

TOYOTA

ALWAYS BETTER.

COROLLA ALTIS

THE LEGEND REDEFINED

The legend continues.

The Corolla Altis.

**11 GENERATIONS OF LEADERSHIP.
1 ICONIC BADGE.**

The Legend Redefined

The Corolla Altis. It is the world's best-selling car and the legend that has been bringing happiness to people around the world since 1966 – selling over 40 million units to date.

Now in its 11th generation, we are delighted to announce that we have achieved the near impossible task of improving a car this loved and complete.

Designed and developed with you in mind, the Corolla Altis makes an immediate impression the moment you set eyes on it. Its design is more dynamic, assertive and progressive than ever before.

Inside, you'll be greeted by ergonomics and a dashboard architecture that are both modern and intuitive. You will also notice the high-grade materials and user-friendly features that exude a true sense of quality.

Even the driving responses have been enhanced to provide the optimum blend of comfort and agility. So every trip will fill you with fun and excitement, or Wakudoki as we call it.

All these are in addition to the world-class technologies and the renowned qualities that are part of the Toyota DNA: QDR (quality, durability and reliability), class-leading fuel efficiency, uncompromised safety and outstanding value for money.

From peace of mind every time you get behind the wheel, to the assurance of best-in-class ownership, the Corolla Altis is everything you expect and more – the legend redefined.

Class-leading innovation that never fails to impress – the **Corolla Altis**.

DESIGN that is a true work of art

The Corolla Altis exudes modern styling with athletic proportions.

- LED headlamps*
- Daytime running lights*
- Daring front-end looks with Toyota's new design language
- Muscular side profile and body panels
- Retractable wing mirrors with signal indicators
- 16" alloy rims
- Cyber carbon accents
- Soft top dashboard

FEATURES that are intuitive and dynamic

Every need is taken care of by innovative conveniences so you can relax and enjoy every journey.

- Driver Power Seat*
- Smart start and entry system*
- Electric boot release
- Auto headlamps*
- Auto rain-sensing wipers*
- Nanoe™ auto-climate air-conditioner*
- Auto-dimming electrochromic mirrors*
- DVD infotainment system with GPS*
- Reverse camera and sensors
- 60:40 split-folding rear seats
- Acoustic windscreen*

PERFORMANCE that is engineered to impress

The benchmark is set again for overall performance and fuel efficiency with Toyota's world-class technology.

- Dual VVT-i engine technology
- 7-speed Super CVT-i transmission
- Aero stabilising fins
- Low rolling resistance tyres
- Eco drive indicator

SAFETY that provides peace of mind

All aspects of occupant and even pedestrian protection have been catered for so you can rest assured and focus on the driving.

- Dual SRS airbags
- ISO-fix child restraint system
- Anti-lock braking system with brake assist
- Electronic brake distribution
- Pedestrian crash safety body

Journey of a legend

THE BIRTH OF A LEGEND

- 1966 – The first unit leaves the production line
- 1968 – Wins Class at legendary Bathurst 500
- 1969 – Japan's No. 1 selling model
- 1970 – Production reaches 1 million units

REDEFINING PERFORMANCE

- 1971 – Revealed for the first time in France at Paris Motor Show
- 1972 – The race-inspired Levin coupé and Sprinter Trueno variants are revealed

REDEFINING THE CLASS

- 1987 – Turned the category on its head by offering new levels of features, quality, and luxury
- 1989 – Achieved highest average monthly sales of 100,000 units worldwide

AN ENGINEERING MARVEL

- 1991 – Became first in its class to offer high levels of features, quality, and luxury
- During this era, Toyota delivered to the drivers a car that comes with a 5-valve engine configuration that is rare, even in today's super sports cars

A TRUE WINNER

- 1998 – Won the World Rally Championship rounds in Monte Carlo, Spain and New Zealand
- 1999 – Won the World Rally Championship's Manufacturer title and "Best Compact Car" by JD Power US

THE TOWERING ACHIEVER

- 1974 – The No. 1 produced car in the world
- 1976 – Production reached 5 million units
- 1975 – Toyota's first win in motorsport at the 1,000 Lakes Rally of Finland with Toyota Corolla

LEGEND FOR THE 80S

- 1979 – Styled for the decade, it led the way with its boxy-edged design
- 1983 – Production reached 10 million mark

CHANGING THE GAME

- 1983 – One of the most significant changes was introduced: the transverse engine and front-wheel drive configuration that provided tremendous space and cost savings
- 1987 – Featuring class-leading space and youthful design, it becomes the top-selling car in Japan and other parts of the world, once again

THE ICONIC BADGE

- 2000 and 2004 – Was awarded "Best Compact Car" by JD Power US
- 2003 – Awarded "Best Compact Car" by US AMES Award
- 2000 and 2006 – Awarded "Best Lower Medium Car" by JD Power Germany
- 2005 – The first automobile in history to reach sales of 30 million

THE BEST OF 40 YEARS

- 2006 – Celebrated 40 Years of proud moments
- 2007 – Awarded a perfect 5-star Euro NCAP rating for automotive safety

It also saw improvements in all key areas of performance, fuel efficiency, safety, reliability and even emissions – achieving the goal of becoming a 'Happy Car for the Planet'

Confidence like you've never felt

Design that is a true work of art

FRONT DESIGN

DISTINCT PRESENCE

From the unique T-shaped motif grille design to the boldly sculpted spoiler, Toyota's new design adds confidence to the driving experience.

