

CITROËN DS3 PLUS PACK

Somewhere between design inspiration and practical reality, the spark of originality is often compromised. Not DS line, as Citroën DS3 makes vividly clear. Here, every unique flourish, fresh innovation, bold curve and sensual finish reflects the inspiration of its creators.

This is why it looks like no other car; why an audacious 'shark fin' form rises dramatically from the waistline; why the roofline appears to float above the glass house and body, and why you can walk around Citroën DS3 again and again spotting fresh, pleasing details. Here is a unique distillation of what makes Citroën so different.
