Titanium X with optional 18" alloy wheels and Moondust Silver premium body colour.

Travel in first class.

360°

Titanium with standard 17" alloy wheels and Ruby Red exclusive body colour.

A new dimension in space and comfort.

Connects with your voice,  
responds to your touch.

The new Ford **SYNC 3 with Voice Control and 8" Touchscreen\*** enhances the sophisticated driving experience of your Galaxy. The system lets you control everything from interior climate to satellite navigation<sup>o</sup>. SYNC 3 will even manage phone calls, and text messaging – all through remarkably simple voice commands. The intuitive 8" colour touchscreen display is able to integrate with your smartphone applications using Applink, Apple CarPlay and Android Auto – allowing you to configure your home screen just the way you want it. While Emergency Assistance<sup>†</sup> will help occupants place an emergency call to provide the emergency services with vehicle location in their own language. (Satellite Navigation is available as an option on Zetec, but standard on Titanium and Titanium X)

\*SYNC 3 is standard on Zetec, Titanium and Titanium X.

<sup>o</sup>Satellite navigation is standard Titanium and Titanium X (optional on Zetec).

\*\*Live Traffic is free for 2 years, and only available through SYNC 3 with optional navigation.

<sup>†</sup>Ford Emergency Assistance operates in over 40 European countries. This feature works when paired with a compatible connected mobile phone that is with you and switched on, when an airbag is deployed or a sensor that registers a crash deactivates the fuel pump. SYNC Applink and Emergency Assistance are not supported by all European languages. See your local Ford website for latest information. Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Some touchscreen functions shall not be used by the driver whilst driving.

## Makes parking a breeze.

Simply push the **Active Park Assist** button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while all you do is operate the accelerator, gears and brake (following on-screen instructions and audible signals).

(Standard on Titanium X. Optional on Zetec and Titanium).

### Perpendicular parking

### Parallel parking

## Intelligent All-Wheel Drive.

Ford Galaxy's **Intelligent All-Wheel Drive (AWD)** system continually monitors where power is needed, and automatically applies the required torque to each individual wheel for added confidence, whatever the road conditions.

A special display on the cluster panel shows the power distribution between all four wheels. (Standard on AWD models)

The luxury of power with economy.

**High power bi-turbo diesel engine**

All Ford Galaxy diesel models impress with their refined power, responsiveness and fuel economy. The acclaimed engine line up, starting with the competitive 120 PS, ranges to the high-power 210 PS 2.0 Duratorq TDCi unit, which employs our latest **bi-turbo technology** for an even more spirited performance.

## Reacts before you know it.

Using radar and a camera, **Pre-Collision Assist** keeps a watchful eye on the road ahead for cars and pedestrians. The system is designed to read the road conditions and can alert you to a potential collision. If you don't respond to the system's warning signals, the car will automatically apply the brakes to help avoid or reduce the effect of any impact. (Available as an option as part of Active City Stop).

## No ordinary headlight.

Ford Galaxy is available with our latest **Adaptive Lighting with Ford Dynamic LED headlights** (available as an option on Titanium & Titanium X) The intelligent headlight system can detect different road conditions and selects the appropriate beam pattern for enhanced illumination. While the **dynamic curve light** throws the beam inside the curve to let you see further and sooner. The headlights also incorporate new **daytime running lights**. These distinctive lights have three LED strips that also function as turn indicators, flashing sequentially towards the direction of turn.

# Drive on high beam without the dazzle.

**Glare-free high beam** lets you drive on high beam without dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to protect other road users from glare, while illuminating the remainder of the road for greater visibility.

## 1. Preceding traffic

The front camera detects the light source from vehicles travelling ahead and automatically fades out individual portions of the high beam light to avoid dazzling other drivers.

## 2. Oncoming traffic

High beam remains active in all areas of the road around the identified vehicle, helping to illuminate objects such as parked cars or pedestrians that may normally be hidden.

(Available as an option on Titanium and Titanium X as part of Adaptive LED Headlights).

## Experience life in high definition.

Enjoy the beauty of the outdoors from the comfort of your Ford Galaxy. A full-length glass panorama roof (standard on Titanium X, optional on Zetec and Titanium) lets the sun shine in and offers plenty of fresh air too, thanks to its electrically-operated sliding action. A Solar Reflect coating and powered sunblind provide shade and privacy when required.

