

Ford FOCUS Final

Go Further

Visionary. Ingenious. Remarkable.
Every car bears his signature.

Henry Ford

hello

Information any way you like it.

At Ford we always like to go further. So, we've made choosing your new Ford Focus more fun, engaging and informative than ever before.

discover

This printed brochure lets you explore all the top level features available on the Ford Focus.

eBrochure containing full features and specifications

You can also download your brochure to further help you make a detailed choice at www.ford.co.uk

build

Build and price your new Focus to your exact specification and see how it looks at www.ford.co.uk

**Style and
substance.**

Visit the Ford YouTube channel to
view the Focus in motion.

Focus has sleek exterior styling, with elegant grilles and state-of-the-art headlights. But sit inside, and that's when you'll really appreciate both its beautifully executed design and inspirational new technologies.

“Call Mark”

“Listen to message”

“I need fuel”

“Find an address”

“Show traffic”

“I need to park”

“I'm hungry”

SYNC

➤ **Ford SYNC 3 with Voice Control and 8" Touchscreen**
Connects with your voice, responds to your touch.

Ford **SYNC 3** gives you control of everything from audio features to satellite navigation (where fitted), and will even manage phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen display, with pinch and swipe functionalities, lets you configure your home screen just how you want it, while Applink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone functionality into your car. (Not available with ST-1, optional on Style, standard on all other series)

Active Park Assist helps you find a space.

And get in. And get out.

Active Park Assist is designed to steer you into parallel or perpendicular parking spaces just 20% longer than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears (following on-screen instructions and audible signals). (Optional on Zetec, ST-Line and Titanium, standard on Titanium X)

Park-Out Assist works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster. (Optional on Zetec, ST-Line and Titanium, standard on Titanium X)

➤ **Active Park Assist**
Parking made easy.

Active Park Assist is designed to park your Focus for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Optional on Zetec, ST-Line and Titanium, standard on Titanium X)

➤ Active City Stop
**Intelligent
technology.**

Designed to sense potential low-speed collisions and applies the brakes if you don't react in time, works at speeds up to 30 mph, this intelligent technology could help prevent or mitigate damage from low-speed accidents. (Not available with ST-1, standard on Titanium and Titanium X, optional on all other series)

➤ **Cross Traffic Alert**
Know when it's clear.

As you reverse from a perpendicular parking space, Cross Traffic Alert scans left and right. If a moving vehicle or other hazard is detected, it is designed to give visual and audible alert warnings. Similarly, the Blind Spot Information System is designed to alert you via discreet warning lights built into the door mirrors, when another vehicle enters your blind spot while driving. Optional with Blind Spot Information System (BLIS) on all series except Style and ST-1

Engineered for economy

Ford ECOnetic

Offering superb economy, the Focus ECOnetic TDCi diesel engine combines low running costs with the great driving dynamics that Focus is famous for.

➤ **Ford EcoBoost petrol engine**
The story of less fuel, more power.

The 1.0-litre Ford EcoBoost – five times winner of an International Engine of the Year award.

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger traditional engines, but with much better fuel economy and lower emissions.

ST Line

➤ Focus ST-Line Red & Black Editions
Expressive styling.

Focus ST-Line Red & Black delivers the dynamic Ford Focus driving experience with additional eye-catching individuality. Unique body colour combinations and a beautifully crafted interior design, perfectly accentuate a personal image of both style and sport.

➤ Focus ST
Pure exhilaration!

The thrilling Ford Focus ST gives you an addictive driving experience. Choose from two powerful engines: the 250 PS 2.0-litre Ford EcoBoost or the 185 PS 2.0-litre Duratorq TDCi (available with PowerShift transmission).

250 PS
0-62 mph 6.5s

ST

➤ Focus RS
**Fierce. Elemental.
Awe-inspiring.**

Ford Focus RS sets the benchmark for driver exhilaration. The specially engineered 2.3-litre engine and innovative all-wheel drive system deliver more responsive power with superior traction and agility. Designed to maximise your experience of road and track, the Ford Focus RS delivers the greatest satisfaction to drivers serious about performance.

350 PS
0-62 mph 4.7s

5-door

Estate

Choose the right Focus for you

Now available in a wider range of series options than ever before, there is a Ford Focus to suit you, whatever your lifestyle priorities.

Style

Zetec

An elegant design, with impressive integrated technologies, and a superb range of engine choices, all contribute to the Ford Focus' highly regarded status.

Electric

Electric collection

Focus Electric available to order from Spring 2017.

Titanium

Titanium X

Luxury collection

The luxury collection delivers superior levels of sophistication and comfort, with premium materials and additional technologies.

ST-Line

ST

RS

Sport collection

From the distinctive exterior styling of the ST-Line, to the superb performance of the Focus ST and iconic RS models – view the Focus ST and RS brochures for more information.

Bodystyles

5-door, estate

Engines

Petrol: 1.0 Ford EcoBoost 100/125 PS, 1.6 Ti-VCT 85/105PS

Diesel: 1.5 Duratorq TDCi 95/120 PS, 1.5 Duratorq TDCi ECONetic 105 PS (ECONetic models only)

s Style

● **Standard exterior features**

- 16" design steel wheel
- Body colour door handles
- Silver roof rails (estate only)
- Power-operated door mirrors with side indicators and body colour housings
- Electronic Stability Control (ESC) with Traction Control and Emergency Brake Assist (EBA)
- Ford Easy-Fuel capless refuelling
- Torque Vectoring Control
- Hill Start Assist
- Remote control central locking
- Body colour rear spoiler (5-door)
- Ford Intelligent Protection System (IPS)
- Tyre Pressure Monitoring System
- Thatcham Category 1 alarm

● **Standard interior features**

- Stereo Radio/CD/DAB with 4.2" colour display, SYNC with voice control, six speakers and USB connectivity
- Manual air conditioning
- Driver and passenger seat back map pocket
- Driver's and front passenger's* airbags*
- Side impact airbags
- Front and rear side curtain airbags
- ISOFIX (child seat fixing points)
- Electrically operated front windows with one touch lowering on the driver's side
- Front floor mats

● **Manual air conditioning**

● **Ford Easyfuel**

*A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

*Front passenger's airbag deactivation is available as a Dealer-fitted option.

Engines

Petrol: 1.0 Ford EcoBoost 100/125 PS

Diesel: 1.5 Duratorq TDCi 95/120 PS

Zt Zetec

● **Key interior features additional to Style**

- 16" 5x2-spoke alloy wheel
- Chrome finish on upper door line
- Front upper grille with chrome surround
- Halogen projector headlights with black headlight bezel
- Quickclear heated windscreen
- Front fog lights

● **Key interior features additional to Style**

- Radio/CD/DAB with 8" colour display, and Ford SYNC 3 with Voice Control and Touchscreen
- Driver's seat with adjustable lumbar support
- Centre console with armrest, stowage compartments, plus 12-volt front and rear power sockets
- Sports-style front seats

● 16" alloy wheel

● Halogen projector headlights with black headlight bezel

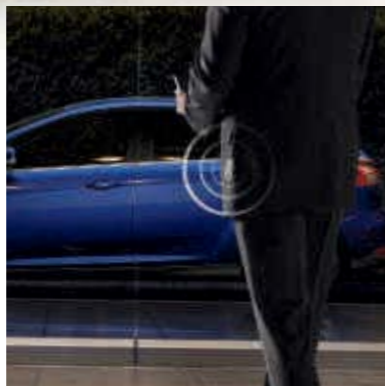

T Titanium

● Key exterior features additional to Zetec

- 16" 10 spoke alloy wheels
- Front fog lights with chrome surround
- Rain sensing wipers
- Automatic headlights and headlight courtesy delay
- Variable dimming on instrument cluster and auto dimming rear view mirror
- Rear parking distance sensors
- Active City Stop

● Key interior features additional to Zetec

- Premium centre console with armrest, stowage compartments, 12-volt front and rear power sockets, and leather-trimmed handbrake handle
- Dual-zone Electronic Automatic Temperature Control (DEATC) air conditioning
- Ford KeyFree System with Keyless Entry and Ford Power Starter Button
- Cruise control with Speed Limiter
- Ambient LED courtesy lights with theatre-style dimming
- Aluminium-finish scuff plates with 'Ford' logo
- Electrically-operated front and rear windows with global closing
- Rear seat folding centre armrest

