

**NEW CITROËN
C5 AIRCROSS SUV**

INSPIRED BY YOU

During the 90s Le Tone had major hit, "Joli Dragon", and devoted himself to music for years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1974

Citroën launches CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2016

Experience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

CITROËN
Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Méhari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

flexible and comfortable
- a true SUV

New Citroën C5 Aircross SUV is effortlessly comfortable, with class leading flexible space. The secret of its everyday functionality and relaxed ambiance is the unique Citroën Advanced Comfort® programme.

elegance with presence

With a muscular profile and plenty of attitude, New Citroën C5 Aircross SUV redefines the feel of its class. Imposing and bold, it's elegantly contemporary in every detail, without a trace of arrogance. At the front, there's the unmistakable and proud double chevron design and powerful curved side panels. The 360° glazed surfaces are highlighted by a dynamic chromed 'C' motif. Rear lights feature four rectangular 3D LED modules, which emphasise the vehicle's broad stance.

power with control

GRIP CONTROL WITH HILL DESCENT ASSIST*

An SUV needs to take varied and difficult surfaces in its stride. New Citroën C5 Aircross SUV provides secure traction in all conditions thanks to Grip Control. This ingenious system has five modes, which you can select instantly using a dial on the centre console. For safety and control while travelling downhill there is also Hill Descent Assist, which minimises the risk of skidding or unwanted acceleration as you descend. It works in both forward and reverse gears as well as neutral.

**Available as an option on selected versions.*

30 personal combinations

With 7 body colours and a Perla Nera Black bi-tone option, New Citroën C5 Aircross SUV is a very individual choice. There are also 3 colour packs: Silver Anodised, White Anodised and Red Anodised, which include stylish inserts on the front bumper, the Airbump® and under roof bars. A range of 4 stylish alloy wheel designs adds even more personalisation potential.

the interior, refined

The moment you open the door, you'll sense it. New Citroën C5 Aircross SUV welcomes you with a rare mix of refined comfort and space. Settle in and you'll quickly appreciate the high driving position, great visibility and prestigious feel. The horizontal lines of the dashboard subtly incorporate a range of useful technology, such as the 8" touch screen. Carefully selected colours and tactile materials such as cloth and Nappa leather are inspired by quality luggage and the world of travel. Gloss black details and chrome inserts emphasise the inspired attention to detail.

—
*feel at home with 3
interior ambiances*

Expressing yourself on the inside is made easier thanks to a range of interior ambiances.

The standard ambiance on Feel versions is understated and refined, with Grey Silica Cloth seats.

1 - Refined and subtle, the Metropolitan Ambiance brings you Grey Grained leather and Graphite cloth seats with a lighter grey band, combined with a centre console and dashboard top in grey, standard on Flair and Flair Plus.

2 - The ultimate choice is the Hype Brown Ambiance. This has Brown Nappa Leather with black leather effect cloth seats and a light grey Alcantara band. Centre console, dashboard top and instrument panel visor are brown. A Black and Brown full grain leather steering wheel adds a real touch of luxury.

*inner
calm*

*intelligent
storage*

*effortless
travel*

ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, **CITROËN ADVANCED COMFORT®** provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives you fingertip control of the practicalities and unique features.

*practical
progress*

cocooned in comfort

Bright, welcoming and typically Citroën, New Citroën C5 Aircross SUV is special on the inside as well as the outside. Exceptionally spacious, the interior is a haven of calm, thanks to double thickness laminated front windows with an insulating layer. Wind and road noise are kept to an absolute minimum. Enhancing the sense of wellbeing even further with the new Air Quality System [AQS]. Designed to detect environmental pollution, it automatically filters and purifies air entering and circulating through the cabin.

*panoramic life**

The panoramic glass sunroof makes every journey special whether it's open or closed. Filling the interior with natural light really contributes to the epic views enjoyed from New Citroën C5 Aircross SUV. Powered by two electric motors with a safe auto-reverse function, it's easy to use and also features a handy blind for fine-tuning brightness levels.

**Standard on selected versions.*

CITROËN
WORLD
EXCLUSIVE

the flying carpet effect

Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® redefines pure driving comfort. Smoothing away both large bumps and minor surface imperfections, it makes New Citroën C5 Aircross SUV feel like a flying carpet. Stability and dynamics are also assured. Welcome to the best of both worlds.

bumps are history

Ordinary suspension makes do with a shock absorber, a spring and a mechanical bump stop. With Progressive Hydraulic Cushions® you get special hydraulic cushions on either side, for rebound and compression. The result is a ride that takes everything in its stride, smoothly.

When big bumps are encountered, the hydraulic cushions keep suspension movement controlled and progressive.

With minor road imperfections, the cushions simply absorb it all, giving that relaxing flying carpet ride.

CITROËN
WORLD
EXCLUSIVE

*Advanced Comfort seats**

Taking inspiration from contemporary furniture, the seats in New Citroën C5 Aircross SUV provide unmatched lounge-like comfort on the move. With broad cushions and seat backs, they combine high density foam at the heart of each seat and a thick, textured foam at the surface. Perfect support and softness are guaranteed, on the shortest trip and the longest adventures.

