Moondust Silver*

Express yourself with colour.

The KA+ Colour Edition series takes all of the urban practicality and playful charisma of KA+ and wraps it with additional eye-catching style. Choose from a host of vibrant body colours with black contrasting roof and door mirror caps. While additional details include a large body colour rear spoiler, unique lower side stripes, meshed front grille, and special 15" alloy wheels – all emphasising the car's unique sports-inspired character.

Standard features:

- Special 5x2-spoke 15" alloy wheels
- Black contrasting roof and door mirror caps
- Large body colour rear spoiler
- Unique lower side stripes
- Front fog lights
- Daytime running lights
- Hill Start Assist
- Rear privacy glass
- Ford DAB Radio with 4.2" TFT Screen, SYNC with Applink, Voice Control System and Emergency Assistance*
- Leather-trimmed steering wheel
- Cruise control
- Air conditioning
- MyKey
- Perimeter alarm with remote central locking

Engine:

1.2 Ti-VCT 85 PS (63 kW)

Special 5x2-spoke 15" alloy wheels

Large body colour rear spoiler

Black contrasting roof and door mirror caps

*Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth® paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions. SYNC and Emergency Assistance not supported by all European Languages. See www.ford.co.uk for the latest information. Model shown left is KA+ Colour Edition in Moondust Silver premium body colour with EATC (options at extra cost).

*Optional body colours available at extra cost.

FORD KA+ COLOUR EDITION Engine information

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

	Euro Stage	Transmission	Maximum Power PS (kW)	Torque Nm	CO ₂ emissions (g/km) ⁹⁰	Fuel consumption in MPG (L/100 km ⁹⁰)			Performance ^a			
						Urban	Extra Urban	Combined	Max. speed (mph)	0-62 mph (secs)	30-62 mph* (secs)	
5-door												
1.2 Ti-VCT (85 PS)	Stage 6	M5	85 (63)	112	120	40.9 (6.9)	67.2 (4.2)	54.3 (5.2)	105	13.3	18.0	

*In 4th gear. ^aFord test figures. ⁹⁰The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth[®] word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
