

CITROËN C4

CITROËN C4

ALIVE WITH
TECHNOLOGY

ALIVE WITH TECHNOLOGY, MOVING WITH STYLE. THE CITROËN C4 IS MORE ALIVE THAN EVER.

A SEDUCTIVE BALANCE OF ADVANCED TECHNOLOGY AND UNIQUE STYLE, THE CITROËN C4 FEATURES STRIKING NEW DESIGN ELEMENTS, SUCH AS THE RAISED BONNET PROFILE, REDESIGNED GRILLE AND BUMPER. THE MESSAGE IS CLEAR AT A GLANCE: THIS IS A DYNAMIC AND DESIRABLE CAR THAT'S PACKED WITH CITROËN INSPIRATION. LIFE JUST MOVED ON.

From that unmistakable 'arc of steel' protective roofline to those subtly curved sides and sensational rear lights, the Citroën C4 Hatchback redefines what a comfortable, space-efficient 5-door hatch can be. This is both soothing and razor sharp, safe and exhilarating.

CITROËN
C4
ELEGANT DESIGN

ELEGANCE WORKING BEAUTIFULLY. THE CITROËN C4
DOESN'T LOOK LIKE AN ORDINARY CAR. AND ITS
UNIQUE CHARMS ARE FAR FROM JUST AESTHETIC.
THEY WORK, BEAUTIFULLY.

AT THE FRONT, YOUR EYE WILL BE DRAWN TO THE UNIQUE 'BOOMERANG' CURVE OF THE HEADLAMPS. BOLDLY DESIGNED AND INSTANTLY RECOGNISED, THEY SWEEP ELEGANTLY INTO THE FRONT WINGS. SMOOTHLY INTEGRATED INTO A NEW GRILLE DESIGN, THE CHROME DOUBLE CHEVRON LOGO HELPS TO CREATE A SHARP, DYNAMIC FRONT END.

THE PERFECT LAYOUT. EVERYTHING IS WHERE IT NEEDS TO BE, FOR SAFETY, FOR COMFORT, FOR SHEER ENJOYMENT. THE UNIQUE, INTELLIGENT SIMPLICITY OF THE INTERIOR LAYOUT MAKES THE CITROËN C4 A TRAVELLING ENVIRONMENT LIKE NO OTHER.

CITROËN C4 THE PERFECT LAYOUT

› BEYOND THE COMFORT ZONE

Every new Citroën cossets you with real long distance comfort. Driver's seats are height-adjustable and VTR+ and Exclusive models also include lumbar adjustment. The added indulgence of the optional Leather Pack brings tactile soft leather trim and the all-weather comfort of heated front sport seats.

› THE NERVE CENTRE

Stylish and ever more practical, the distinctive centred translucent instrument display has been carefully thought out. All the vital driving information needed is included and clear to see at a glance. Especially as there is no sun reflection on the screen.

› THE WHEEL REINVENTED

A Citroën C4 trademark, the steering wheel has a centre that remains fixed at all times. This means that all the important controls and lights positioned there remain quickly and easily accessible, all the time. It means that a driver's hands can stay on the wheel and eyes can stay on the road. Amongst the fingertip functions there are the cruise control and radio buttons. Also designed for class-defining safety, the fixed-centred controls steering wheel ensures that the driver's airbag always deploys at the optimum angle.

INTELLIGENT TECHNOLOGY. IN THE CITROËN C4, INNOVATION IS HARNESSSED TO DELIVER AN EXTRAORDINARY CHOICE OF TECHNOLOGY. WELCOME TO THE CAR THAT THINKS OF ABSOLUTELY EVERYTHING.

> AUTOMATICALLY DARK

Using light sensors, the Citroën C4's electrochrome rear view mirror on Exclusive models automatically darkens to prevent dazzle from following headlamps.

> AUTOMATICALLY LIGHT

As night falls, deep shade covers the road or a tunnel appears, the Citroën C4's automatic headlamps activate to illuminate the way ahead on Exclusive models.