● Keyless Entry

● Dual-zone Electronic Automatic Temperature Control (DEATC)

TX Titanium X

● **Key exterior features additional to Titanium**

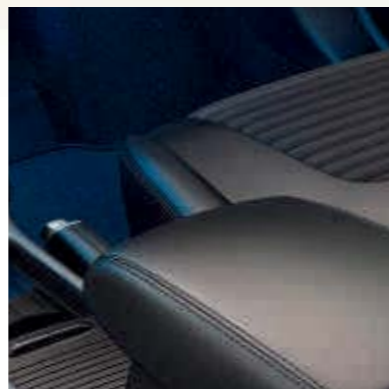

- 17" 15-spoke alloy wheels
- Adaptive Lighting with bi-xenon headlights and dynamic curve light
- Headlamp jet wash
- Dedicated LED daytime running lights
- Rear lights with LED technology
- Enhanced Active Park Assist with front and rear parking distance sensors

● **Key interior features additional to Titanium**

- Rear-view parking camera
- Partial leather trim
- Ambient LED courtesy lighting (multi-colour)
- Driver's 4-way power height and fore/aft seat adjust
- Passenger height and lumbar adjust
- Rear floor mats
- Heated front seats

● **Bi-Xenon headlights**

● **Partial leather seat trim**

SL ST-Line

● **ST-Line Standard exterior features vs Zetec**

- 17" Rock Metallic finish alloy wheels
- ST-Line side badges and front door scuff plates
- Full exterior bodystyling kit, unique mesh front grilles, and front fog lights
- Sports suspension
- LED daytime running lights
- Black roof rails (estate only)
- Power adjustable, heated door mirrors, with side indicators

● **Additional ST-Line Red & Black exterior features**

- 17" 5x2-spoke black alloy wheels
- Red painted callipers
- Privacy glass
- Power folding mirrors

● **ST-Line Standard interior features**

- ST-Line leather-trimmed steering wheel
- Sports-style, 4-way adjustable front seats with red stitching
- Leather-trimmed gearshift knob with black lettering
- Stainless steel sports pedals
- Black headliner
- Ford Power Starter Button

● **Additional ST-Line Red & Black interior features**

- Leather-trimmed ST-Line 3-spoke steering wheel, handbrake grip and gearshift knob – all with red contrast stitching
- Front and rear floor mats with red contrast stitching

● **ST-Line Red & Black**

● **Leather-trimmed steering wheel with Paddle shifters on automatic transmissions**

ST ST

● **Standard ST-1 features**

- 18" Unique ST alloy wheels
- Recaro sports front seats with fabric trim
- Ford SYNC with 4.2" TFT display
- ST designed body styling kit
- Sports suspension
- Keyless start
- ST Unique, leather-trimmed steering wheel and gearshift knob
- Auxiliary dials on dashboard featuring turbo boost, oil pressure and oil temperature

ST-2

● **Features above ST-1**

- SYNC 3 with 8" touchscreen DAB audio system
- Recaro sports front seats with partial leather trim
- Quickclear windscreen
- Dual Zone Electronic Temperature Control (DEATC)
- LED daytime running lights
- Automatic headlights
- Rain sensing wipers
- Paddle shifters and cruise control on Powershift models

ST-3

● **Features above ST-2**

- Bi-Xenon headlights with adaptive front lighting and jetwash
- Recaro heated front sports seats with leather seat facing
- Cruise control with speed limiter
- Rock Metallic alloy wheels with red painted brake callipers
- Power folding mirrors
- Keyless entry
- Rear parking distance sensors
- Drive and passenger 8-way power adjustable seats

● **ST unique auxiliary dials**

Engines

- 2.0 Ford EcoBoost 250 PS
- 2.0 Duratorq TDCi 185 PS

See our ST Range brochure for more information on the full Focus ST series line up.

Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime. Not available on Style or ST-1, optional on all other series

Traffic Sign Recognition

Part of the Lane-Keeping System, Traffic Sign Recognition is designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. Not available on Style or ST-1, optional on all other series

Lane-Keeping System (Lane-Keeping Alert and Lane-Keeping Aid)

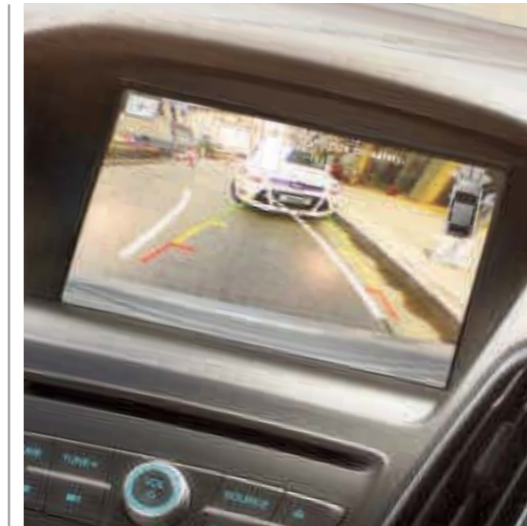

There are two key features of the Ford Lane-Keeping System. **Lane-Keeping Alert** is designed to help the driver keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is likely to happen. **Lane-Keeping Aid** is designed to apply steering torque back towards that lane, to help prevent an unintended lane departure. Lane-Keeping System is available at speeds over 40 mph on highways and interurban roads with visible markings, and can be overridden by the driver or the turn indicator at any time. Not available on Style or ST-1, optional on all other series

Bi-Xenon headlights

Bi-Xenon headlights are more powerful than conventional headlights and use less energy. Also includes static cornering lights and headlight washers, plus progressive beam, Auto High Beam*, dynamic bending, and LED daytime running lights. Standard only on Titanium X and ST-3

^oUses sensors.
*Progressive and Auto High Beams only available when front camera is fitted.

Rear-view camera

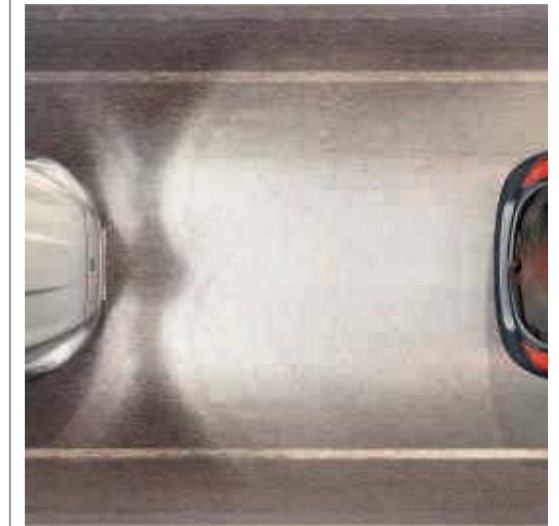

Select reverse gear and the rear-view camera comes on automatically in the navigation display, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car, based on the steering angle, for safer and easier manoeuvring. Standard on Titanium X or optional on all other series except ST-1

View our remarkable technologies in action at www.gofurther.com

Pre-Collision Assist^o

Active at all speeds, Pre-Collision Assist is designed to help you when it detects an imminent impact with a moving vehicle ahead. First it gives you a visual and audible warning, then, if you fail to react, applies the brakes. Available with Adaptive cruise control optional on Titanium and Titanium X

Low emissions

Diesel: 1.5 TDCi EConetic 105 PS (88 g/km)

Combining low running costs with great driving dynamics – the 1.5-litre TDCi EConetic diesel engine produces a power output of 105 PS, with only 88 g/km of CO₂ emissions.

Power PS
105 PS

0-62 mph
11.9 (secs)*

CO₂ emissions

M6= Manual 6 speed, M5= Manual 5 speed, PowerShift= Automatic 6 speed

The fuel economy figures quoted are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like for like basis. Fuel consumption is directly affected by the length of the journey, number of passengers and amount of load carried, individual driving style, road and traffic conditions, weather conditions, vehicle age, mileage, condition and standard of maintenance, use of vehicle features such as air conditioning and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and for these reasons many drivers may not achieve the EU fuel economy figures in day to day driving although the vehicle is technically capable of doing so.

