# A new expression of Ford.

Ford Vignale brings together award-winning design with a unique ownership experience.

Ford Vignale designers were influenced by trends from furniture to fashion to create this new expression of Ford. So it seemed only fitting that the Ford Vignale Collection should be showcased at the Salone del Mobile, the world's leading furniture design expo held in Milan. Inspired by design cues from Ford Vignale cars, the collection includes the **Ford Vignale Weekender**, a luxury overnight bag that won the prestigious iF product design award 2014, bestowed on products that thoroughly prove their superior value.

product design award

2014

Ford  
VIGNALE

## Only found on a Ford Mondeo Vignale.

Whether you choose the four-door saloon or the estate, your Ford Mondeo Vignale will be distinguished with exclusive 19" alloy wheels (option), hexagonal-style mesh grille and dual exhausts\*. You can even order your Ford Mondeo Vignale in the unique Vignale Nocciola paint colour (option), shown here.

\*Dual exhausts not included on Hybrid Electric Vehicle model.

Discover a world made just for you.

Luxury comes as standard with Ford Mondeo Vignale. You are greeted by the Ford Vignale welcome screen and quilted leather seats with hexagonal design that are sumptuous and inviting. Exclusively sourced soft-touch leather extends across the dash, the instrument panel, centre console and armrest. This is a full leather interior in the truest sense, combining the craftsmanship of traditional coach building with the best in contemporary design.

## Your dedicated Ford Vignale Relationship Manager.

It's only at a **Ford Store** that you can enjoy the full Ford Vignale experience. In the tranquil environment of the **Ford Vignale Lounge**, you can sample exclusive materials and colours, and discover exciting features and technologies. To help you on the journey, a specially-trained **Ford Vignale Relationship Manager** will provide a personalised service tailored to your requirements, and will remain your single point of contact to ensure your Ford Vignale ownership is a delightful experience.

## A place in which to relax and reflect.

The cabin of the Ford Mondeo Vignale is an oasis of calm. The sophisticated suspension absorbs uneven road surfaces and dampens unwanted vibration. Acoustic glass reduces other external noises by several decibels. Another Ford Mondeo Vignale highlight is the **Active Noise Control\*** that helps to diminish any sound that manages to make it into the cabin. Three concealed microphones pick up background noise, which is then cancelled out with inverted sound waves played back through the audio system.

\*Active Noise Control system is not available on petrol models.

## Headlights that adapt to your environment.

Ford Mondeo Vignale headlights are designed to be as functional as they are beautiful. This intelligent headlight system detects different road conditions and selects the appropriate beam pattern for enhanced illumination. And when cornering, the headlight's **dynamic cornering** feature throws the beam around the curve to let you see further. The lower edge of the headlight features two LED strips: white daytime running lights and amber indicators that flash sequentially towards the direction of turn.

## Two engines. One philosophy.

Ford Mondeo Vignale gives you a choice of petrol or diesel engines. Both are united by a simple philosophy – superior performance and fuel economy. The **2.0 EcoBoost 240PS** petrol engine has a turbocharger, direct injection and a diamond-like coating on the piston rings to produce the same performance as a larger engine, but with better fuel economy and lower emissions. The **2.0 Duratorq TDCi 210PS** bi-turbo diesel engine helps to make Ford Mondeo Vignale one of the most fuel-efficient high-power cars in its class, achieving 56.5mpg\* with CO<sub>2</sub> emissions of just 130 g/km\*.

\*Figures quoted for 2.0 Duratorq TDCi 210 PS, 4 door saloon with 18"/19" alloy wheels.

## Parking perfection with Active Park Assist.

**Active Park Assist** can steer you into parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable parallel or perpendicular space as you drive past. Then it automatically steers you in, while all you do is operate the accelerator, gears and brake (following on-screen instructions and audible signals). **Park-out assist** helps you get out of a parallel parking space in the same way.

## Ford SYNC 2 awaits your command.

### **Ford SYNC 2 with Bluetooth, Voice Control and 8"**

**Touchscreen** lets you select music, control navigation and interior temperature, make and receive hands-free calls and choose contacts from your phone list – all with remarkably simple voice commands. It will even read out your incoming text messages. An important and potentially life-saving part of this system is Emergency Assistance\*. In the event of an accident, where the airbag is deployed or the fuel-pump is deactivated, the technology lets you make a direct call to the Emergency Services. When necessary, the system can call Emergency Services autonomously.

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags) or a sensor that registers a crash deactivates the fuel pump.  
**Note:** Text function and Emergency Assistance are not supported by all European languages.

## It's all about your time.

Ford Vignale recognises that time is your most precious commodity. That's why – from the outset – Ford Vignale brings you services and benefits to help enrich your time.

We can arrange an extended test drive, overnight or over the weekend, so that you can fully appreciate the vehicle's qualities. Furthermore, the handover of your new Ford Mondeo Vignale can be at the Dealership, your home or office – whichever is most convenient for you. Other Ford Vignale benefits include complimentary car washes at your Ford Dealership for the duration of your ownership.

