HIGHLIGHTS.

Discover more with the BMW brochures app. Now available for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ In laser high-beam mode, BMW Laserlights are a unique X design that illuminate a range of up to 500m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. The Blue X signature and the BMW Laserlight lettering underline the vehicle's technological standards.

■ BMW Live Cockpit Professional¹ consists of a 12.3" Control Display and a fully digital 12.3" instrument display.

■ Ambient light creates a relaxed lighting atmosphere and includes a choice of six pre-designed light designs including dynamic function.

■ Enhanced Bluetooth with wireless⁴ charging enables a Bluetooth connectivity and the technical capacity for a wifi hotspot.

□ The harman/kardon loudspeaker system has a 464W digital amplifier, nine channels, individually adjustable equalising and 16 speakers.

■ The Black Sport leather steering wheel¹ with a thick rim and contoured thumb rests has an exceptionally pleasant, high-grip feel.

□ The Sky Lounge panoramic glass sunroof creates a generous sense of space during the day while at night it lends an atmospheric mood with integrated LED light graphic consisting of more than 15,000 light elements. The light design can be switched between six ambient light colours.

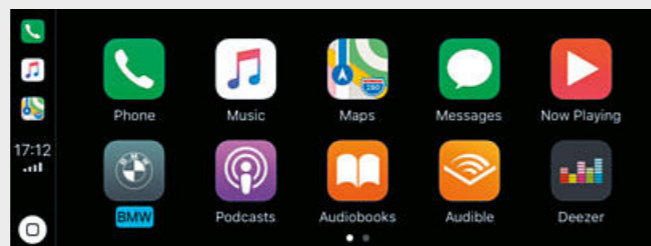

■ The standard Sport seats for driver and front passenger have multiple electrical adjustment options and ensure a particularly good seating position and optimum lateral support. Standard Vernasca design-perforated leather, shown here in Ivory White, gives the interior a particularly high-quality look.

□ Soft-Close doors pulls the slightly-open door shut automatically and almost silently.

□ The electric towbar is approved for heavy loads of up to 3.5t.

■ Apple CarPlay[®] preparation enables wireless and comfortable usage of your iPhone[®] in your vehicle via Apple CarPlay^{®2,3}. It is operated seamlessly via the vehicle's user interface.

■ Parking Assistant makes parking the vehicle easier with the Reversing Assist camera, PDC and Parking/Reversing Assistant for fully automatic parking.

□ The automatic Speed Limit Assist⁵ adapts the Active Cruise Control dynamically to upcoming speed limits. These are determined along the probable route by the navigation system and checked by the camera. The information provided is continuously updated by the entire fleet.

¹ Standard with xLine models.
² Part of Connected Package Professional.

³ Compatibility and functionality of Apple CarPlay[®] is dependent on model year and the software status of the iPhone[®].

⁴ The wifi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.

⁵ Features are part of Driving Assistant Professional.

Infinite colour diversity. You want an individual paint finish? BMW Individual is on hand to advise you on your choice.

[Colour samples] These colour samples are intended as an initial guide to the colours and materials available for your BMW. However, experience has shown that printed versions of paint, upholstery and interior trim colours cannot in all cases faithfully

reproduce the appearance of the original colour. Please discuss your preferred colour choices with your BMW Retailer. There you can also see original samples and be assisted with any requests.

¹ Only with BMW Individual Door sill finishers on xLine models.

² BMW Individual expected availability from 04/2019.

GENUINE BMW ACCESSORIES.

■ Standard equipment □ Optional equipment ○ Accessories

○ This contemporary **roof box** in Black with titanium silver side trims has a 520-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking. Roof boxes in other sizes are also available.

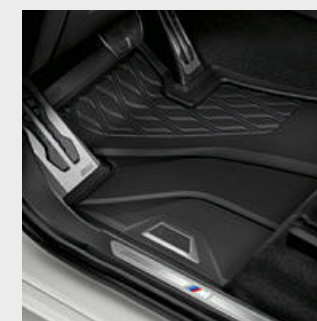

○ The **BMW Advanced Car Eye 2.0** is a highly sensitive full-HD camera that captures situations in front of and behind the car, even when it is parked. In the event of disturbances outside the vehicle, the camera automatically records the occurrence in order to document possible accidents.

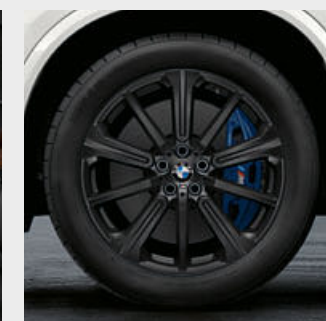

○ The **BMW Rear Bike Carrier** is lightweight yet sturdy and can carry up to 60 kg. Exceptionally easy to use, it carries two bicycles or e-bikes. Its tilt function also allows easy access to the luggage compartment at all times.

○ Anti-slip, water-resistant mat for protecting the luggage compartment from dirt and moisture. In black with stainless steel inlay matching the interior.

○ Precisely fitting protection against moisture and dirt in the front footwell. Featuring a black design, they perfectly complement the interior.

○ High-quality 20" M light alloy wheels Star-spoke style 748 M in Jet Black matt. TPMS summer complete wheel set with run-flat mixed tyres.

○ Weight-optimised 22" M Performance light alloy wheels Star-spoke style 749 M in Bicolor Jet Black, gloss-lathed. TPMS summer complete wheel set

¹ Standard for xLine models.
² Standard for M.Sport models.
³ Standard for M50d models.

BMW X5 xDRIVE40i M SPORT:
