WHO CAN RELY  
ON EXPERIENCE  
CAN DEVELOP INNOVATIONS.

THE EVOLUTION  
OF A REVOLUTION.  
THE NEW BMW i8 ROADSTER.

THE NEW BMW i8 ROADSTER.

TECHNICAL DATA		BMW i8 Roadster
Combined fuel consumption <sup>1</sup>	mpg (l/100km)	2.0 <sup>3</sup>
Combined CO <sub>2</sub> emissions <sup>1</sup>	g/km	46 <sup>3</sup>
Electric range (NEDC) <sup>2</sup>	miles	32 <sup>3</sup>

<sup>1</sup> All engines comply with the EU6 standard. Fuel consumption figures are based on the ECE driving cycle. This is made up of approximately one-third urban and two-thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. Optional equipment may affect these figures. Fuel consumption and CO<sub>2</sub> emission figures are dependent on chosen wheel and tyre size. For further information please contact your BMW i Agent.

<sup>2</sup> Range depends on various factors. Including driving style, route characteristics, exterior temperature, heating/air conditioning, pre-conditioning.

<sup>3</sup> Provisional data, correct at time of publication.

The lithium-ion high-voltage battery is characterised by its long service life. However, should a defect occur within eight years and the first 60,000 miles your BMW i Agent will grant you a free rectification. For details, please refer to the BMW i Battery Certificate. CO<sub>2</sub> emissions caused by the production and supply of fuel or other energy sources were not taken into account when determining this data.

**BMW i8 ROADSTER:**

Plug-in hybrid drive [electric motor at the front, 143hp (105kW) and BMW TwinPower Turbo three-cylinder petrol engine at the rear, 231hp (170kW )], 20" BMW i light alloy Radial-spoke style 516 wheels with mixed tyres, E-Copper metallic paint with Frozen Grey accent, BMW i Accaro interior world with seats upholstered in Dalbergia Brown BMW i Exclusive leather and Amido metallic interior trim.