## Let us take care of it.

As a Ford Vignale owner, you need only call **one number** to access everything relating to Ford Vignale Services. One call – day or night, seven days a week – to tell us what you want, and we will take care of it. You can, for example, call the number to arrange collection and delivery for servicing at a place of your choice. You can also arrange for a loan vehicle to be brought to the collection point, free of charge.

### The Vignale Difference

- Exclusive Ford Vignale Lounge
- Specially-trained Ford Vignale Relationship Manager
- Complimentary car washes
- One number for all Ford Vignale Services
- Collection and delivery for servicing
- Free delivery of loan vehicle

Ford Mondeo Vignale 4-door saloon.

Ford Mondeo Vignale 5-door estate.

## Bodystyles.

### Standard exterior features

- Unique Ford Vignale exterior styling
- Exclusive 18" alloy wheels
- Adaptive Lighting with Ford Dynamic LED headlights
- Unique fog lights with chrome surround
- Parking distance sensors, front and rear
- Rear-view camera
- Quickclear heated windscreen
- Traffic Sign Recognition
- Lane Keeping Aid
- Dual chrome exhausts (excluding HEV)
- Chrome roof rails (estate only)

### Standard interior features

- Full premium leather trim
- 10-way power-adjustable driver's seat with memory function
- Variable heated front seats
- Ford SYNC 2 with Voice Control and 8" Touchscreen
- Sony DAB Navigation with premium speaker system
- Ford KeyFree System with Ford Power Starter Button
- Ford Vignale welcome screen
- Ford Vignale scuff plates
- Enhanced ambient lighting
- Ford Vignale floor mats

Soft, supple and always welcoming.

Sourced from the finest hide suppliers, Ford Vignale leather offers a natural, glove-soft touch, and is quilted on the seats for an extra-sumptuous feel. Choose from Charcoal Black or Cashmere Cream.

**Vignale Black**  
Mica body colour

**Vignale Silver**  
Metallic body colour

**Vignale Nocciola**  
Metallic body colour\*

**Vignale White**  
Four-Coat metallic body colour\*

Nocciola is unique to Ford Vignale.  
Is it your colour?

Ford Mondeo Vignale owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective top coat, new materials and application processes ensure your Ford Mondeo Vignale will retain its good looks for many years to come.

\*Option at extra cost.

Your Ford Mondeo Vignale is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions.

**Note** The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of printing processes used.

## EXTERIOR FEATURES

Vignale

### Design features

- Door and side window surround – Chrome finish
- Door and tailgate handles – Body colour with chrome insert
- Dual exhausts – Chrome (excluding HEV)
- Fog lights – Unique Vignale appearance
- Upper grille surround – Unique Vignale appearance
- Bodyside mouldings – Chrome
- Door mirrors – Power-operated, heated, memory, and power foldable (dip on reverse) door mirror

### Wheels

- Alloy – 18" x 8.0 235/45 R18 tyres
- Alloy – 19" x 8.0 235/40 R19 tyres
- Mini steel Spare wheel
- Full size steel Spare wheel
- Locking wheel nuts

### Convenience features

- Headlights – LED Daytime running lights
- Headlights – Adaptive LED headlights
- Headlights – Auto-lighting (Auto On-Off Headlight) (Includes automatic wipers and Auto High Beam)
- Parking distance sensor(s) – Front and rear
- Power tailgate - button operated (estate)
- Rear-view camera
- Quickclear heated front windscreen

### Options

- Blind Spot Information System
- Active Park Assist

- Standard
- Optional, at extra cost

\*The wheel you choose will be fitted with the tyre size noted, but we are unable to offer a choice of tyre brand.

### Alloy wheels

- A.** 18" 10x2 spoke alloy wheels (Standard)
- B.** 19" 10 spoke alloy wheels (Option)

### Dynamic LED headlights

adjust to different driving conditions for optimal illumination.

# INTERIOR FEATURES

## Design features

- A-pillar – Fabric-covered
- Door handles – Chrome
- Gearshift knob – Leather-trimmed
- Steering wheel – Leather-wrapped
- Steering wheel – Heated
- Floor mats – Front and rear, 28 oz
- Sun roof – Power, tilt and slide (4-door only)
- Panorama roof – Laminated Infrared, power operated (estate only) (including global open and close)
- Scuff plates – Front door unique finish

## Convenience features

- Cruise control (including Speed Limiter)
- Adaptive Cruise Control (with pedestrian detection)
- Rear door – Manual sunblinds
- Load management system (tracks) (estate only)
- Power steering column with memory

Vignale

- Standard
- Optional, at extra cost

**Memory seat function**  
returns to your ideal driving position.

Optional **powered steering column** moves away for extra space when entering or exiting.