## Galaxy Zetec

### Exterior features

- 17" 20-spoke alloy wheels
- Front fog lights
- Upper front grille with chrome surround
- Headlight courtesy delay
- Daytime running lights
- Electrically-operated and heated auto-fold door mirrors with body colour housings, side indicators and puddle lights
- Remote control central locking
- Thatcham Category 1 alarm with volume-sensing perimeter alarm
- Black-finish roof rails
- Dual exhaust
- Front and rear parking distance sensors

### Interior features

- Ford DAB Audio System, Radio/CD with single CD, AM/FM tuner with DAB, Ford SYNC 3, 8" TFT LCD touchscreen, media hub with AUX jack, 2 USBs and SD card slot, and 8 speakers
- Ford Power Starter Button
- Dual-zone Electronic Automatic Temperature Control air conditioning, plus rear compartment air conditioning
- Power-operated front and rear windows with global opening/closing and one-shot up/down
- Gearshift Indicator light
- Overhead console with sunglasses stowage and child watch mirror
- Front seat back tray tables
- Front door scuff plates
- Carpet floor mats, front
- Second-row reading lights
- Driver's and front passenger's♦ front and side airbags
- Driver's knee bolster airbag, first-, second- and third-row side curtain airbags
- Tonneau cover
- Third-row rear seats with manual fold flat, slide and recline, and manual easy entry to the third row
- Quickclear heated windscreen

### Galaxy Zetec engine choices

- Petrol:  
1.5 EcoBoost 160 PS
- Diesel:  
2.0 Duratorq TDCi 120 PS  
2.0 Duratorq TDCi 150 PS

♦Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the second-row seats.

## Galaxy Titanium

### Exterior features additional to Zetec

- 17" 5x2-spoke alloy wheels
- LED daytime running lights
- Lower front grille with chrome surround
- Rear privacy glass
- Chrome side window lower trim
- Chrome-finish roof rails
- Automatic headlights including Auto High Beam
- Keyless Entry system
- Automatic rain sensing front windscreen wipers with variable adjustment

### Interior features additional to Zetec

- Ford DAB Navigation system, Radio/CD with single CD, AM/FM tuner, DAB Radio and TMC (Traffic Message Channel), Ford SYNC 3, 8" TFT LCD touchscreen, USB port and SD card slot, and 8 speakers
- 10.1" colour TFT cluster display
- Interior ambient lighting
- Velours floor mats, front and rear
- Lane Keeping System (including Lane Keeping Aid, Auto High Beam, Driver Alert and Traffic Sign Recognition)
- Cruise control (includes Speed Limiter and Intelligent speed assistance)

### Galaxy Titanium engine choices

- Petrol:  
1.5 EcoBoost 160 PS
- Diesel:  
2.0 Duratorq TDCi 150 PS  
2.0 Duratorq TDCi 180 PS

10.1" colour TFT cluster display  
(Standard)

Mesh lower front grille with chrome surround  
(Standard)

## Galaxy Titanium X

### Exterior features additional to Titanium

- Electrically-operated opening panorama roof with power sunblind
- 17" 10-spoke alloy wheels
- Power tailgate (button and key fob operated)
- Rear-view camera

### Interior features additional to Titanium

- Salerno Leather seat trim in a choice of Ebony or Ceramic colours
- 10-way power driver seat (with memory) and 8-way power passenger seat adjustment
- Variable heated driver and front passenger seat
- Active Park Assist with Parallel (includes Park Out Assist) and Perpendicular parking

### Galaxy Titanium X engine choices

- Petrol:  
2.0 EcoBoost 240 PS
- Diesel:  
2.0 Duratorq TDCi 150 PS  
2.0 Duratorq TDCi 180 PS  
2.0 Duratorq TDCi 210 PS

Electrically-operated opening panorama roof with power sunblind  
(Standard)

Active Park Assist  
(Standard)

More of what you deserve.

### Ford SYNC 3 with Voice Control and 8" Touchscreen

Phone, entertainment, navigation (where fitted as standard or as option at extra cost), climate. Control it all via the 8" full-colour touchscreen or by using easy voice commands. Standard across the range.

### Adaptive Lighting with Ford Dynamic LED headlights

Detects different road conditions and selects the appropriate beam pattern. While the **dynamic curve light** throws the beam inside the curve to let you see further and sooner. The headlights also incorporate **daytime running lights**, with three LED strips that also function as turn indicators, flashing sequentially towards the direction of turn. Available as an option on Titanium and Titanium X.

