design theme extends throughout the interior, from the shape of crucial instruments and controls, to the seat trim, door sills and speaker grilles for a truly consistent aesthetic.

MULTI-FUNCTION STEERING CONTROL AT YOUR FINGERTIPS

Frequently used switches organised in diamond shaped clusters allow you to keep your eyes on the road and immerse yourself fully in the driving experience.

TOYOTA TELEMATICS SYSTEM STAY CONNECTED

Seamlessly transit from your mobile device to your car with this advanced touch screen system that lets you access your music, navigate a route*, and answer phone calls. *only for Luxury variant

AUTO RAIN-SENSING WIPERS VISIBILITY IN THE RAIN

Intelligent sensors detect rainfall on the windscreen to ensure you always have excellent front visibility without needing to lift a finger.

NANO E™ AUTO CLIMATE AIR CON A BREATH OF FRESH AIR

This new system cleanses the air by neutralising pollen and odour-producing particles, leaving you feeling cool and refreshed.

4.2" MULTI-INFORMATION DISPLAY WITH OPITRON METER INFORMATION AT A GLANCE

Sporty digital meters put vital driving and safety information within your line of sight to enhance your driving experience.

BREAK FREE FROM THE EVERYDAY

Turbo-charged power and fun on the road

1.2L TURBOCHARGED ENGINE WITH D-4T & VVT-iW POWER WHERE IT COUNTS

Delivering 185Nm of torque, this new engine performs like a larger capacity engine would with its responsive acceleration, while maintaining the class leading standards of durability and fuel efficiency Toyota is renowned for.

7 SPEED CONTINUOUSLY VARIABLE TRANSMISSION (CVT) SMOOTH RESPONSE WITH CLASS-LEADING FUEL EFFICIENCY

Experience smooth and rapid shift response while achieving superior efficiency, with the option to switch to sequential shifting for a sportier, more spirited drive.

STEERING SYSTEM FEEL ONE WITH THE ROAD

Column-type Electronic Power Steering helps you feel in control by ensuring the steering has light feedback at low speed ranges and stronger feedback at high speed ranges.

SUSPENSION INTUITIVE MANEUVERABILITY

Newly developed front and rear suspension improves handling and helps the car feel like an extension of yourself. This increased controllability and stability makes smooth lane changes a breeze.

SMART SAFETY TECHNOLOGY

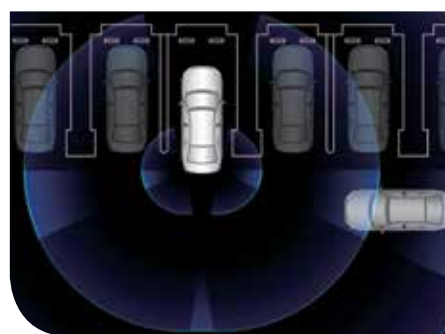

Drive better with intelligent safeguards

TOYOTA SAFETY SENSE P PACKAGE

SMART SAFEGUARDS

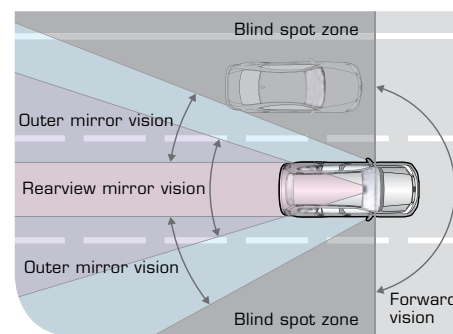

Drive better and safer with technology such as Pre-crash Safety System (anticipates collisions), Lane Departure Alert (notifies when car deviates from lane), Dynamic Radar Cruise Control (maintains safe distance between car in front), and Adaptive High-Beam System (provides perfect visibility without endangering other drivers)

REAR CROSS TRAFFIC ALERT SYSTEM

ALWAYS GOT YOUR BACK

Intelligent side and rear sensors help you reverse confidently even when rear view visibility is obstructed. Coming out from a front-in parking position has never been easier and safer.

BLIND SPOT MONITOR SYSTEM

SEE EVERY ANGLE

Prevent collisions with the help of strategically placed sensors around the car that alert you when other vehicles enter or are currently in your blind spot.

FRONT AND REAR CLEARANCE SENSORS

360° SENSING

With the built-in ultrasonic sensors, you will receive information and confirmation of the conditions around your vehicle during parking or turning.

REVERSE CAMERA

EYES AT THE BACK OF YOUR HEAD

Reversing into tight spots is easy thanks to a "live" view of the back of the car. In tandem with the reverse sensors, you will be able to anticipate nearby obstructions better.

7 SRS AIRBAGS

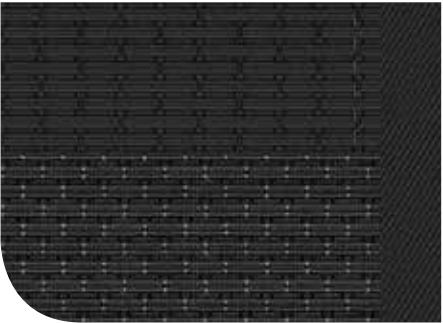

PROTECTION ALL AROUND

More airbags for added protection in the unlikely event of a collision, for driver and passengers.

DRIVING INNOVATION SO YOU CAN DRIVE BETTER.

Investing almost US\$9 billion a year, Toyota is the world's top R&D spender (averaging about US\$1 million an hour).* A worthy investment towards creating ever-improving technology, sturdier rides and a Toyota that you can count on. All of which you'll find embodied in the C-HR.

Built on the Toyota New Global Architecture (TNGA) platform, the C-HR not only has a solid foundation of high performance components, but also a greater emphasized personality and styling that is sure to stand out on the road. With a 1.2L turbocharged engine, its responsive acceleration performs like a larger capacity engine. While the renowned Continuous Variable Transmission (CVT) ensures smooth and rapid shift response along with superior efficiency. Not to mention the Toyota Safety Sense P which comprises a host of technological features to help you drive better and safer.

At Borneo Motors, we go beyond just delivering a great car. From quality control to aftersales service, we do all that we can so you can drive your Toyota better, safer and easier.
