

Ford

C-MAX + GRAND C-MAX

Go Further

Visionary. Ingenious. Remarkable.
Every car bears his signature.

Henry Ford

hello

Information any way you like it.

At Ford we always like to go further. So, we've made choosing your new Ford C-MAX more fun, engaging and informative than ever before.

discover

This printed brochure lets you explore all the top level features available on the Ford C-MAX.

eBrochure containing full features and specifications

You can also download your brochure to further help you make a detailed choice at www.ford.co.uk

build

Build and price your new C-MAX to your exact specification and see how it looks at www.ford.co.uk

Innovation in your hands.

Visit the Ford YouTube channel to view the C-MAX in motion.

Ford C-MAX has practicality in its DNA, helping you get the most out of family life. The Ford C-MAX is a spacious five-seater, while the larger Ford Grand C-MAX has dual sliding rear doors and up to seven seats. The elevated seating position and generous glass area enable you to see more of the road ahead, giving everyone on board a great view of the outside world.

“Call John”

“Listen to message”

“I need fuel”

“Find Town centre”

“I need to park”

“I’m hungry”

SYNC

➤ Ford SYNC 3 with Voice Control and 8" Touchscreen **Connects with your voice, responds to your touch.**

A new generation of Ford's remarkable SYNC technology enhances the C-MAX experience. **SYNC 3** gives you control of everything from music to satellite navigation (optional), and will even manage phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen display lets you configure your home screen how you want it, while Applink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car. (Standard on Titanium and Titanium X, optional on Zetec)

➤ Hands-free tailgate
*Lends a hand when
yours are full.*

Opening or closing your C-MAX tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the **hands-free tailgate** (option) will operate without you having to touch a thing.

The story of less fuel,
more power.

› Ford engine technologies
**Engineered for
economy.**

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger traditional engines, but with much better fuel economy and lower emissions. The C-MAX ECONetic combines low running costs with the great driving dynamics that Ford is famous for.

Active Park Assist helps you find a space.

Active Park Assist is designed to steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears (following on-screen instructions and audible signals).

And get in. And get out.

Park-Out Assist works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster.

➤ **Enhanced Active Park Assist**
Parking made easy.

Active Park Assist is designed to park your C-MAX for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Option, not available on C-MAX Zetec)

C-MAX 5-seats Flexible space and seating.

With an adjustable system that offers a variety of seating arrangements to accommodate up to five passengers, the Ford C-MAX provides both comfort and convenience. The rear seats fold and tumble forward or can be completely removed for extra luggage room. Useful safety features include front-to-rear curtain airbags on the first and second rows, power child locks (standard on all Grand C-MAX series, and Titanium and Titanium X for C-MAX) and seat belt reminders on both front seats.

Fully removable seats

The seats in the Ford C-MAX take adaptability to a new level. The rear seats fold and tumble forward or can be completely removed to create a spacious load area. Interior bike carriers are also available (accessory).

> C-MAX Accommodation

Easily folded away in one simple movement. (Not available in the UK)

With the Comfort Seating System, neighbouring seats can be easily brought in together. (Not available in the UK)

The outboard seats can be moved rearward and diagonally inboard to create additional space and luxurious seating for four passengers. (Not available in the UK)

Grand C-MAX 7-seats Gives you room to grow.

With dual sliding rear doors and a selection of innovative features, the Ford Grand C-MAX helps you get the most out of family life. As a highly-capable multi-activity vehicle, it's also the latest evolution of Ford kinetic Design. In short, it's the perfect blend of style and substance.

Grand C-MAX 5+2 seats

Providing a choice of up to seven seats, the Grand C-MAX is both versatile and spacious. All rear seats can fold flat for you to transport large loads.

Fold flat system with walk-through seats

Second row seats also slide forward and back to optimise legroom, while the seat backs tilt for improved comfort. The centre seat in the second row folds away to create a walk-through to the third row, providing a spacious 2+2+2 layout. (Grand C-MAX)

Sliding rear doors (Grand C-MAX)

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, and tight spaces and concrete pillars in car parks are much less of a problem.