> PERFECT SCENTS

The Citroën C4's fresh air system goes further. Carefully integrated into the dashboard vents, is a scented air freshener system that distributes a choice of soothing aromas around the cabin. Citroën C4 appeals to all the senses!

> AIR AS YOU LIKE IT

The air conditioning standard on all models has an advanced filter and a recycling system which can be controlled from the centre console or the fixed-centred controls steering wheel. The automatic digital system on Exclusive models has dual-zone adjustment, so front passengers can choose their own temperature setting.

> MYWAY

The MyWay colour satellite navigation system, standard on Exclusive models, includes Bluetooth® and live traffic information for maximum convenience. It also features a 7" 16/9 screen, and its SD card integrated European mapping brings you voice guidance and graphics in 2D or aerial perspective.

> BLUETOOTH® SYSTEM WITH USB BOX

Combining two outstanding features in one clever option, the USB socket allows you to connect an MP3 player to play and browse its content using steering-mounted and dashboard radio controls. At the same time, the Bluetooth® system allows you to make safe hands-free calls, and browse through your phone's Contacts or Call Log.

> STORE MORE

Intelligent use of interior space is a Citroën signature. The Citroën C4 proves the point with a spacious drawer under the front passenger's seat and a ventilated and illuminated glove box on all models.

THE DYNAMICS OF PLEASURE. UNDENIABLY STYLISH AND ORIGINAL, PACKED WITH SAFETY AND COMFORT FEATURES, THE CITROËN C4 IS ALSO ALIVE WITH TECHNOLOGY THAT DELIVERS A THRILLING DRIVE.

CLIMB IN AND GET COMFORTABLE. FROM THE FIRST TURN OF THE WHEELS YOU'LL APPRECIATE LIGHT, ACCURATE STEERING THAT COMMUNICATES WITH YOU – SUPPLYING PLENTY OF FEEDBACK FROM THE ROAD BELOW. FROM THE FIRST CORNER YOU'LL SENSE A POISED CHASSIS THAT FLOWS WITH PRECISION AND GRIPS HARD, YET SACRIFICES NONE OF THE TRADEMARK CITROËN RIDE COMFORT, GLIDING OVER EVERY POT HOLE AND BUMP...

› PERFECTLY POISED

Maintaining the Citroën C4's no-compromise balance between sharp handling and silky ride is a no-compromise suspension design. At the front are MacPherson struts and coil springs, while at the rear, independent trailing arms and torsion bars keep things perfectly composed.

› HEARTS WITH MINDS

A well balanced front wheel drive car needs a great engine to exploit its potential. The Citroën C4 offers a choice of two petrol engines and two brilliant diesels, all bristling with the technology that provides flexible performance, economy and low emissions. Try the muscular 1.6HDI 16V 110hp diesel or the enterprising 1.6 16V VTi 120hp petrol engine to discover what we mean by the dynamics of pleasure.

› SHIFTING PRIORITIES

A highly capable car needs a gearbox to match. In addition to the smooth, well-judged ratios of the 5-speed manual there is the best-of-both-worlds high technology of the Electronic Gearbox System (EGS). Essentially two transmissions in one, allowing fast, precise manual changes to be made using the steering column mounted paddles, or let the efficient and seamless automatic mode do the work.

› CONFIDENCE INSPIRING

The Citroën C4 can be driven safe in the knowledge that its talents include advanced stopping power. With powerful discs all round, ventilated discs at the front, ABS, Emergency Braking Assistance (EBA) and Electronic Brakeforce Distribution (EBD), the Citroën C4 knows that excitement and safety are both part of a great dynamic balance. Electronic Stability Programme (ESP) also features on VTR+ and Exclusive models.

THE ENVIRONMENTAL BENCHMARK. A TRULY ADVANCED CAR MUST TREAD SOFTLY WHEN IT COMES TO THE ENVIRONMENT. THE CITROËN C4 IS DESIGNED TO SET BENCHMARKS FOR LOW EMISSIONS AND FUEL EFFICIENCY.

➤ AIMING LOW

The 1.6HDI 16V engine with 90hp or 110hp has incredibly low CO₂ outputs. The 110hp version with Diesel Particulate Filter System (DPFS) produces an extraordinary 115g/km when combined with the Electronic Gearbox System (EGS) on VTR+ and 120g/km CO₂ on Exclusive models. And remember it still delivers smooth, punchy performance and a combined fuel consumption figure of 64.2mpg on VTR+ and 62.8mpg on Exclusive models.

➤ ANYTHING PARTICULAR

Available on most of the diesel range, the Diesel Particulate Filter System (DPFS) uses advanced anti-pollution technology to remove harmful carbon particles from the exhaust gases, before they reach the great outdoors. Smoky diesels are history.

➤ EFFICIENCY ENGINEERED IN

All Citroën C4 engines make a more environmentally sound choice, from the ultra-low emissions diesels to refined, efficient petrol. Each engine has been carefully engineered to meet Euro IV emissions standards, providing maximum enjoyment and minimal waste. Even the powerful 1.6 16V 120hp petrol engine can return 54.3mpg on the extra urban cycle.

➤ EGS MEANS LESS CO₂

The revolutionary Electronic Gearbox System (EGS) is essentially two gearboxes in one, for rapid and responsive manual changes, or a seamless automatic. And it's even smarter still. Choose EGS and you will produce even less CO₂ than with a conventional manual!

➤ ENERGY SAVER® TYRES

With a reduction in rolling resistance of 20%, Michelin's Energy Saver® tyres, fitted on 1.6HDI 90hp and 1.6HDI 110hp DPFS manual and EGS models, reduce the amount of energy needed to propel the car along the road which results in a reduction in fuel consumption. This is achieved with no loss of grip or stability, with shorter stopping distances in wet conditions. The tyre's innovative architecture generates fuel savings of nearly 0.2litres per 100km (in combined cycle), resulting in a reduction in CO₂ emissions of nearly 4g/km and around one tonne less CO₂ over the entire life of a Citroën C4.

SAFETY TO THE POWER OF CITROËN C4. THE SHEER DEPTH OF SAFETY TECHNOLOGY THROUGHOUT THE CITROËN C4 MAKES IT A VERY WELL PROTECTED PLACE TO BE, FROM ITS TYRE PRESSURE MONITOR AND MULTIPLE AIRBAGS, TO ITS ELECTRONIC STABILITY PROGRAMME.

› COME RAIN...

The rear wiper operates automatically when the reverse gear is engaged. Exclusive models benefit from rain-sensitive windscreen wipers that activate to clear your view at the first sign of a downpour. The automatically illuminating headlamps also turn on during a rain shower.

› SLOW DOWN FAST AND BE SEEN

The hazard warning lights activate automatically in the event of rapid deceleration to warn other drivers. They switch off when the Citroën C4 accelerates away.

› STABILITY = SAFETY

A Citroën is inherently stable and secure, thanks to its sophisticated suspension design, but the Electronic Stability Programme (ESP), standard on VTR+ and Exclusive models, adds another level of protection. By monitoring progress through a bend, it can sense if oversteer or understeer is developing, modify engine torque and apply one or more of the brakes to maintain stability and control.

› MAXIMUM BRAKING

The standard Emergency Braking Assistance (EBA) automatically maximises brake effort when it detects strong braking input. This compensates for the fact that many of us don't brake with enough force in an emergency situation.

Euro NCAP for adult occupant protection for the Citroën C4 5-door Hatchback, date assessed: November 2004

› TYRE PRESSURE MONITOR

Included with the optional Xenon Dual-Function Directional headlamps available on Exclusive models, the Citroën C4's tyre pressure monitor regularly checks each tyre and gives the driver a visual and audible warning if a problem is detected – it's a very reassuring safety feature.

› AIRBAGS EVERYWHERE

The Citroën C4 features an army of airbags for maximum passenger protection. Front airbags are adaptive, so that they deploy with exactly the right power and speed for every kind of impact. Thanks to the innovative fixed-centred controls steering wheel, the driver is also protected by a torso-shaped airbag that always deploys at the optimal angle. Curtain airbags built into the roof protect the heads of front and rear passengers should a side impact occur, while lateral airbags integrated into the front seats also protect against side impacts, and move occupants towards the centre of the passenger cell, away from the force of the collision.

