

The Stinger.

Movement that inspires

CLASSIC SPIRIT TUNED FOR MODERN TIMES

Kia's first-ever rear-wheel-drive sports sedan, the Stinger, is a five-door fastback that echoes the style and substance of gran turismo legends with its long hood, muscular haunches and stylish spoked wheels, along with serious game-changing performance figures. The Stinger offers an extended wheelbase for maximum cabin space, optional all-wheel-drive, and driver assistance and entertainment technologies unimaginable during the glory days of muscle cars.

※部分功能與配備非標準配備，實際車色及規格配備以實車為準，詳情請洽Kia經銷商。

PERFORMANCE-BASED SENSATIONS

Performance sedans have an illustrious rear-wheel drive history. Apply the latest technologies and materials to this tradition, and the result is a remarkably responsive, dynamic and rewarding driving experience. The Stinger reflects a deep commitment to capturing the distinctive feel of classic sport sedans. Take a long, meandering ride in the Stinger and see how the right balance of passion and technology can reinvigorate your daily drive.

※部分功能與配備非標準配備，實際車色及規格配備以實車為準，詳情請洽Kia經銷商。

A DREAM CAR FOR RATIONAL PEOPLE

Are you torn between exciting, provocative cars that you've dreamt about from an early age and sensible cars that are a better fit for your everyday life? Rarely has a new car brought both of these extremes together so seamlessly. The Stinger is a car you can dream about all night, then hop into every morning for a drive that is sure to wake up your senses.

※部分功能與配備非標準配備，實際車色及規格配備以實車為準，詳情請洽Kia經銷商。

CLASSIC SIMPLICITY FOR PASSIONATE DRIVERS

From the low-slung driver's seat to intriguing details like the circular, aircraft-inspired air vents, Stinger's cockpit design draws heavily on classic sport sedans. Crucial information appears on a tidy supervision cluster flanked by the tachometer and speedometer, as well as through the optional Head-Up Display on the windshield. Secondary information appears on an 8-inch floating display.

WHERE PERSONAL SPACE IS PARAMOUNT

Inside, the Stinger feels sporty, substantial and uncluttered. It's also spacious, particularly in the rear, thanks to its long wheelbase. Interior treatments include soft, luxurious Nappa leather seats on the GT version, while all models feature firm front and rear seats and bolsters.

Wide sunroof. Ready to feel the wind in your hair? A wide, tilting and gliding, one-touch sunroof is available. With the press of a finger, it lets in far more sunlight and fresh air than a conventional sunroof.

Expansive 2nd row roominess. The Stinger offers superior headroom, shoulder room and legroom compared to its major competitors, providing ample space for two or three passengers to sit comfortably and stretch out.

SUPPORTIVE BUT NOT OVERBEARING

The Stinger offers substantial stability management for a sports sedan, while giving the driver more choices as to how much or how little control to leave to the ECU. Drivers can choose from five drive modes, each with its own coordinated combination of dynamic characteristics. There is even a Launch Control mode that momentarily suspends ESC to ensure rapid acceleration with minimal wheel slip and maximum torque control.

INGENUITY THAT PACKS A PUNCH

Stinger powertrains set a higher standard for longitudinal, rear-wheel-drive orientation, leveraging technology to achieve remarkable combustion efficiency. Each powerplant is designed to offer the thrilling feel of rear-wheel propulsion when you step on the accelerator, even at low engine speeds. An 8-speed automatic transmission redefines smoothness, while the Stinger also offers a game-changing twist on gran turismo traditions with optional road-taming all-wheel drive.

3.3 T-GDI engine. A twin turbocharger helps this top-of-the-line V-6 engine achieve considerable torque over a broad rpm range. The exhaust manifold is integrated with the cylinder head for added power, and an electronic thermostat helps provide precise temperature control.

2.0 T-GDI engine. A twin-scroll turbocharger boosts low-to-mid-rev efficiency while newly applied technologies provide phenomenal combustion efficiency. The engine produces maximum power output of 255 ps at 6,200 rpm and maximum torque output of 36 kgm from 1,400 to 4,000 rpm.

8-speed automatic transmission. Smooth shifts are what you'll notice first with the 8-speed rear-wheel drive automatic transmission. Its algorithms ensure quick and seamless gear changes while helping to maximize fuel efficiency.

INTELLIGENT DISTRIBUTION OF POWER

Drive Mode Select (DMS). The Stinger's DMS includes five modes, accessible from a dial behind the shift lever, that change the driving characteristics by automatically adjusting how the engine, transmission, suspension, steering and AWD operate, while even altering the engine sound.

Electronic Stability Control (ESC). ESC ensures optimal braking performance and directional control by automatically delivering the right amount of braking force to each wheel based on evaluation of engine torque and driving circumstances.

THE SCIENCE OF PROTECTION

Phenomenal torsional rigidity and hot-stamped steel. The steel members of the Stinger's body are engineered for substantial torsional rigidity, or resistance to twisting forces, so that bumps and jolts in the road are absorbed with precision, while impact forces during a collision are managed in ways that better protect the occupant space.

7 airbags. To help protect occupants and potentially reduce injuries in the event of a collision, the Stinger offers driver and front passenger airbags, two front-side airbags, two side-curtain airbags, and a driver's knee airbag as standard.

Knee airbag. The driver's knee airbag is designed to minimize impact and injury to the driver's lower extremities in the event of a collision.

INTUITIVE PROBLEM-SOLVING

DRIVE WiSE is Kia's ADAS (Advanced Driver Assistance System) technology initiative dedicated to delivering driving pleasure and the utmost in occupant and pedestrian safety by taking over the tedious and complex tasks traditionally left to drivers. The Stinger offers many DRIVE WiSE assistance technologies that use advanced sensor and processing technology to help make driving as safe and convenient as possible.

Forward Collision-Avoidance Assist (FCA).
FCA uses a front view camera and front radar to detect vehicles, pedestrians or cyclists ahead. By warning and braking automatically, it can help you avoid or reduce the severity of an accident.

Blind-Spot Collision-Avoidance Assist (BCA).
If you start to change lanes and BCA detects a vehicle in the blind spot, it will warn you, and can even apply differential braking to avoid a collision. It also alerts you to approaching vehicles when exiting a parallel parking space.

Lane Keeping Assist (LKA). When you start drifting out of your lane, LKA alerts you and even steers you back to your intended lane of travel.

Blind-Spot View Monitor (BVM). Activate the turn signal and BVM will present live video footage on the instrument cluster of other vehicles in the blind spot.

Head-Up Display (HUD). With the customizable Head-Up Display (HUD), key driving information is discretely projected onto the windshield in your line of sight so that you can safely focus on the road ahead. Visible day or night, the height-adjustable display appears to float just in front of the car.

Safety. DriveWise technologies recognise dangers at an early stage thanks to an intrinsic system of sensors and cameras. It is designed to improve safety by pre-emptively eliminating the risk of accidents.

Convenience. DriveWise technologies are designed to offer as much information as you want, and as little as you need to maximise convenience. It allows you to stay autonomous and to focus on essential tasks instead of more tiresome chores.

Efficiency. DriveWise technologies help improve quality of life by supporting more fuel- and time-efficient driving.

Safe Exit Warning (SEW). Designed to help prevent rear passengers from exiting the vehicle when the system detects potential hazards approaching. If that happens, the system will engage the power locks, and give an audible and visual alert.

Around View Monitor (AVM) with Parking Guidance. This intuitive system combines four wide-angle images from cameras at the front, rear and sides of the vehicle to give you a comprehensive bird's eye view of your surroundings while parking or moving at speeds below 20 km/h.

Parking Distance Warning-Forward/Reverse (PDW-F/R). To help you park safely and confidently, PDW-F/R uses ultrasonic sensors mounted on the front and rear bumpers to warn of any obstacles. These warnings can help you position the wheels properly when maneuvering the Stinger into tight spaces.

SUBLIME SOPHISTICATION

You spend a lot of time in your car. So why not tailor the Stinger's interior to match your take on the ideal modern gran turismo? The Stinger has a surprisingly long list of impressive standard features, but for the utmost enjoyment, choose from a variety of premium comfort, entertainment and convenience options.

15-SPEAKER Harman Kardon® Premium sound.
The optional Harman/ Kardon sound system includes subwoofers that resonate in hollow parts of the frame and body. Clari-Fi technology enhances digitally compressed music while Active Sound Design augments acceleration, shifting and suspension sounds for an enhanced driving experience.