**Standard on Flair and Flair Plus.*

CITROËN
ADVANCED
COMFORT®

*massaging driver seat for soothing journeys**

The front seats in New Citroën C5 Aircross SUV provide premium level comfort as well as being heated. The driver seat has a multi-point massage system that uses 8 pneumatic pockets fitted in the seat back. Using the 8" touch screen, you can choose between 5 programmes that combine lumbar, back and shoulder massage. With front seat height adjustment, fully adjustable head rests and all seats carefully shaped for optimum support, this is a seriously relaxing SUV.

** Present with Nappa Leather, available on selected versions.*

full sized rear seats

With three individual rear seats of the same width, New Citroën C5 Aircross SUV provides the same level of comfort and space, wherever you're sitting. With 5 different reclining positions and the ability to slide 150mm, they are ultimately accommodating. When you need serious carrying capacity, the rear seats fold to leave a perfectly flat floor.

change your space

You can reconfigure the roomy, flexible interior of New Citroën C5 Aircross SUV to suit your needs. Sliding, reclining and foldable rear seats make it easy.

room for everything

New Citroën C5 Aircross SUV has a roomy 580l boot, but this is just the beginning of the story. Move the rear seats to their furthest forward position and you've got up to 670l, giving you the most generous boot in its class. When rear seats are folded there's an amazing 1630l, and thanks to a clever folding mechanism the boot offers 2 perfectly flat floor heights. Accessing all this flexible space is effortless too, because there's a new hands-free tailgate which you can open and close simply by moving your foot under the rear bumper.

BOOT VOLUME

670L

intelligent storage

Part of being truly comfortable when you're travelling is having a perfect place for everything you need. New Citroën C5 Aircross SUV has plenty of useful storage solutions. The large compartment under the central armrest has a section that can carry a 1.5l bottle, whilst the glove box and door pockets are roomy too. You'll also appreciate the large storage area at the front of the centre console, which features ingenious magnetic wireless charging for a smartphone.

*useful technology,
everywhere*

New Citroën C5 Aircross SUV makes sure your digital world is always with you, offering 6 advanced connectivity systems. In addition there are 20 driving aids* dedicated to safety and making life on the move easy and enjoyable. Giving you great access and control to your systems, there's a crystal clear 12.3" TFT digital instrument panel, which has lots of potential for personalisation.

** Dependent on version.*

A man with a beard, wearing a dark suit, is driving a Citroën car. The view is from the passenger side, looking towards the driver. The car's interior is visible, featuring a large 8-inch touch screen in the center console displaying a navigation map. The steering wheel has the Citroën logo. The background shows a blurred landscape, suggesting the car is in motion. The overall tone is professional and modern.

real time navigation at your fingertips

The latest 8" touch screen brings you the instant responses and clear usability of your smartphone. Ideally placed for safe use, it lets you access the advantages of Citroën Connect Nav*, a 3D connected navigation system. This innovative feature brings you real time traffic information, weather reports, plus the location and price of car parks and fuel stations. You can search for points of local interest and get advanced warning of any problems ahead. In other words you get everything you need to enjoy total peace of mind, everywhere.

** Standard on selected versions.*

innovative driving apps

MIRROR SCREEN*

This intelligent app uses the touch screen to mirror your smartphone, displaying all driving compatible apps. Depending on your exact phone, apps can be controlled by voice, so you can keep your eyes on the road. The system is compatible with Android Auto, Apple CarPlay™ and MirrorLink®.

ConnectedCAM Citroën®**

Located at the base of the interior rear view mirror, this innovative camera system uses full HD GPS technology with a built-in 16 GB memory card. It allows you to take photos or video footage, which you can download by email and add to your social media. A major safety feature, it saves video recordings in the event of an accident.

* Dependent on smartphone model.
** Standard on selected versions.

*the future of safer,
easier driving*

Highway Driver Assist* is a big step towards semi-autonomous driving, allowing you to programme New Citroën C5 Aircross SUV to manage important elements of the journey on any road. Simply select a speed above 19 mph and the system will maintain your position in lane by following road markings. Using the Adaptive Cruise Control with Stop&Go function, New Citroën C5 Aircross SUV can then stop and move off again to match the movements of the vehicle in front. Now you no longer need to constantly manage speed and direction during journeys, as your vehicle is safely in control. For Highway Driver Assist to keep working, your hands need to be on the steering wheel, and naturally you can take over control at any time.

* Standard on selected versions.

20 safety and driver aid systems

HIGHWAY DRIVER ASSIST*

This major advance allows New Citroën C5 Aircross SUV to control key driving tasks during any journey. The system maintains your position and speed in a chosen lane, and manages stopping and restarting to exactly match the movements of vehicles in front.

ADAPTIVE CRUISE CONTROL WITH STOP&GO FUNCTION*

Using a camera, this system detects the vehicle in front and automatically maintains a safe distance chosen by you. Using the brake and accelerator, it can safely stop and move off without any driver intervention. Adaptive Cruise Control with Stop&Go function is available with the EAT8 automatic gearbox.