EXPECT THE UNEXPECTED WITH THE CITROËN C4. AND EXPECT MORE.

THE CITROËN C4 VTR BRISTLES WITH ADVANCED FEATURES FOR YOUR COMFORT, ENJOYMENT AND SAFETY. IT TAKES REFINEMENT TO ANOTHER LEVEL, LETTING THE CORE CITROËN BALANCE OF DYNAMIC PROWESS AND PEERLESS RIDE COMFORT SHINE THROUGH. A CAR TO SUIT YOUR CHARACTER? WHATEVER NEXT!

> CITROËN C4 VTR SPECIFICATION INCLUDES:

- ABS with Electronic Brakeforce Distribution (EBD)
- Emergency Braking Assistance (EBA)
- Driver's, front passenger's, front lateral and curtain airbags
- High-frequency multi-function remote control central locking with deadlocks
- Front seat belts pre-tensioners with force-limiters
- Body colour painted front and rear bumper inserts
- Body colour painted door handles
- 16" 'Azzana' wheel covers (set of four)
- Fixed-centred controls steering wheel
- 'Guide-me-home' headlamp function
- Front fog lights
- Variable power assisted steering
- Cruise control with speed limiter
- Electrically adjustable door mirrors
- Front electric windows with 'one-touch' operation and anti-pinch
- Laminated windscreen
- Air conditioning
- Scented air freshener
- Multi-function on-board trip computer
- RDS stereo radio/MP3 compatible CD player

OPTIONS ARE ABOUT FREEDOM OF CHOICE. FREEDOM IS ABOUT GOING WHERE YOU WANT AND DOING AS YOU PLEASE. THE CITROËN C4 OPTIONS INVITE YOU TO DO SO IN STYLE AND IN SAFETY.

➤ PARKING PACK

Parking your new Citroën C4 shouldn't add to the burden of a busy day. Front and rear parking sensors enable you to manoeuvre safely and quickly into the tightest spots, fully aware of hidden obstacles. Also part of the Parking Pack, electrically folding and heated door mirrors add practicality to your Citroën C4.

➤ XENON DUAL-FUNCTION DIRECTIONAL HEADLAMPS

Citroën's intelligent Xenon Dual-Function Directional headlamps effectively allow you to see round corners. As you turn the steering wheel the directional beam turns with you highlighting the road and any potential hazards.

➤ LEATHER PACK

For pure luxury, choose the tactile quality and comfort of the Leather Pack, trimmed in soft leather and featuring heated front sport seats.

Along with the 15" 'Cronos' alloy wheels (right), Citroën offer an additional range of 15", 16" and 17" alloy wheels.

> MUDFLAPS

Contoured front and rear mudflaps are available on all C4 models.

> MP3 ADAPTOR

Enjoy music from your own MP3 player and control your song selection through the dashboard stereo thanks to this clever little MP3 adaptor.

MP3 player not included.

> STORAGE

Expand the capabilities of your new Citroën C4 with various storage accessories including cargo nets and foldaway boot storage compartments. Check the web site for other clever storage solutions.

> ROOF BARS, ROOF BOXES, SKI & SNOWBOARD CARRIERS AND BICYCLE CARRIERS

Citroën traversing roofbars (A) are designed to match the contours of your new Citroën C4 and can be used with Citroën bicycle carriers, ski/snowboard carriers and roof boxes for quick and easy transport and storage solutions.

Citroën roof boxes (B+C) are available in 280, 340, 370 or 430 litre capacities.

Citroën Ski and Snowboard Carriers (D) are also available. Quick to install and lockable to protect against theft, they enable you to carry up to 6 pairs of skis.

Citroën bicycle carriers (E) are a secure and hassle-free way of transporting your bike. Please contact your local Dealer for information about additional fixings that may be required.

> TOWBARS

Citroën towbars have been developed to ensure the highest standards of safety and strength. Conventional and fixed swan neck towbars are available along with demountable towballs.

