- Heated front seats
- Leather-trimmed ST steering wheel and gearshift knob
- MyKey®
- Dark headliner
- Front and rear disc brakes with painted red callipers
- Chrome dual exhaust pipe
- Halogen projector-style headlights with LED daytime running lights
- Rear lights with LED night signature
- Thatcham Category 1 alarm
- Sony DAB radio with Navigation
- 5" TFT Screen, with SYNC and Emergency Assistance\*
- Electronic Automatic Temperature Control (EATC)
- Rear privacy glass
- Quickclear heated windscreen
- Unique silver striped seat belts
- Ford KeyFree System; keyless entry and power starter button
- Automatic headlights and rain-sensing wipers
- Power-foldable mirrors with puddle lights
- Cruise control
- Locking wheel nuts

\*Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 30 European countries and regions. SYNC and Emergency Assistance not supported by all European languages. See [www.ford.co.uk](http://www.ford.co.uk) for the latest information.

## Stand-out styling

A unique colour for Ford, the Storm Grey finish provides extra flair to the ST200.

# FORD FIESTA ST200 Facts & Figures

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

Euro Stage	Transmission	Maximum Power PS (kW)	Torque Nm (Nm with overboost)	CO <sub>2</sub> emissions (g/km) <sup>90</sup>	Fuel consumption in MPG (L/100 km) <sup>90</sup>			Performance <sup>90</sup>			
					Urban	Extra Urban	Combined	Max. speed (mph)	0-62 (secs)	31-62 mph* (secs)	
<b>Fiesta ST200</b>											
1.6 EcoBoost (200 PS (147 kW))	Stage VI	M6	200 (147)	290 (320)	140	34.4 (8.2)	57.6 (4.9)	46.3 (6.1)	142	6.7	5.2

\*In 4th gear. <sup>90</sup>Ford test figures. <sup>90</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dtf.gov.uk/>. **Note** BP Ultimate, a range of advanced performance fuels, the perfect partner to meet the most demanding needs of Ford's class-leading technology. BP Ultimate can boost power and acceleration, lower exhaust emissions and improve fuel economy, compared with ordinary fuels.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
