Individual

Make your mark

With its distinctive good looks and renowned driving dynamics, the Ford Mondeo has more than its fair share of admirers. Now you can add to its desirability with a choice of specially-created Ford Individual options. Select from a range of Interior Styling Packs, available in four exquisite colour combinations, an Exterior Styling Pack (available as standard on Mondeo Titanium X Sport and available as an accessory), rear seat MultiMedia DVD system and unique Ford Individual alloy wheels. Whichever option or accessory you choose, they represent a delightful combination of exclusive styling, high-grade materials and meticulous attention to detail, with an outstanding tactile quality that invites you to 'Feel the difference'.

An eye for detail

The four Ford Mondeo Individual Interior Styling Packs offer combinations of nappa and grained leather, with details including decorative piping or stitching with 'handmade' effect or sumptuous cross-stitching. This provides a unique look to each pack, complemented by the embossed Ford 'Individual' script on the front seatbacks and rear seat centre armrest. (Design/combination of details varies between the four pack versions)

Elegant luxury

Specially crafted to complement Ghia's appeal, the fabulous Mondeo Individual Beige/Dark Beige leather uses a blend of premium nappa and grained leather for the seat and door panel inserts, with precise 'handmade' effect detail stitching. The colour-coordinating inserts on seat facings and borders create a modern touch without detracting from the elegant design theme. Deep pile floor mats, with colour-coded surround, perfectly match the interior colour scheme and enhance the luxurious ambience. Polished stainless steel scuff plates, with 'Individual' script, make entering the Ford Mondeo a rewarding experience and are a feature of all Ford Mondeo Individual Interior Styling Packs.

Beautiful design can be practical too. So the Ford Mondeo Individual Interior Packs feature heated, 8-way power front seats with an adjustable lumbar support. And, to ensure that you always find your optimum driving position, the driver's seat and door mirrors incorporate a memory function that can recall your settings at the touch of a button.

The seats are further highlighted by distinctive 'handmade' effect stitching, contrasting Ebony detail piping and the embossed 'Individual' script.