### Hands-free Power Tailgate

Opening or closing Galaxy's tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will open and close without you having to touch a thing. Available as an option across the range.

### Adaptive Steering

Designed to adjust the steering ratio to match the car's speed. At lower speeds, a small turn of the steering wheel translates into a big turn of the front wheels, making parallel parking a breeze. At higher speeds, the steering wheel must be turned further for the same effect, enhancing directional stability and ride comfort. Available as an option on Titanium and Titanium X.

**Blazer Blue**  
Standard body colour

**Shadow Black**  
Premium body colour\*

**Frozen White**  
Premium body colour\*

## We chose Magnetic. What will you choose?

Ford Galaxy owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your Galaxy will retain its good looks for many years to come.

**Magnetic**  
Premium body colour\*

\*Premium and Exclusive body colours are available at extra cost.  
The Ford Galaxy is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

**Note:** The car images used are to illustrate body colours only and may not reflect current specification or product availability.  
Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

# Made to measure.

Inside the Ford Galaxy sound absorption materials create a place of harmony and control.

- 1. Solitude in Ebony for Zetec
- 2. Axis in Ebony for Titanium
- 3. Salerno leather in Ebony for Titanium X
- 4. Salerno leather in Medium Soft Ceramic
- 5. Salerno Micro Perf leather in Ebony for Titanium X (only available with Multi Contour Seat option)
- 6. Salerno Micro Perf leather in Medium Soft Ceramic for Titanium X (only available with Multi Contour Seat option)
- 7. Salerno leather with Miko Suede 712 Perf in Ebony (Not available in UK)

**Power drivers seat with memory**  
Getting in and out of the new Galaxy Titanium X is made easier by the **10-way power-operated driver's seat with memory function**, it always returns to your ideal driving position.

Model shown is a Titanium X with Salerno Leather in Ebony seat trim

## Less drag, less fuel

### Active Grille Shutter

To reduce wind resistance, the Active Grille Shutter automatically opens and closes to control the amount of cooling air entering the engine compartment. The result? Faster engine warm-up times and a reduction in aerodynamic drag for better fuel economy.

## Exterior features

	Zetec	Titanium	Titanium X
<b>Exterior design features</b>			
Black finish on upper doorline	●	-	-
Chrome finish on doorline	-	●	●

● = Standard, ○ = Optional, at extra cost, □ = Part of option pack, at extra cost.

### Load floor net

Elasticated net attaches to tie-down hooks in the load compartment. Helps to secure smaller items. (Accessory)

### Load compartment mat

Reversible design offers choice of carpet or durable rubber surface ideal for carrying wet or dirty items. Also offers fold-out bumper protection. (Option and Accessory)

### Load retention system

Robust retention systems meeting European ECE-R17/ISO27955 safety requirements keep items of luggage safely in the load compartment. A net can be ordered for fitment behind the second row of seats, while a guard is available for fitment behind either first or second row. (Option and accessory). (Not available in conjunction with Tri-zone Electronic Automatic Temperature Control).

### Tow bars

Ford's power-operated retractable tow bar automatically stows itself out of sight below the rear bumper when not in use, retaining the car's sleek looks. (Accessory not in combination with load levelling). Also available as a detachable tow bar (Option and Accessory) and a fixed tow bar (Accessory). While towing, the standard Electronic Stability Control (ESC) ensures the trailer sway is counteracted.

### Mud flaps

Contoured mud flaps help to keep your Ford Galaxy clean by reducing road spray and stone chips. Available as sets for front and rear. Not in combination with body styling kit. (Option and Accessory)

### Cross bars, for roof rails

Sturdy and lockable cross bars allow you to transport loads safely and easily. The cross bars are only available in combination with roof rails, and form the basis for various available roof attachments. (Accessory)

### Rubber floor mats

All-weather rubberised floor mats are tailor-made to fit perfectly and protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the mat cannot slip and interfere with the pedals. (Accessory)

### Heated steering wheel

Warms up at the touch of a button to add another layer of comfort between you and the cold outside. Available as an option. (must also have heated front seats selected as an option on Zetec & Titanium).