ADAPTIVE CRUISE CONTROL*

This system uses a camera to maintain a safe distance from the vehicle in front, at speeds above 19 mph.

ACTIVE SAFETY BRAKE

This is a reassuring safety feature that minimises the risk of collisions. Working from speeds of 3 mph, it detects both fixed or moving obstacles as well as pedestrians. If it detects a collision risk, Active Safety Brake sends an alert to the driver, and if they don't react, the system stops the vehicle automatically.

COLLISION RISK WARNING

Using a front-mounted radar to warn you if there's a risk of collision, this technology helps you to maintain exactly the right distance from the vehicle in front. It works from 19 mph.

COFFEE BREAK ALERT

When it's time to take a break, this system sends you a warning. It activates once you've been driving for 2 hours continuously at more than 40 mph.

ACTIVE LANE DEPARTURE WARNING SYSTEM*

Using a camera to recognise different road markings, this system gently steers your vehicle back into the correct lane if it detects a change in direction without the indicators being used.

DRIVER ATTENTION ALERT

By evaluating changes in direction relative to road markings, Driver Attention Alert can analyse driver alertness and send a warning when necessary. It's a useful safety feature; especially on roads where the speed limit is over 40 mph.

ACTIVE LANE DEPARTURE WARNING SYSTEM*

Really useful on multi-lane roads, this monitoring system warns you if there's a vehicle in your blind spots, using an orange LED in the corner of the door mirror. If you're heading for the detected vehicle, it will correct your position automatically.

INTELLIGENT BEAM HEADLIGHTS*

When vehicles are detected coming towards you or overtaking, Intelligent beam headlights will switch from main to dipped beam. It ensures you always have the right lighting for night driving.

* Dependent on version

20 safety and driver aid systems

EXTENDED TRAFFIC SIGN RECOGNITION AND SPEED RECOMMENDATION*

Keeping you fully informed of speed limits at all times, this innovation uses a camera to detect signs, so that you can adjust your cruise control or speed limiter to match. It also detects Stop, One Way and No Overtaking signs.

KEYLESS ENTRY AND STARTING*

Convenient and ingenious, you can now lock and unlock without getting your key out. The vehicle recognises you as you approach.

ELECTRIC PARKING BRAKE

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

PARK ASSIST**

Perfect for parallel or bay parking, this system can detect a space, then automates the steering to park in complete safety. All you need to do is engage the gears and control the accelerator and brake.

360 VISION**

Manoeuvres are much easier using 360 Vision, because it shows you an overhead 360° image of your vehicle's immediate surroundings. The technology offers 3 different views and selects the ideal one for each situation. You can also choose the right view manually.

REVERSING CAMERA WITH TOP REAR VISION*

Engage reverse and the camera displays a 180° rear view on your touch screen. Additional coloured lines make the position of obstacles clearer, and when you approach them, the camera zooms in automatically.

TRAILER STABILITY CONTROL**

When you have towing equipment fitted, this feature works with the ESP system. If it senses the trailer beginning to sway, it uses the vehicle brakes to maintain stability.

HILL START ASSIST

Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from brake to accelerator pedal.

FOG LIGHTS WITH STATIC CORNERING FUNCTION*

Providing an additional light beam on the inside of bends, this innovation makes tricky bends and junctions safer and easier to navigate.

GRIP CONTROL® WITH HILL DESCENT**

Here's a traction control system created to optimise front wheel grip for every kind of road surface. The dashboard-mounted dial makes it easy to select one of the 5 modes: Standard, Snow, Sand, Mud and ESP OFF. Hill Descent Assist holds your vehicle at a low, controllable speed on steep slopes. You can activate it from a button on the centre console and it works in forward and reverse gears.

* Dependent on version.
** Available as an option.

*smooth changes
extra efficiency*

In addition to the 6-speed manual gearbox, New Citroën C5 Aircross SUV can be specified with the latest EAT8 automatic with 8 speeds. More fuel efficient than ever, it's also a joy to use, providing incredibly smooth shifts between gears. You can also change gears manually if you want to, using the steering wheel mounted paddles, slipping seamlessly back to automatic whenever you wish.

—
the latest petrol and diesel power

New Citroën C5 Aircross SUV gives you a choice of efficient, powerful engines. Featuring the very latest advances for maximum driving pleasure, there are two petrol options and three diesels, with power ranging from 130 hp to 180 hp.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

Citroën and you

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN FINANCIAL SERVICES

- **PURCHASE PLAN**

Own your vehicle with this flexible package designed to fit your budget.

- **ELECT 3**

A new Citroën car every two or three years with monthly payments structured to suit your budget.

- **ELECT 4**

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability

FOR BUSINESS USERS

FREE2MOVE

- **HIRE PURCHASE**

A tried and tested finance package that allows you to own your vehicle.

- **BUSINESS LEASE**

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

- **LEASE PURCHASE**

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

- **CONTRACT HIRE**

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 0800 023 4000 or look us up at <http://business.citroen.co.uk>

CITROËN INSURANCE

- **INSTANT COVER**

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days' comprehensive car insurance, for free!

- **MOTOR INSURANCE**

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.