CITROËN ENVIRONMENTAL COMMITMENT

➤ INTRODUCING A MORE ECOLOGICAL CAR

The Citroën C-Cactus concept, a car designed on ecological principles. It includes a significant proportion of recycled or recyclable materials and, like the plant it is named after, it is low on liquid consumption. At the same time, Citroën C-Cactus is designed to be no more expensive than a mid-range family car. This can be attributed to the use of new materials and to a rational design process using a smaller number of parts. Citroën C-Cactus is an essential vehicle reflecting a new vision of the car, many of its thoughts and themes will appear in modern Citroën vehicles to come.

➤ AIRDREAM – A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream' reserved exclusively for the cleanest vehicles in our range. To qualify for the Airdream signature, vehicles must meet three standards:

1. a) CO₂ emissions of 120g/km or less
2. b) fitted with DPFS with CO₂ below 158g/km.
3. Manufacturing quality of ISO14001.

95% of recoverable materials.

GREEN EFFICIENCY. CITROËN HAS BEEN PIONEERING CLEANER, MORE FUEL-EFFICIENT MOTORING, SUCH AS THE COMMON RAIL HDi ENGINES NOW FITTED IN ALL NEW CITROËN DIESELS, LONG BEFORE ALL THE HYPE...

CITROËN HAS ALWAYS BEEN AT THE FOREFRONT OF GREENER TECHNOLOGY AND THE CITROËN C4 IS NO EXCEPTION. TODAY, WE HAVE ONE OF THE UK'S WIDEST RANGES OF LOW EMISSION VEHICLES – THREE OF WHICH ARE IN THE TOP FOUR FOR LOW CO₂ AND FUEL-EFFICIENCY. WE ALSO PRODUCE ONE OF THE UK'S MOST ECONOMICAL LIGHT COMMERCIAL VEHICLES, THE CITROËN NEMO VAN.

On the technology side, we've been equipping more of our vehicles with more environmentally friendly breakthroughs, such as our Electronic Gearbox System (EGS), which boasts impressively greener credentials, with less pollution and up to 5% more economy than a conventional manual gearbox system. In addition,

Citroën has expanded the use of the exceptionally efficient, self-regenerating Diesel Particulate Filter System (DPFS) in our models. Cleaner, greener driving without taking away from the drive – that's what you can continue to expect from the Citroën C4.

All Citroën vehicles are designed to be 85% recyclable.

Citroën was a winner at the 2009 WhatCar? Green Awards. Citroën Grand C4 Picasso 1.6HDi SX won Best MPV.

DRIVE YOUR WAY. GET BEHIND THE WHEEL OF YOUR NEW CITROËN C4, WITH CITROËN'S RANGE OF FINANCE AND INSURANCE PRODUCTS.

CITROËN FINANCIAL SERVICES PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

CITROËN FINANCIAL SERVICES ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

CITROËN FINANCIAL SERVICES ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

➤ TO FIND OUT MORE ABOUT CITROËN PRODUCTS AND SERVICES, GO TO WWW.CITROEN.CO.UK OR CONTACT YOUR CITROËN DEALER.

FOR BUSINESS USERS

CITROËN CONTRACT MOTORING HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

CITROËN CONTRACT MOTORING BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

CITROËN CONTRACT MOTORING LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

CITROËN CONTRACT MOTORING CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

➤ FOR MORE INFORMATION ON CITROËN FLEET AND BUSINESS SALES, PLEASE CALL CITROËN FLEET CONNECT ON 08457 940 940 OR LOOK US UP AT WWW.CITROEN.CO.UK/FLEET

➤ ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C4 IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED.

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

CITROËN ASSISTANCE

For all models except Citroën C6: In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. Citroën C6: Citroën Assistance covers all incidents and for a period of 3 years.

Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

CITROËN EXTENDED WARRANTY

With a Citroën Extended Warranty, we offer you the opportunity to continue your care-free motoring for a further 1 or 2 years beyond the 3 year warranty and up to 120,000 miles.

To find out more, contact your Citroën Dealer or call the Customer Contact Centre on 0844 463 3500.

Extended Warranty insurance is underwritten by Pinnacle Insurance Plc which is authorised and regulated by the Financial Services Authority.