## Arrive refreshed and invigorated

### Multi-contour front seats

Built into the front seats are 11 pneumatic cushions, arranged to provide extra support, comfort and, when required, give you a massage. Operated via the 8" colour touchscreen, they can massage your upper back, lower back, bottom and thighs to help prevent muscle fatigue on long journeys. Both front seats are covered in perforated leather and include a cooling and heating function and 10-way power adjustment. (Available as an option on Titanium X. Must be ordered with Sony DAB Navigation system.)

## Connect with your world

A choice of superb audio, navigation and entertainment systems, with built-in connectivity for your gadgets, lets you fill your Ford Galaxy with your favourite music and connect to the outside world.

### Remote audio controls

Keep your hands on the wheel and your MP3 on the right track. (Remote audio controls and MP3 connection are standard)

### SYNC 3 with all new HMI

The improved SYNC 3 8" touchscreen is more responsive and supports multi-touch gestures such as 'swipe' and 'pinch-to-zoom'. And the new 3D map view with intuitive one-box search tool makes navigation easier with SYNC 3.

(This feature should not be activated by the driver, whilst driving).

### SYNC 3 with Voice Control and Touchscreen

The new SYNC 3 system supports enhanced voice control capability, while Bluetooth® and USB connectivity, along with Applink, Apple CarPlay and Android Auto, all allow you to integrate the SYNC 3 system with your smartphone. This means you can control music, manage your calls, text messaging, and phone Apps, satellite navigation (optional on Zetec, standard on Titanium and Titanium X) and climate control – all with the simplest of voice commands.

### Customise your home screen settings

Customise the SYNC 3 home screen by arranging application icons and background displays just as you would on your tablet or smartphone. You can also switch between daytime and night modes, as well as tailor presets for multiple users.

## Smart technology

The Ford Galaxy comes with an impressive list of technologies designed to make life easier for you and those around you.

### 1. Front Wide-view camera

Provides an extensive view from the very front of your car to the left- and right-hand sides. Particularly useful at junctions and when driving forwards out of parking spaces where your lateral view is impaired. (Available as an option)

### 2. Traffic Sign Recognition\*

Designed to automatically read standard format road-speed signs and display the posted speed limit in the instrument cluster. (Standard on Titanium and Titanium X)

### 3. Blind Spot Information System with Cross Traffic Alert\*\*

As another vehicle – a car, van or lorry – enters your blind spot, the system is designed to alert you with a warning light built into the driver's and passenger's door mirrors. (Available as an option).

### 4. Active Park Assist\*

Ultrasonic sensors confirm whether the gap is large enough to park in and the steering is then automatically controlled while you operate the pedals. (Standard on Titanium X, optional on Zetec and Titanium).

### 5. Pre-Collision Assist\*

Uses the forward-facing camera and radar to identify potential frontal collisions. Provides an audible and visual warning, pre-charges the braking system and can automatically apply the brakes if you fail to react. (Optional across the range).

### 6. Lane Keeping System (includes Lane-Keeping Alert and Lane-Keeping Aid)\*\*

Designed to recognise when you approach lane markings without using the indicator, and alerts you with vibrations through the steering wheel. If the system detects that an unintentional lane change is likely to occur, it is designed to apply a steering torque back towards the lane you were in. (Standard on Titanium and Titanium X, optional on Zetec).

### 7. Intelligent Speed Limiter\*

When activated, the system automatically restricts the vehicle speed to the speed limit detected by the Traffic Sign Recognition system. The driver can also select a top speed tolerance in addition to the detected speed limit. (Optional on Zetec, Standard on Titanium and Titanium X).

### 8. Ford MyKey®

This innovative feature lets you tailor and limit car settings – like top speed and audio volume – to suit individual users. This can help prevent the car being used in a manner that could detract from good and safe driving.

### 9. Rear-view Camera

Select reverse gear and the rear-view camera comes on automatically in the centre stack display, allowing you to see objects behind your car. Special guidance graphics indicate the width and centre line of the car to help you manoeuvre more easily and safely. (Standard Titanium X, optional on Titanium).

\*Uses sensors.

\*Designed to operate at speeds above 6mph.

\*\*Operates at speeds over 40mph on multi-lane roads with clearly visible lane markings.

## Safety and security

## Helps you find a space. And get in. And get out again

### Active Park Assist

Can help you either to parallel park, or park perpendicular to the road. Once activated, the enhanced system can help locate a suitable space as you drive past. It automatically steers you in, while you operate the pedals (following on-screen and audible signals).