*In 4th gear. †Ford test figures. **The declared Fuel Consumptions and CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. DPF = diesel particulate filter.

M5= Manual 5 speed, M6= Manual 6 speed, PowerShift= Automatic 6 speed

The fuel economy figures quoted are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like for like basis. Fuel consumption is directly affected by the length of the journey, number of passengers and amount of load carried, individual driving style, road and traffic conditions, weather conditions, vehicle age, mileage, condition and standard of maintenance, use of vehicle features such as air conditioning and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and for these reasons many drivers may not achieve the EU fuel economy figures in day to day driving although the vehicle is technically capable of doing so.

*In 4th gear. ¹Ford test figures. ²The declared Fuel Consumptions and CO₂ emissions are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. **DPF** = diesel particulate filter.

*The wheel you choose will be fitted with the tyre size noted, but no choice of tyre brand is available. Note: The 18" wheels and tyres available on Ford Focus are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16 and 17" wheels. All 18" wheels require steering rack limiter (factory and dealer fit).

**We chose
Deep Impact Blue.
What will you
choose?**

The Ford Focus owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective topcoat, new materials and application processes ensure your Focus will retain its good looks for many years to come.

*Premium and Exclusive body colours are options at extra cost. The Ford Focus is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions. Note: The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours due to the limitations of the printing processes used.

**Want to try different
Focus configurations?**

**Sit back and relax
in comfort.**

The look and feel of interior materials plays a large part in appreciating the overall driving experience. That's why great care has been taken in designing and crafting the trims for your Ford Focus.

*The wheel you choose will be fitted with the tyre size noted, but no choice of tyre brand is available. **Note:** The 18" wheels and tyres available on Ford Focus are designed to deliver more sporting driving characteristics and a firmer ride quality compared to standard 16 and 17" wheels. All 18" wheels require steering rack limiter (factory and dealer fit).

Standard ■

Option ☐

Part of an option pack, at extra cost ☐

Rear roof spoilers

Larger roof spoilers are available for the Focus 5-door and Estate, enhancing the contours of the Ford Focus by giving an aerodynamic and sporty finish to the roof line (Option and accessory).

Load retention systems*

Robust retention systems keep luggage in the load compartment of your Ford Focus estate. Behind the second row a net (option and accessory) and a guard (accessory) can be installed. This guard can even be extended with a longitudinal load compartment divider (accessory). For fitment behind the first row, only a guard is available (accessory), but it requires the fixation brackets ordered ex-works (option).

Tow bars

The retractable tow bar is constantly stored out of sight below the rear bumper and will be electrically-released when needed for towing, thereby retaining the car's sleek looks. Also available is a detachable tow bar as well as fixed tow bar. All three variants are available as an option and accessory. While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

Rear bumper protection

The stainless steel design plates help protect against daily wear and tear while giving a stylish premium touch to the exterior. (Accessory)

Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers (accessory) are available, as well as roof bars for estates fitted with roof rails (option and accessory). They form the basis for various available roof attachments. (Accessory)

Load compartment protection

When transporting wet and dirty items you should protect your load compartment. Reversible mats are available, featuring a carpet as well as a durable rubber surface on the other side (option and accessory). Even more hard-wearing, are boot liners with up to 80 mm high edges. (Accessory)

Uebler® rear bike carrier

High-quality tow bar-mounted bike carrier. Features practical tilting mechanism for easy access to the load compartment. (Accessory)

Mud flaps

Contoured mud flaps help to keep your Ford Focus clean by reducing road spray and stone chips. Available as sets for front and rear. (Option and accessory)

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain. (Accessory)

Rubber floor mats

Rubber floor mats are tailor made and help protect against dirt and damp. When securely fixed directly onto the vehicles floor, the rubberised is designed to not slip and interfere with the pedals. (Accessory)

For a comprehensive list of accessories visit www.ford-accessories.co.uk

*Designed to meet European ECE-R17. 08/ISO 27955 safety requirements.

*Item covered by third party supplier's warranty, please see back cover for details. For a range of Ford branded items – from clothing to lifestyle products and model cars – visit www.fordlifestylecollection.com
