# EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

□ In laser high-beam mode, BMW Laserlights are a unique X design that illuminate a range of up to 500m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. The Blue X signature and the BMW Laserlight lettering underline the vehicle's technological standards.

■ BMW Live Cockpit Professional consists of a 12.3" Control Display and a fully digital 12.3" instrument display.

■ Ambient light creates a relaxed lighting atmosphere and includes a choice of six pre-designed light designs including dynamic function.

■ Enhanced Bluetooth with wireless charging enables a Bluetooth connectivity and the technical capacity for a WiFi hotspot.

□ The harman/kardon loudspeaker system has a 464W digital amplifier, nine channels, individually adjustable equalising and 16 speakers.

■ The Black Sport leather steering wheel<sup>1</sup> with a thick rim and contoured thumb rests has an exceptionally pleasant, high-grip feel.

□ The Sky Lounge panoramic glass sunroof creates a generous sense of space during the day while at night it lends an atmospheric mood with integrated LED light graphic consisting of more than 15,000 light elements. The light design can be switched between six ambient light colours.

■ The standard Sport seats for driver and front passenger have multiple electrical adjustment options and ensure a particularly good seating position and optimum lateral support. Standard Vernasca design-perforated leather, shown here in Ivory White, gives the interior a particularly high-quality look.

□ Soft-Close doors pulls the slightly-open door shut automatically and almost silently.

□ The electric towbar is approved for heavy loads of up to 3.5t.

■ Apple CarPlay<sup>®</sup> preparation enables wireless and comfortable usage of your iPhone<sup>®</sup> in your vehicle via Apple CarPlay<sup>®</sup>. It is operated seamlessly via the vehicle's user interface.

■ Parking Assistant makes parking the vehicle easier. The Reversing Assist camera provides a clearer view behind the vehicle. Parking Assistant parks the vehicle automatically, parallel to the street. The Reversing Assistant supports the driver when reversing. Active Park Distance Control helps prevent or minimise damage while reversing.

□ The automatic Speed Limit Assist<sup>4</sup> adapts the Active Cruise Control dynamically to upcoming speed limits. These are determined along the probable route by the navigation system and checked by the camera. The information provided is continuously updated by the entire fleet.

<sup>1</sup> Part of Connected Package Professional.  
<sup>2</sup> Compatibility and functionality of Apple CarPlay<sup>®</sup> is dependent on model year and the software status of the iPhone<sup>®</sup>.

<sup>3</sup> The WiFi hotspot fulfils all in-vehicle requirements for use of the internet with the maximum LTE standard. Usage is subject to cost.  
<sup>4</sup> Features are part of Driving Assistant Professional.

■ Standard equipment □ Optional equipment

■ **Non-metallic** 300 Alpine White

■ **Metallic** 416 Carbon Black<sup>1</sup>

■ **Metallic** 475 Black Sapphire

■ **Metallic** A96 Mineral White

■ **Metallic** C27 Arctic Grey

■ **Metallic** C1M Phytonic Blue

## BMW INDIVIDUAL

□ **BMW Individual** X03 Ruby Black metallic

□ **BMW Individual** X10 Tanzanite Blue metallic

□ **BMW Individual** X13 Pyrite Brown metallic

□ **BMW Individual** X1B Ametrine metallic

■ **BMW Individual** C1N Sunstone Metallic<sup>3</sup>

**BMW Individual.** More diversity.  
More exclusivity. More personality.

**[Colour samples]** These colour samples are intended as an initial guide to the colours and materials available for your BMW. However, experience has shown that printed versions of paint, upholstery and interior trim colours cannot in all cases faithfully

reproduce the appearance of the original colour. Please discuss your preferred colour choices with your BMW Retailer. There you can also see original samples and be assisted with any requests.

<sup>1</sup> Exclusively available on M Sport and M50d models.

<sup>2</sup> Exclusively available on xLine models.

<sup>3</sup> Only with BMW Individual Door sill finishers on xLine models.

□ 22" BMW Individual light alloy V-spoke style 746 I wheels, front 9.5 J x 22 with 275/35 R22, rear 10.5 J x 22 with 315/30 R22 tyres.

## GENUINE BMW ACCESSORIES.

Equipment 24 | 25

■ Standard equipment □ Optional equipment ○ Accessories

○ This contemporary **roof box** in Black with titanium silver side trims has a 520-litre capacity and fits all BMW roof rack systems. It can be opened from both sides and features triple central locking on each side which makes it easy to load and provides anti-theft locking. Roof boxes in other sizes are also available.

○ The **BMW Advanced Car Eye 2.0** is a highly sensitive full-HD camera that captures situations in front of and behind the car, even when it is parked. In the event of disturbances outside the vehicle, the camera automatically records the occurrence in order to document possible accidents.

○ The **BMW Rear Bike Carrier** is lightweight yet sturdy and can carry up to 60kg. Exceptionally easy to use, it carries two bicycles or e-bikes. Its tilt function also allows easy access to the luggage compartment at all times.

○ Anti-slip, water-resistant mat for protecting the luggage compartment from dirt and moisture. In Black with stainless steel inlay matching the interior.

○ Precisely fitting protection against moisture and dirt in the front footwell. Featuring a Black design, they perfectly complement the interior.

○ High-quality 20" M light alloy Star-spoke style 748 M wheels in Jet Black matt. TPMS summer complete wheel set with run-flat mixed tyres.

○ Weight-optimised 22" M Performance light alloy Star-spoke style 749 M wheels in Bicolour Jet Black, gloss-lathed. TPMS summer complete wheel set.

**BMW X5 xDRIVE40i M SPORT:**

BMW TwinPower Turbo six-cylinder petrol engine, 250kW (340hp), 22" M light alloy Double-spoke style 742 M wheels, Bicolour with mixed tyres, Mineral White metallic paint, Comfort seats upholstered in Coffee BMW Individual Extended Merino leather, Finewood Finition Stripe Brown High-gloss interior trim.

The models illustrated in this brochure show the equipment and configuration options (standard and optional) for vehicles produced by BMW AG for the German market. Alterations in standard and optional equipment and the configurations available for the different models, as described in this brochure, may occur. Your local BMW Retailer is available to provide further details. Subject to change in design and equipment. Part number 95 38 3 005 042 V1. April 2019.
