MG ZS

5
YEAR
WARRANTY
100,000Km

EXPECT EXTRA

Have it all with the new MG ZS. Premium features for economy price. Smart new design and next-level technology. Plus a family-ready compact SUV that looks good on any city street.

EXTRA REASSURANCE

An all-time first for MG, a full 5 year / 100,000Km warranty (whichever occurs first). Love it for the long haul.

EXTRA CONNECTIVITY

Apple CarPlay™ puts all the good stuff from your iPhone onto your dashboard, so you can manage directions, music and more. Stay safe, keep connected.

EXTRA FEATURES

Daytime LEDs, 6 speakers, a chrome tipped grille...just some of the fine features you can find on your MG ZS for a lot, lot less than you might expect.

Discover the MG ZS and put extra in your life.

STAND-OUT DESIGN

Today, more for less is always the smarter choice. Which is why we designed a SUV that gives you premium style, without the premium price tag.

The smooth lines and high-end touches aren't just there to look good, they'll make you feel good too. Knowing that you're in a ride that doesn't do middle-of-the-road. Turning heads in town and country alike, while you relax in an interior that surrounds you with comfort and convenience.

Don't compromise, be confident.

OUTSIDE THE BOX

From the swept-back signature headlights right down to the boot lever, everything about the MG ZS's exterior feels inspired. Oozing performance and capability, this sleek, bold design looks right at home on smart city streets or off the beaten track.

BOLD COLOURS

You'll want to get noticed in your MG ZS, so we've made the colour choices super eye-catching. Including a Tri-coat dynamic red option for that wow factor. Prepare to shine.

SMART WHEELS

Head off to adventure the right way: on a set of gleaming alloys.

REFINED FEATURES

The little things can make the biggest impression. Like look-at-me daytime LEDs, or chrome touches on the grille that say premium, even when the price doesn't.

INSPIRED INSIDE

So you get the most out of your MG ZS, we've thought very carefully about everything we put into it. Every inch of the stylish, super-sized interior has been designed to make sure the driver, the passengers and even the family dog want for nothing.

CONTROL

A family expedition, a getaway for two, even the daily commute – the MG ZS is equipped to be real-life ready. The visibility is great and the controls are easy to use. There's also an 8" touch screen to keep you connected with the tap of a finger - and show you just where you're reversing. Prefer an automatic for an even smoother drive? No problem, the MG ZS can do that too.

COMFORT

You won't believe that an interior this smart costs so little. There are no hard plastics or budget finishes. Just beautifully soft materials, a carbon fibre design surround on the infotainment display, and even stitched leather options if you want more luxury.

CAPABILITY

Sure, the MG ZS has plenty of room inside, but we make it work hard too. There are plenty of clever storage ideas, like a split-level boot that gives a lot more space than meets the eye.

PEOPLE- FRIENDLY TECH

The best technology makes life better. And the MG ZS is packed with user-friendly intelligent tech at your fingertips. There aren't loads of buttons, just loads of ways to make every journey a joy.

Apple CarPlay™

Get all the best bits of your iPhone on your car controls, while you drive safely. Music, calls, messages – you can manage them all and more through your touch screen display.

AT YOUR CONVENIENCE

SPACIOUS
SPLIT-LEVEL
BOOT

What's the best feature of the MG ZS? The way it's designed to fit around you. You could be loading up the family or going solo. Off on a long haul or just a short hop. Whatever you're setting out for, the MG ZS is practical, comfortable and infinitely adjustable. It's your journey, so do it your way.

3
STEERING MODES

DRIVE SMOOOOOOOTH

The MG ZS gives you the best of all worlds, and that includes under the bonnet. Our engines are designed and built to be life ready - easy tackling on city traffic or long distance escapes. After all, it's easier to enjoy the ride when it's always nice and smooth.

Take control with the responsive turbo charged 1.0 litre engine with 6 speed AISIN automatic transmission if you prefer a smoother drive.

You can select from three steering modes to match your mood. 3 uniquely tuned steering modes to suit your drive. Choose from **Urban**, **Normal** and **Dynamic**.

CRUISE CONTROL

URBAN TUNED

To improve the manoeuvrability whilst parking and at low vehicle speed conditions. Tuned for:

- Lighter steering effort in parking conditions
- Easier steering application at lower speed

NORMAL TUNED

For everyday driving and to enjoy the MG experience recognised for:

- More connected steering character that allows the driver to feel the road

DYNAMIC TUNED

Increased steering effort at medium and higher speeds. For drivers who enjoy higher dampening and steering effort at higher speeds

PAINT THE TOWN

OR THE COUNTRY

Have a head-turning MG ZS in a shade that suits you.

The 'Dynamic Red' colour has been developed using a special coating technology that allows MG to achieve a deep and translucent finish with just three layers of paint, a big step forward from original production techniques that relied on up to 10 applications. The colour is hard-wearing – but also achieves enhanced brilliance and beautiful depth. This creates further drama to the exterior.

Be more than just red, be **MG ZS Dynamic Red**.

AN INTERIOR

THAT'S MORE YOU

Take your pick from our range of spec options to create your best MG ZS.

Our designers have put all of their focus around creating a premium experience without the premium price tag and this isn't just on the outside of the car. When you hop inside you're met with soft touch finishes achieved using slush moulding technology usually only found on high end brands. No scratchy hard surfaces or clunky harsh sounds, soft smooth features wrap around you at every touch.

FUTURE TECHNOLOGY

The MG ZS is forward-thinking motoring at its best – and the latest step in the iconic MG story.

We've always adapted to the latest innovations – along with the changing needs of our drivers – to offer stylish looks and total practicality at an affordable price. With more options, more features and next-level technology developed at our Technical Centre, the MG ZS gives you the chance to be part of our exciting future.