### Park-Out Assist

Designed to help you get out of a parallel parking space in the same way.

# Improved response

## High Power bi-turbo diesel engine

Efficient, refined and powerful, the high-power 210 PS Duratorq TDCi diesel engine delivers significantly higher outputs and lower fuel consumption than a conventional diesel. The electronically-controlled sequential bi-turbo design helps ensure optimum efficiency, with both smooth and strong acceleration across the speed range, and excellent performance feel.

All our engines – petrol and diesel – are equipped with Auto-Start-Stop that automatically cuts off the engine when the car comes to a stop, further reducing exhaust emissions and fuel consumption.

## Fuel and performance

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

	Euro Stage	Transmission	Maximum Power PS (kW)	Torque Nm	CO <sub>2</sub> emissions (g/km) <sup>90</sup>	Fuel consumption in MPG (L/100 km) <sup>90</sup>			Performance <sup>a</sup>		
						Urban	Extra Urban	Combined	Max. speed (Mph)	0-62 mph (secs)	31-62 mph* (secs)
1.5 EcoBoost 160 PS	Stage VI	M6	160 PS (117 kW)	240	149	35.3 (8.0)	50.4 (5.6)	43.5 (6.5)	124	10	10.5
2.0 EcoBoost 240 PS	Stage VI	A6 (Auto)	240 PS (176 kW)	345	180	27.4 (10.3)	43.5 (6.5)	35.8 (7.9)	140	8.6	n/a
2.0 Duratorq TDCi 120 PS	Stage VI + DPF	M6	120 PS (88 kW)	310	129	50.4 (5.6)	61.4 (4.6)	56.5 (5.0)	114	13.6	13.1
2.0 Duratorq TDCi 150 PS	Stage VI + DPF	M6	150 PS (110 kW)	350	129	50.4 (5.6)	61.4 (4.6)	56.5 (5.0)	123	10.9	10.9
2.0 Duratorq TDCi 150 PS	Stage VI + DPF	M6 AWD	150 PS (110 kW)	350	139	46.3 (6.1)	57.7 (4.9)	52.3 (5.4)	122	12.2	11.7
2.0 Duratorq TDCi 150 PS	Stage VI + DPF	MPS6	150 PS (110 kW)	350	139	46.3 (6.1)	57.7 (4.9)	52.3 (5.4)	122	10.9	n/a
2.0 Duratorq TDCi 180 PS	Stage VI + DPF	M6	180 PS (132 kW)	400	129	50.4 (5.6)	61.4 (4.6)	56.5 (5.0)	131	9.8	9.7
2.0 Duratorq TDCi 180 PS	Stage VI + DPF	MPS6	180 PS (132 kW)	400	139	46.3 (6.1)	57.7 (4.9)	52.3 (5.4)	129	9.6	n/a
2.0 Duratorq TDCi 180 PS	Stage VI + DPF	MPS6 AWD	180 PS (132 kW)	400	149	44.1 (6.4)	52.3 (5.4)	48.7 (5.8)	128	10.6	n/a
2.0 Duratorq TDCi 210 PS	Stage VI + DPF	MPS6	210 PS (154 kW)	450	144	44.8 (6.3)	55.4 (5.1)	51.4 (5.5)	135	8.9	n/a

M6 = 6-speed manual, M6 AWD = 6-speed manual with Intelligent All Wheel Drive, MPS6 = PowerShift 6-speed automatic, MPS6 AWD = PowerShift 6-speed automatic with Intelligent All Wheel Drive, A6 = Automatic. <sup>a</sup>In 4th gear. <sup>90</sup>Ford test figures. <sup>90</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>. Auto-Start-Stop is a standard feature across all series.

# Ford EcoBoost International Engine of the Year 2016

## Ford EcoBoost engines

The diamond-like coating on the piston rings reduces friction; the turbocharger, direct injection and variable valve timing boost efficiency. The result is remarkable performance from such an economical petrol engine. For example, the 1.5 EcoBoost engine develops 160 PS, yet achieves a combined fuel consumption of 43.5 mpg\*

\*Ford test figures (manual transmission).