LED HEADLAMPS*

ENHANCED VISION AND LOOKS

A first in its category, LED headlamps provide excellent visibility under all conditions, while the daytime-running lights add safety and a unique look.

SIDE PROFILE

IMPROVED AERODYNAMICS

In addition to increasing high-speed stability, the asymmetrical body line and sculpted panels imbue the Corolla Altis with an athletic stance.

WING MIRRORS

BETTER VISIBILITY

Stylishly designed, these feature built-in signal indicators for increased visibility to other motorists.

16" ALLOY RIMS

SPORTY AND DYNAMIC

Precision-machined and bold in design, they complement the muscular looks and character of the Corolla Altis.

MODERN INTERIOR

SUPERIOR DRIVING ENVIRONMENT

From the soft dashboard panel to the striking cyber carbon accents, the interior makes every journey both enjoyable and exciting.

*Applies to Elegance Variant only

Details and specifications may differ from pictures shown depending on models.

Enjoyment like you've never imagined

Features that are intuitive and dynamic

SMART START AND ENTRY* EASY ACCESS

With the smart keyless entry and ignition system, you can set off on your journeys without the need to even take out your key.

NANOE™ AUTO-CLIMATE AIRCON* COOL AND CLEAN AIR

Featuring a nanoe™ generator, the air-conditioning system cleans the air as it cools, suppressing allergens and odour.

AUTO RAIN-SENSING WIPERS* HANDS-FREE CONVENIENCE

Intelligent sensors detect rainfall on the windscreen and turn on the wipers automatically. The system even adjusts wiper speed according to weather conditions.

*Applies to Elegance Variant only

ELECTROCHROMIC MIRROR* VISIBLE SAFETY

Specially designed for night driving, the mirror automatically dims itself to cut off the glare from the high beams of rear traffic.

DRIVER POWER SEAT* ADDED COMFORT

The driver's seat can be adjusted easily with the touch of a button to enhance comfort for the driver.

ELECTRIC BOOT RELEASE EASY LOADING

Access the boot without having to remove the key from your pocket or bag. The spacious 470-litre boot comfortably fits 4 golf bags.

*Applies to Elegance Variant only

Excitement like you've never known

Performance that is designed to impress

1.6L DUAL VVT-i ENGINE EXCITING YET EFFICIENT

With a maximum output of 121bhp and 154Nm of torque, our world-renowned engine technology achieves class-leading fuel-efficiency at 6.5ℓ/100km.

7-SPEED SUPER CVT-i SEAMLESS SHIFTING

Super CVT-i adapts to your driving style to deliver a more engaging experience with smoother acceleration and superior efficiency. It also allows sequential shifting for a more spirited drive.

AERO STABILISING FINS HIGH-SPEED STABILITY

Positioned at the wing mirrors, rear lamps and lower rear spoiler, these help reduce drag at highway speeds.

ACOUSTIC GLASS* HUSHED INTERIOR

The 3-layered glass helps lower NVH (noise, vibration and harshness) levels, so unwanted wind noise and others sounds do not intrude into the cabin.

LIGHTWEIGHT SUSPENSION IMPROVED RIDE AND HANDLING

Compact and weight-saving, the front and rear suspensions have been optimised for the best balance of ride comfort and handling.

ECO MONITOR ECONOMICAL AND ECO-FRIENDLY DRIVING

This indicator helps you to monitor your driving and gives you real-time updates so you can drive as economically and environmentally friendly as possible.

*Applies to Elegance Variant only

Details and specifications may differ from pictures shown depending on models.

Assurance like you've never expected

Class-leading safety features

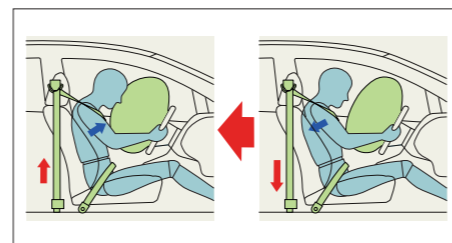

SRS AIRBAGS CUSHIONING IMPACT

Dual airbags mean both the driver and front passenger are well protected from head injuries in the event of a collision.

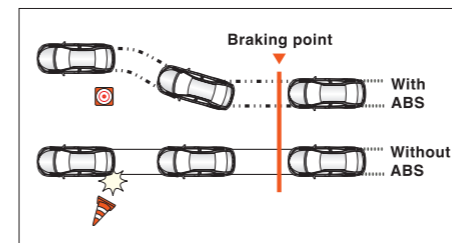

PEDESTRIAN PROTECTION OUTWARD SAFETY

Made from impact-absorbing materials, the front bumper minimises knee injuries in the event of a collision with a pedestrian.

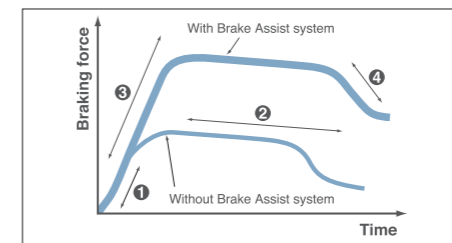

PRETENSIONER AND FORCE LIMITER INTUITIVE PROTECTION

Working in tandem with the seatbelts, the pretensioner enhances restraint performance during impact, while the force limiter ensures passengers are held in place with just the right amount of pressure.

ABS AND EBD IMPROVED BRAKING AND CONTROL

The Anti-lock Braking System (ABS) prevents skidding when braking on wet and slippery surfaces, and Electronic Brake Distribution (EBD) ensures brake-force is distributed optimally between all wheels for effective braking.

BRAKE ASSIST SUPERIOR EMERGENCY BRAKING

To reduce stopping distance dramatically, Brake Assist generates more braking force.

CHILD RESTRAINT SYSTEM LITTLE FEATURE, BIG SAFETY

Complying with international safety standards, the ISO-Fix mounting points can secure up to two child seats at the rear.

Specifications & equipment are subject to changes

Details and specifications may differ from pictures shown depending on models.

Toyota is the world's top R&D spender, investing over US\$9 billion a year. That's more than US\$1 million an hour.

At Toyota, we believe that there is Always a Better Way. Our R&D is a testament to our "Kaizen" spirit – the Japanese philosophy of continuous improvement.

This is the impetus to all of Toyota's developments. Including our new dynamic global design, and innovations like the Super CVT-i transmission, which not only provides seamless momentum, but features a maintenance-free belt. And, of course, our world-renowned Dual VVT-i engine that is designed to maximise power output while minimising consumption and emissions.

All of these and more have led us to become a global benchmark for Quality, Durability and Reliability. Coupled with constant innovation and creativity, we anticipate your mobility needs so you can always look forward to better cars.

TOYOTA. ALWAYS BETTER.

Super CVT-i transmission

Dual VVT-i engine

New dynamic global design

When you buy a Toyota from Borneo Motors, you get more than just a car. You get the satisfaction, assurance, support and convenience that are best captured in our brand promise: **Always Better.**

Always Better Cars

It is this same promise that drives us to understand your lifestyle. That's why we offer a range of models that caters to your needs today with innovations that fulfil the requirements of tomorrow. For example, Dual VVT-i engines that deliver a superior blend of performance and fuel economy, and Hybrid Synergy Drive, which minimises carbon emissions for cleaner air and a better quality of life. All these and more are part of the Toyota ownership experience that has grown to become the industry's benchmark.

Always Better Assurance

From the moment you collect your car, you will feel the world-renowned Toyota difference of Quality, Durability and Reliability, or QDR, as we call it.

This difference is further bolstered by an impressive five-year unlimited-mileage warranty, plus one year's servicing*. During which, and beyond, you can rest assured that your car will be cared for by our certified specialists, who use the latest in technology, precision tools and Toyota genuine parts.

These are just some of the things we have in place to ensure your car keeps performing the way it should – like a Toyota.

Always Better Experiences

No matter which facility you choose, you will receive that special Toyota touch, which gives you an ownership experience unlike any other.

It all starts at Toyota World, our experiential showroom that is designed to serve you better. One of the ownership privileges you'll appreciate is our online booking service, which allows you to make an appointment at any of our ten service facilities and body care centres islandwide. You will even receive an SMS reminder as your appointment date draws near, so you can better manage your time.

Toyota Service Express also guarantees to have your car serviced, manually cleaned, vacuumed and ready in just one hour**, or you pay only half. And should the need arise, you can count on our Toyota Body Express to get your repair works done efficiently in four systematic stages: Disassembly, Bodyworks & Paint Preparation, Paint Application and Assembly & Inspection.

Either way, we will make sure your car comes out as good as new.

Always Better Value

To reward your ownership experience with exceptional value, Toyota ME™, our loyalty programme, earns you points for all your purchases made at Toyota World. With these points you can redeem any of your preferred merchandise under the programme, or use them to offset the bill from your next service appointment.

While Toyota Shine Plus takes care of your car's grooming needs with special waxing and detailing packages. The first programme of its kind in the market, it helps you keep your car looking showroom-fresh. Complimentary with every new car purchase, it also offers insurance waivers and discounts on all body repair services.

These are just some of many things we have put in place to give you better mobility, quality and the best car ownership experience. But more than that, it is our way of helping you lead a better lifestyle.

Toyota. Always Better.