CITROËN INSURANCE

CITROËN INSURANCE INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

If you are a business user (Self employed, sole trader, partnership, Limited company) you may want to consider a Citroën Insurance **for Business** policy. Simply call 0845 301 5975.

Lines open 9am - 5pm weekdays only.

Citroën Insurance is underwritten by UK Insurance Ltd. UK Insurance Limited is authorised and regulated by the Financial Services Authority. Citroën Insurance is a trading style of Banque PSA Finance UK which is authorised by the "Organisme pour le Registre des Intermédiaires en Assurance" (ORIA) in France under number 07 008 501 and regulated by the French regulatory authority, the "Autorité de Contrôle des Assurances et des Mutuelles" (ACAM) and subject to limited regulation by the Financial Services Authority in respect of some aspects of the conduct of UK Insurance mediation business. Details on the extent of our regulation by the Financial Services Authority are available from Banque PSA Finance UK on request.

› FIXED-CENTRED CONTROLS STEERING WHEEL

A Citroën innovation that makes for safer driving in every way. Whilst the rim of the steering wheel turns normally, the centre hub remains static which means that all the audio, information and driving controls operated from here stay in exactly the same place. It also means that the driver's airbag can be specially sculpted to deploy more favourably than the round ones necessary in cars with conventional steering wheels.

› MYWAY

MyWay colour satellite navigation is completely integrated into the vehicle which avoids the risk of theft. The design has been created for ease of use and with steering wheel controls, navigating from your phone to the satellite navigation couldn't be any easier.

MyWay allows you to define routes, stops and places of interest with the added benefit of vocal instruction. MyWay also provides live traffic updates of any congestion spots or delays.

A GPS integrated aerial is built into the vehicle, to maximise the reception of satellite information; therefore permitting an accurate location of the car.

› BLUETOOTH® SYSTEM WITH USB BOX

Integrated Bluetooth® hands-free phone function with dashboard-integrated USB socket and jack to plug in a portable MP3 player. Menu navigation and music selection via steering-mounted and dashboard radio controls, with song titles displayed on the radio screen.

› XENON DUAL-FUNCTION DIRECTIONAL HEADLAMPS WITH CORNERING LIGHTS

A dynamic AFS with lamps that respond to the steering, adjusting the direction of the beam in the direction of the turn by up to 15 degrees. These headlamps contain a directional twin xenon elliptical module for use in the dipped and full-beam positions, and a complex surface "long-range" halogen unit for full-beam only. This combined assembly delivers an extremely high level of forward visibility.

› HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engine cars.

› DIESEL PARTICULATE FILTER SYSTEM (DPFS)

Our unique DPFS collects exhaust particulates (soot) that would have been bound for the air around us and burns them off at 550 degrees C. This means that 'black smoke' is eliminated completely. And because the filter is constantly burning the particulates it is self-cleaning and requires no maintenance.

› ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. Citroën C4's ABS system is further enhanced with EBA and EBD (see below).

› ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

› EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

› ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

› ELECTRONIC GEARBOX SYSTEM (EGS)

A revolutionary alternative to conventional gearboxes, Citroën's innovative EGS allows you to operate in either 'manual' or 'automatic' modes. 'Manual' gear shifts are made using the paddles by the steering wheel, or the sequential lever. In 'automatic' mode the gearbox will control gear changes for you, maximising your drive comfort and optimising fuel consumption – to the order of 3 to 5% lower than a conventional manual gearbox, also helped by a sixth gear.

› ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On Citroën C4, Isofix is installed on the two outer rear seats.

CITROËN C4 DIMENSIONS

All measurements are in millimetres.

This brochure is made from paper from a well-managed forest. Citroën support responsible use of forest resources.

Please don't throw me away, give me to a friend or recycle me.

NOTE: Every endeavour has been made to ensure that the information and details contained in this brochure were accurate at the time of going to press January 2010. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this brochure up to date, but in order to avoid any misunderstandings please consult your Dealer. For full details of Citroën Care for Car and Driver, please see the full manufacturer's price list. The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies.