## Weights and loads

	Euro Stage	Kerbweight (kg) <sup>†</sup>	Gross Vehicle Mass (kg)	Gross Train Mass (kg)	Max. Towable Mass (braked) (12%*) (kg)	Max. Towable Mass (unbraked) (kg)
1.5 EcoBoost (160 PS) 6-speed manual 4x2	Stage VI	1708	2510	4110	1600	750
2.0 EcoBoost (240 PS) 6-speed auto 4x2	Stage VI	1733	2585	4385	1800	750
2.0 Duratorq TDCi (120 PS) 6-speed manual 4x2	Stage VI + DPF	1755	2570	4070	1500	750
2.0 Duratorq TDCi (150 PS) 6-speed manual 4x2	Stage VI + DPF	1755	2600	4600	2000	750
2.0 Duratorq TDCi (150 PS) 6-speed manual 4x4	Stage VI + DPF	1813	2655	4655	2000	750
2.0 Duratorq TDCi (150 PS) PowerShift 6-speed auto 4x2	Stage VI + DPF	1760	2600	4600	2000	750
2.0 Duratorq TDCi (180 PS) 6-speed manual 4x2	Stage VI + DPF	1757	2600	4600	2000	750
2.0 Duratorq TDCi (180 PS) PowerShift 6-speed auto 4x2	Stage VI + DPF	1760	2600	4600	2000	750
2.0 Duratorq TDCi (180 PS) PowerShift 6-speed auto 4x4	Stage VI + DPF	1841	2685	4685	2000	750
2.0 Duratorq TDCi (210 PS) Powershift 6-speed auto 4x2	Stage VI + DPF	1779	2620	4620	2000	750

<sup>†</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Nose weight limit** is a maximum of 90 kg on all models. **Gross Train Mass** includes trailer weight. \*Gradient at sea level. All powertrains listed above have Auto Stop Start featured as standard.

## Dimensions

Exterior (mm)	
Overall length without towbar	4848
Overall width with/without mirrors	2137/1916
Overall height (unladen)	1747
Turning circle – kerb-to-kerb (m)	11.6*
Luggage capacity (litres) <sup>†</sup>	
7-seat mode (laden to top of seat)	300
5-seat mode (laden to roof) (nominal/max.)	1206/1301
2-seat mode (laden to roof)	2339
Fuel tank capacity (litres)	
Petrol	66.2
Diesel	68.1**

<sup>†</sup>Measured in accordance with ISO 3832. Dimensions may vary dependent on the model and equipment fitted. \*12.3m with 19" Alloy wheels. \*\*64.4 on AWD variants.

Finance subject to status. Guarantee/indemnities may be required. Freepost Ford Credit.

Ford Credit is a trading style of FCE Bank plc. which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

Ford Lease is provided by ALD Automotive Ltd, trading as Ford Lease, Oakwood Park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. ALD Automotive is registered in England No. 987418. For the purposes of the Data Protection Act 1998 the data controllers in relation to any information you supply are Ford Motor Company Limited, FCE Bank plc and ALD Automotive. Finance subject to status. Guarantees and indemnities may be required. ALD Automotive is authorised and regulated by the Financial Conduct Authority in respect of general insurance products.

## Choose

Specify your new car right down to the wheels, audio, options and accessories then visit your Ford dealer.

You can specify your new car online using the Ford Configurator. It lets you instantly see what your car will look like – inside and out – from multiple angles. And a tally of your choices and their prices helps you keep to your budget. Visit [www.ford.co.uk/ConfigureyourCar](http://www.ford.co.uk/ConfigureyourCar)

## Finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit provides a range of finance products for your car whether you are a private or business user.

Ford Lease specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business. Business users only.

For more information about our finance products visit [www.ford.co.uk](http://www.ford.co.uk)

## Drive

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

## Contact

Ford Credit Customer Services 0345 712 5490

Ford Lease Customer Services 0344 600 1405

Calls to 0344 and 0345 numbers are charged at the same rate as standard 01 or 02 geographic numbers, even when calling from a mobile.

To configure your Ford online visit

[www.ford.co.uk/ConfigureyourCar](http://www.ford.co.uk/ConfigureyourCar)

To look at finance for your Ford visit [www.fordcredit.co.uk/BuyingAndProtectingYourFord](http://www.fordcredit.co.uk/BuyingAndProtectingYourFord)

Business users visit [www.ford.co.uk/FordFleet](http://www.ford.co.uk/FordFleet)

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **✦**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.

A Smarter Way to Move.