> Bi-Xenon headlights
**No ordinary
headlight.**

This intelligent system is designed to detect different road conditions and selects the appropriate beam pattern for enhanced illumination. While distinctive **LED daytime running lights** provide improved safety while driving. (Standard on Titanium X)

Illumination when you want it – even round corners

When cornering, the headlight's **dynamic curve** feature throws the beam around the bend to help you see further, while **static cornering** help illuminate the inside of the corner as you turn. (Standard on Titanium X)

Choose the right C-MAX for you

With all C-MAX series available in both the C-MAX 5-seat and the Grand C-MAX 7-seat model options – there is a Ford C-MAX to suit you, whatever your lifestyle priorities.

Zetec

C-MAX collection

C-MAX's elegantly crafted design inside and out, impressive integrated technologies, and superb range of engine choices, all contribute to the Ford C-MAX highly regarded status.

Titanium

Titanium X

Luxury collection

The luxury collection delivers superior levels of sophistication and comfort, with premium materials and an additional range of driver assistance technologies.

Grand C-MAX 5+2 seats

C-MAX 5 seats

Zetec

Exterior features

- 16" alloy wheels (ECONetic version fitted with unique wheel trims)
- Front fog lights
- Body colour power/heated mirrors with integrated side indicators
- Body colour door handles
- Anti-lock braking system (ABS)
- Traction Control
- Electronic Stability Control (ESC)
- Ford Easy-Fuel capless refuelling system
- Quickclear heated windscreen

Interior features

- Electrically-operated front windows
- Electrically-operated rear windows (Grand C-MAX only)
- Driver's manual height, fore/aft and lumbar seat adjustment
- ISOFIX (International Standards Organisation FIX) child safety seat attachments
- Hill Start Assist
- MyKey®
- Air conditioning
- Leather-trimmed steering wheel and gearshift knob
- Radio/CD with 4.2" colour display, DAB and Ford SYNC with Voice Control

Leather-trimmed steering wheel and gearshift knob

Manual air conditioning

Engines

Petrol:

- 1.0 Ford EcoBoost (100/125 PS)
- 1.6 Ti-VCT (125 PS) C-MAX only

Diesel:

- 1.5 Duratorq TDCi (105 PS)
- 1.5 Duratorq TDCi (120 PS)

Titanium

Exterior features additional to Zetec

- 17" 15-spoke alloy wheels
- Fog lights with chrome finish surrounds
- Upper front grille with chrome surround and bars
- Bright finish on upper door line
- Rear parking distance sensors
- Automatic headlights
- Halogen signature headlights with LED daytime running lights
- Rain-sensing wipers
- Keyless Entry

Interior features additional to Zetec

- Radio/CD with SYNC 3, DAB, Voice Control and 8" touchscreen display
- Front passenger's manual height, fore/aft & lumbar seat adjustment
- Premium centre console with covered stowage areas and soft-touch sliding armrest
- Overhead console with stowage, sunglasses holder and child observation mirror
- Auto-dimming rear-view mirror
- LED front and rear courtesy lights
- Ambient lighting
- Scuff plates with 'Ford' logo
- Velour floor mats
- Cruise control with active speed limiter

Keyless Entry and Ford Power Start Button

Dual-zone Electronic Automatic Temperature Control (DEATC)

Engines

- Petrol:
- 1.0 Ford EcoBoost (100/125 PS)
- Diesel:
- 1.5 Duratorq TDCi (120 PS)
 - 2.0 Duratorq TDCi (150 PS)

Titanium X

Exterior features additional to Titanium

- 17" 5x2-spoke alloy wheels
- Fixed panorama roof with electrically operated sunblind
- Bi-xenon HID headlights with LED daytime running lights
- Automatic headlight levelling