Remote Start-up. For those in extremely hot climates, the Remote Start-up system enables the car to be started from a distance with a press of a button on the smart key. This means the air conditioning can be turned on, cooling down the in-cabin temperature before driver and passengers get in the car.

7" supervision cluster. Vital vehicle and driving information appear in a larger, more vivid and higher definition format on the optional 7-inch TFT LCD supervision cluster located between the tachometer and the speedometer.

Wireless smartphone charger. Charge a compatible mobile phone wirelessly on the charging pad located at the front of the center console. An orange display indicates charging in progress while green indicates a full charge. You will be alerted when exiting the vehicle if a device is left on the charging pad.

※部分功能與配備非標準配備，新車款不含AUX插槽，實際車色及規格配備以實車為準，詳情請洽Kia經銷商。
示意圖之內裝配置顏色與材質為海外式樣，國內式樣請以實車為準。

Side-bolster adjustment.

Optional side-bolster adjustment for the 8-way power driver seat lets you choose a setting that offers maximum support and comfort by twisting the seat controls on the side of the base of the seat.

4-way Air Cell Lumbar Support.

Optional Air Cell Lumbar Support for the 8-way power driver seat lets you reposition areas of resistance in the seatback, up-and-down and side-to-side, for maximum comfort and support.

Cushion extension. To help relieve fatigue, an optional thigh extension for the driver moves the front edge of the seat base forward, supporting a larger area of the driver's thighs.

Paddle shift levers. Standard paddle shift levers let you make quick gear changes for the 8-speed automatic transmission without taking your hands off the steering wheel. It's a simple way to access more torque on short notice or choose your own shift points during vigorous driving.

Electric Parking Brake (EPB). An electric parking brake offers quick, secure activation without the effort required by traditional mechanical brake levers. Pull on the EPB switch on the center console to activate the parking brake. Auto Hold mode temporarily maintains the vehicle at a standstill even if the brake pedal is released.

Integrated Memory System. The Integrated Memory System saves two presets for driver's seating positions, outside rear-view mirrors, Head-Up Display and cluster display. It's a simple way to keep the Stinger totally personalized, yet flexible enough to make another driver feel at home.

Ventilated front seats. Available ventilated front seats provide cool, soothing airflow on hot days, and more effective and thorough heating on cold days. Both the seat cushion and the seatback feature airflow perforations to keep more of the body in a state of comfort.

3-zone climate control. A standard dual-zone full auto temperature control system along with rear seat climate control gives the driver and all passengers separate controls, allowing people with different climate needs to ride together in comfort.

DEEPLY PERSONAL ALLURE

The inviting Stinger interior reflects the spirit of the gran turismo concept. Rich, luxurious tones complement the bold exterior colors. Contrast stitching and real aluminum add a refined touch. Choose Nappa leather on the GT, pure leather on the GT-line, and the EX.

關於Kia

Kia成立於1944年，為韓國最先鋒的汽車製造廠，以年輕、獨具想法為設計開發核心，打造高品質汽車。作為連年進入全球百大價值品牌 (Interbrand Ranking) 的汽車品牌，Kia同時是全球前五大汽車集團，並以連連獲獎的設計、穩定可靠的產品品質，和充滿駕馭樂趣的性能表現，風靡全球車市，達到超越全年銷售近300萬輛的佳績。新世代的Kia汽車正以更優異的產品，向世人證明Kia汽車令人驚艷的力量。

關於台灣森那美起亞 (Sime Darby Kia Taiwan)

Kia台灣總代理森那美起亞，隸屬於森那美集團(Sime Darby Berhad)。森那美集團創建於1910年，為馬來西亞歷史最悠久的跨國公司之一，擁有汽車、工業與能源種植、物流、健康科技，以及房地產與公共事業等5大核心事業群，企業版圖橫跨全球20多個國家，迄今全球員工人數十餘萬人；其中汽車事業群亞太區為最大汽車集團之一，於9個國家經營多達30個汽車品牌。自2014年起，森那美起亞進軍台灣，並逐步實踐在台深耕的承諾，持續引進「同級之最」的新世代Kia車款，推出多款獲得德國紅點設計大獎、在歐美等傳統汽車強國深受消費者青睞的車款，愈來愈多消費者加入Kia車主的行列，足證Kia的產品力逐漸獲得更多台灣消費者的青睞。