## COMFORT AND COMMUNICATION

Vignale

### Interior

Front seat – Driver 10-way power adjust (power fore/aft/up/down/tilt/recline/2-Way power lumbar) with memory (for track and recliner only) and variable heated seats

Front seat – Passenger 4-way manual adjust (manual fore/aft/up/down including lumbar adjust and variable heated seats

Front seat – multi contour massage (11 bladders) and variable climate front seats

Rear Inflatable seat belt

### Audio and communication systems

Sony radio/CD, single CD, AM/FM dual tuner radio with 5th channel phased diversity, DAB and TMC, DM8 display, 12 Sony speakers, navigation, SYNC 2 with Voice Control and Touchscreen (includes Emergency Assistance\*), AM/FM DAB in glass antenna

### Environment

Active Noise Control (HEV and all diesel engines)

Air conditioning – Dual-Zone Electronic Automatic Temperature Control (DEATC)

- Standard
- Optional, at extra cost

\*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you when an airbag is deployed (excludes knee airbags) or a sensor that registers a crash deactivates the fuel pump. Text function and Emergency Assistance not supported by all European languages. Compatible mobile phone required. See [www.ford.co.uk](http://www.ford.co.uk) for latest information.

### Premium sound system

includes a facia-mounted tweeter and concealed sub-woofer for superb sound reproduction.

**Ford SYNC 2 with Voice Control and 8" Touchscreen** lets you connect and control with simple voice commands.

Vignale

Safety

- Active City Stop<sup>1)</sup>
- Active Park Assist<sup>2)</sup>
- Anti-lock braking system (ABS)<sup>1)</sup> with electronic brake-force distribution (EBD)<sup>1)</sup>
- Blind Spot Information System<sup>1)</sup>
- Electronic Stability Control (ESC)<sup>1)</sup> with Traction Control<sup>1)</sup> and Emergency Brake Assist (EBA)<sup>1)</sup>
- Hill Start Assist<sup>2)</sup>
- Lane Keeping Alert<sup>2)</sup> (including Lane Keeping Aid<sup>2)</sup> and Driver Alert<sup>2)</sup>
- Traffic Sign Recognition<sup>2)</sup>
- Airbags – Driver's and front passenger's<sup>1)</sup>
- Airbags – Driver's and front passenger side<sup>1)</sup>
- Airbags – Driver's and passenger 1st and 2nd row side curtain<sup>1)</sup>
- Airbags – Driver's knee bolster<sup>1)</sup>
- Airbags – Passenger airbag deactivation switch<sup>1)</sup>
- Rear inflatable seatbelts

Security

- Ford KeyFree System with Ford Power Starter Button
- Power child locks
- Remote, power central single locking
- Thatcham Category 1 alarm with volume sensing, perimeter alarm battery backed

Steering

- Shift Indicator light (Enabled)
- Rake- and reach-adjustable steering column
- Power steering column with memory

Suspension

- Sport suspension
- Self-levelling suspension (estate only)

Technology

- Auto-Start-Stop system (Standard with 2.0 Duratorq 180 PS and 210 PS with PowerShift auto transmission, 2.0 Duratorq TDCi (180 PS) 6-speed manual transmission and 2.0 EcoBoost (240 PS) with 6-speed auto)

- Standard
- Optional, at extra cost

<sup>1)</sup>Safety feature. <sup>2)</sup>Driver assistance feature.

**\*Note:** A child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

- 1. Active City Stop**  
Designed to sense potential low-speed collisions and apply the brakes if you don't react in time.
- 2. Active Braking**  
When sensors detect a possible collision at high speed, the system sends you a warning message on the instrument panel. If you don't react, the brakes are applied automatically.
- 3. Adaptive Cruise Control**  
Helps maintain a preset gap between your Ford Mondeo Vignale and the vehicle ahead. If the vehicle in front slows down, the system decelerates. When the gap widens, your Ford Mondeo Vignale returns to the desired speed.
- 4. Blind Spot Information System**  
As another vehicle – a car, van or lorry – enters your blind spot, the system alerts you with a discreet warning light built into the driver's and passenger's power-foldable mirrors.
- 5. Driver Alert**  
A road-monitoring camera assesses the driver's alertness levels and displays them in the instrument cluster. If a break is recommended and the driver fails to stop, a visual and audible warning is repeated at regular intervals.
- 6. Lane Keeping Alert and Lane Keeping Aid**  
Designed to recognise when you approach lane markings without using the indicator, Lane Keeping Alert warns you with steering wheel vibrations. If an unintentional lane change begins, Lane Keeping Aid is designed to steer you back towards the original lane.

Fuel economy data above shows 4door / Estate.

Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack.

Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

\*\*\*In 4th gear. <sup>9</sup>Ford test figures. <sup>90</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk>. For further information see [www.ford.co.uk](http://www.ford.co.uk). DPF = diesel particulate filter. All petrol engines are equipped with a catalytic converter. Data shown is for 18"/19" tyres only.

## NEXT STEPS

### try

Visit your **FordStore** and test drive the Ford Mondeo Vignale for yourself. Find your local Dealer:

[www.ford.co.uk/SBE/DealerLocator](http://www.ford.co.uk/SBE/DealerLocator)

### play

A fully-immersive and interactive experience can be found in the Ford Mondeo Vignale Interactive Brochure, containing film and animation. Simply download from the Android or Apple Newsstand: **Ford Mondeo Vignale Interactive Brochure**

### build

Go online and build and price your new Ford Mondeo Vignale to your exact specification at:

[www.mondeovignale.com/configurator](http://www.mondeovignale.com/configurator)

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.