Interior features additional to Titanium

- Premium partial leather sports seats with contrast stitching
- Heated front seats
- Armrest with premium contrast stitching
- Radio/CD with SYNC 3, DAB, Voice Control and 8" touchscreen display
- Driver's electric height, fore/aft and backrest seat adjustment

Partial leather seat trim

Bi-Xenon headlights

Petrol:

- 1.0 Ford EcoBoost (125 PS)

Diesel:

- 1.5 Duratorq TDCi (120 PS)
- 2.0 Duratorq TDCi (150 PS)

Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime. (Optional)

SYNC 3

Audio system with CD player, DAB, remote audio controls, 6 speakers, MP3 playback capability, and Ford SYNC 3 with Voice Control and 8" colour TFT touchscreen. (Standard on Titanium and Titanium X, optional on Zetec)

Heated steering wheel

Keeps your hands warm and flexible on even the coldest of days. (Optional)

Blind Spot Information System^o

As another vehicle - car, van or lorry - enters your blind spot, the system is designed to alert you with a discreet warning light built into the driver's and passenger's door mirrors. (Optional, on Titanium and Titanium X)

Integrated sunblinds

Neatly hidden within the rear doors when not in use, the integrated sunblinds can be easily raised to help protect rear occupants from the sun's rays. (Optional as part of Family Pack)

^oUses sensors.

Traffic Sign Recognition

Designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. (Optional)

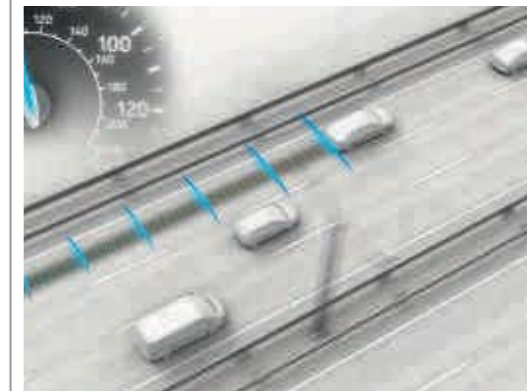

Adaptive Cruise Control^o

Helps maintain a pre-set gap between your Ford C-MAX and the vehicle ahead. If the vehicle in front slows down, the system is designed to decelerate. When the gap widens, your vehicle returns to the desired speed. (Optional on Titanium and Titanium X)

Pre-Collision Assist^o

Active at all speeds, Pre-Collision Assist is designed to help you when it detects an imminent impact with a moving vehicle ahead. First it gives you a visual and audible warning, then, if you fail to react, applies the brakes. (Part of Adaptive Cruise Control option)

View our remarkable technologies in action at www.gofurther.com

*Available at speeds over 40mph on highways and interurban roads with visible markings. Lane-Keeping System can be overridden by the driver or the turn indicator at any time.

Lane-Keeping System*

Lane-Keeping Alert is designed to help the driver keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is likely to happen. While Lane-Keeping Aid is designed to apply steering torque back towards that lane, to help prevent an unintended lane departure. (Part of the optional Driver's Assistance Pack)

FORD C-MAX Remarkable Technologies

◀ Ford Power Starter Button

Start the car without ever holding the key. Just keep the key fob with you in your pocket or bag. (Standard on Titanium and Titanium X)

▲ Auto High Beam*

When oncoming traffic is detected, the headlights is designed to dip automatically, then revert to high beam when the vehicle has passed. (Optional)

*Auto High Beam only available in conjunction with Lane-Keeping Aid (part of the optional Driver's Assistance Pack).

Ford PowerShift ▶

Ford PowerShift delivers the perfect combination between the convenience of an automatic and the performance normally associated with a manual. This 6-speed automatic transmission cleverly selects the next appropriate gear at the right moment for fast gear changes.

