

# Dacia Logan MCV Stepway

A good thing, **made even better**

April 2020

# Our Trophy Cabinet

## Our most recent award: BBC TopGear.com Awards 2019 Manufacturer of the Year!

We don't like to brag, but we think it's only right to celebrate our hard work. Take a peek at the awards we've had chucked our way (so far)...

And our most recent additions:

# Just add **adventure**

# A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

# Off-road spirit, **on-road performance**

How do you make a good thing better? We took our already pretty impressive Dacia Logan MCV and gave it something extra special.

The result is a great mix of style and substance, whether you're cramming it to capacity with camping gear or cruising to the cinema with the kids.

With **16" wheels, LED daytime running lights, a restyled rugged grill and raised ride height**, you'll feel in charge wherever you go.

Throw in the **Media Nav with 7" touchscreen and Apple CarPlay™ / Android Auto™\***, cruise control and rear parking sensors. And you'll find it a dream to drive.

It's economical too. So while it looks ready to take on the world, it needn't cost you the earth to run.

\* Available on vehicles built from December 2018. Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple CarPlay™ or Android Auto™ should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# Dacia Logan MCV Stepway

## A comfortable **space**

The Logan MCV Stepway isn't just better on the outside. The interior is pretty special too. After all, it's what's inside that counts.

The **573 litre boot** capacity grows to an impressive 1,518 litres with the back seats folded flat. How's that for roomy? Shopping, suitcases, pets, cheeky little monkeys (AKA kids)...they'll all fit comfortably in.

Then there's the snazzy upholstery, air vents and steering wheel. Fancy.

There's also **air conditioning**, remote central locking, electric windows throughout and more satin chrome surrounds than you can shake a stick at.

Of course, looks mean nothing without safety. So we've made it a priority. ABS, height-adjustable head rests, airbags and Electronic Stability Control (ESC) are all there for you and your family's peace of mind too.

# Tech on tap

The Logan MCV Stepway is no slouch when it comes to useful (and fun) gadgets and accessories.

Rear parking sensors, electric windows throughout, cruise control and speed limiter. They're all there to help you hit the road safely and easily.

Then there's the 7" Touchscreen MediaNav system, including SatNav with voice guidance, DAB, FM and AM radio, and Bluetooth™ connectivity\*. Whether you're rocking out to the radio, making and taking calls safely or staying on the right route, with the Logan MCV Stepway it's all sorted. Leaving you free to enjoy the ride.

Stay connected to your smartphone with Apple CarPlay™ or Android Auto™\* connectivity on the 7" MediaNav touchscreen.

Manoeuvre with ease! Logan MCV's rear parking camera including sensors^alerts you when there is a potential obstacle behind you.

## Navigation

Provided by Navteq with vocal guidance.

## Phone

# The engine room

## Reliable power to fuel your adventures

Whether you're putting the Logan MCV Stepway through its paces or picking the kids up from school, you can relax every time you turn the key. All our engines are rigorously tested, over an impressive 800,000 kilometres of test driving.

## Pick the engine for your lifestyle:

The turbocharging **TCe 90** engine offers more performance

- Produces 90hp from its 3-cylinder, 898cc engine, yet still achieves CO<sub>2</sub> emissions of 139 g/km\*

The efficient **Blue dCi 95** engine offers amazing economy

- Producing 95hp from the 1461cc engine and achieving an amazing 60.1 mpg combined and CO<sub>2</sub> emissions of 124 g/km\*

## Blue dCi Engines

Logan MCV Stepway benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting an urea based fluid, AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via specific AdBlue® filling cap located next to the usual diesel filler cap. A full tank of AdBlue® will last 6 full tanks of diesel.

# We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year\* warranty (or 60,000 miles, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

## Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles<sup>A</sup> after you buy your new Dacia.

## Dacia car insurance<sup>1</sup>

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty<sup>A</sup>. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

**Dacia car insurance: 0330 102 7795 [www.daciacarinsurance.co.uk](http://www.daciacarinsurance.co.uk)**

Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

## Servicing

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

<sup>A</sup> Standards Manufacturer term and mileage

<sup>†</sup> Dacia Extended warranties are available to purchase from first date of registration up to end of manufacturer warranty.

<sup>‡</sup> The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 18 December 2019 and 30 June 2020 and registered by 30 September 2020. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit [www.dacia.co.uk/services-and-finance/service-plan](http://www.dacia.co.uk/services-and-finance/service-plan). Cannot be part exchanged, refunded or transferred.

<sup>§</sup> The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

<sup>\*\*</sup> 36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

<sup>1</sup> Dacia Insurance is arranged and administered by Verex Insurance Services Ltd, which is registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth, Herts, WD3 1JE and authorised and regulated by the Financial Conduct Authority, No. 487185. Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request.

<sup>A</sup> If your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.

# Bi-Fuel (Liquefied Petroleum Gas - LPG)

The new dual-fuel factory fitted Bi-Fuel engine has excellent range capacity and comes with 47.1 (Bi-Fuel 38.1) mpg and 134 (Bi-Fuel 121) g/km CO<sub>2</sub> emissions\*.

## Bi-Fuel (LPG) Engines

Bi-Fuel is an alternative fuel enabling a lower CO<sub>2</sub> emission. Bi-Fuel vehicles have two separate fuel tanks (LPG and Petrol) and can be switched between fuel type. The LPG tank (32 litres) is installed in the hollow of the spare wheel, and does not sacrifice the boot volume. Bi-Fuel vehicles come with a tyre inflation kit as it is not possible to have spare wheel.

## The key benefits of Bi-Fuel engines are:

- Better in Running Fuel Costs<sup>¥</sup>
- Better in CO<sub>2</sub> Emissions<sup>¥</sup>
- Better in NoX Emissions<sup>‡</sup>
- Better in Polluting Particles<sup>¥</sup>
- Quieter Engine Noise<sup>‡</sup>

\*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration.

¥ In comparison with a TCe petrol version ‡ In comparison with a Blue dCi version

# Bi-Fuel

### Maintenance

- Similar maintenance programme as petrol versions

### Range and Economy

- Bi-Fuel engines come with two fuel tanks (Petrol & LPG) which means you can travel around 620 miles with both tanks full.
- When running in LPG mode, fuel consumption increases by around 20%. However, as LPG is cheaper to buy at the fuel pump, there are savings to be had.

### Easy to use

- Filling up with LPG is just as easy as filling up with Petrol or Diesel. Simply screw on the UK LPG adaptor found in the vehicle and attach the LPG fuelling nozzle at your chosen station.

### Warranty

- The cherry on the cake? Have total peace of mind with Dacia's standard 3 year/60,000 mile warranty\*.

\*3 years or 60,000 mile, whichever comes first. TECs apply, visit [www.dacia.co.uk/warranty-and-assistance](http://www.dacia.co.uk/warranty-and-assistance)

# The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

# The Dacia way

Sixteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5.8 million Dacias globally since 2004. And since we launched in the UK in 2013, 150,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award 2019 Good Housekeeping Reader Recommended award. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

**Drop in;** it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