◀ Ford Easy-Fuel capless refuelling system

No dirty fuel caps to touch. Plus Ford Easy-Fuel with its innovative safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard)

◀ Ford MyKey®

An innovative programmable feature that encourages safer driving. MyKey® lets you tailor car settings to suit individual users. These settings include speed limit reminders, maximum audio volume and prevent deactivation of driver assistance features. (Standard)

▲ Ford KeyFree System

Lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Standard on Titanium and Titanium X)

The fuel economy figures quoted are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like for like basis. Fuel consumption is directly affected by the length of the journey, number of passengers and amount of load carried, individual driving style, road and traffic conditions, weather conditions, vehicle age, mileage, condition and standard of maintenance, use of vehicle features such as air conditioning and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and for these reasons many drivers may not achieve the EU fuel economy figures in day to day driving although the vehicle is technically capable of doing so.

∅∅The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>

*In 4th gear

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Nose weight limit is a maximum of 75 kg on all models. Gross Train Mass includes trailer weight.

Powerful

2.0 Duratorq TDCi (150 PS)

The high-power 2.0 Duratorq TDCi engine gives you a 150 PS power output, for an even more spirited C-MAX performance.

Maximum Power PS

*Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

**We chose Caribou.
What will you
choose?**

The Ford C-MAX owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective topcoat, new materials and application processes ensure your C-MAX will retain its good looks for many years to come.

¹⁾Safety feature

²⁾Driver assistance feature.

*Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat (second-row seats on Grand C-MAX).

*Frozen White, Premium and Exclusive body colours and leather trim are options at extra cost.

16"

*5x2-spoke alloy wheel
Standard on Zetec*

16"

*10x2-spoke alloy wheel
(available as an accessory)*

17"

*15-spoke alloy wheel
Standard on Titanium*

17"

*10x2-spoke alloy wheel
(Available as an accessory)*

18"

*5-spoke Y-design alloy wheel
Optional on Titanium and Titanium X*

*Softer
ride*

A smaller wheel and larger tyre profile makes for a quieter, more comfortable drive. A larger wheel with a smaller (low profile) tyre offers a sportier performance with enhanced handling and braking.

Note: all alloy wheels are also available as accessories.

*Firmer
ride*

Wheel shown is standard on Titanium X

Load retention systems

Robust retention systems* keep luggage safely in the load compartment. Guards fitted behind the first row of seats are only available as an option. Whereas guards fitted behind the second row of seats are available as an option and accessory for C-MAX, and as an accessory only for Grand C-MAX. The Grand C-MAX also offers the choice of a load retention net (option and accessory).

Rear spoiler

Gives an aerodynamic finish to the roof line. Not available on Grand C-MAX (option and accessory).

Tow bars

The retractable tow bar is constantly stored out of sight below the rear bumper and will be electrically-released when needed for towing, thereby retaining the car's sleek looks (option and accessory). Also available is a detachable tow bar (accessory) as well as fixed tow bar (option and accessory). While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers are available for C-MAX (accessory), whereas crossbars (accessory) are available for Grand C-MAX models fitted with roof rails (option and accessory). They form the basis for various available roof attachments (accessory).

Load Compartment Protection

When transporting wet and dirty items you should protect your load compartment. Reversible mats are available, featuring a carpet as well as a durable rubber surface on the other side (option and accessory). Even more hard-wearing, are load compartment trays with up to 100 mm high edges (accessory).

Uebler+ rear bike carrier

High-quality tow bar-mounted bike carrier features a practical tilting mechanism for easy access to the load compartment. (Accessory)

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain. (Accessory)

Rubber floor mats

All-weather floor mats are made to help protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the rubberised mat is designed not to slip and interfere with the pedals. (Accessory)

Mud flaps

Contoured mud flaps help to keep your Ford clean by reducing road spray. Available as sets for front and rear. (Option and accessory)

For a comprehensive list of accessories visit www.ford-accessories.co.uk
For a range of Ford branded items – from clothing to lifestyle products and model cars – visit www.fordlifestylecollection.co.uk

*Meets European ECE-R17.08/ISO 27955 safety requirements.
+Item covered by third party supplier's warranty, please see back cover for details.
