

KONA Electric

Smarter technology puts you in the lead.

Every destination needs a journey. Why settle for less when the Kona Electric is packed with innovative technology and striking design features, to get you there in comfort and style.

Closed Grille and Twin Headlight Design

LED Rear Lamps

17" Alloy Wheels

Exceptional style is our standard, with a vibrant range of external colours and varied interiors giving you aesthetic control. The unique closed-off front grille, aerodynamic 17" alloy wheels and the distinct frame add flair to every design, whilst under the hood cutting-edge lithium-ion batteries give you peak performance. The 64kWh battery is liquid-cooled and reliably charge to 80% capacity within 75 minutes using a 50kWh rapid charger, giving you a range of up to 278 miles.

Car shown Kona Electric Premium SE in Ceramic Blue Pearl Paint.

Take back control with innovative interiors.

The simple, sleek interior puts you in control. A perfect blend of advanced technology and elegant design keeps you informed without being distracting, letting you drive with confidence.

7" Digital Cluster

Paddle Shifter (Regenerative Braking Control)

Electronic Gear Shift Button

The Kona Electric's spacious interiors are as comfortable as they are modern. The dashboard boasts an intuitive 7" digital cluster display making critical information readable at a glance, whilst the centre-mounted 10.25" touchscreen gives quick access to car functions including navigation. You can also shift gear into Drive, Neutral and Reverse with a single button press on the central column. What's more, regenerative braking controls on the steering column let you balance acceleration and efficiency by shifting power to the wheels or battery as needed.

SE

offers the following key features:

- 7" Touchscreen Display Audio with Smart Device Integration
- 17" Alloy Wheels
- Air Conditioning - Climate Control
- Autonomous Emergency Braking (AEB) with Pedestrian Recognition
- Automatic Headlights with Dusk Sensor
- Battery Heater
- Bluelink® connected car services
- Bluetooth® Connectivity with Voice Recognition
- Cruise Control - Smart Adaptive Speed Control with Stop & Go Function
- eCall
- Parking System - Rear Camera and Guidance System
- Phone Connection - Apple CarPlay™/Android Auto™
- Radio - RDS and Digital DAB
- Regenerative Brake Shift Paddles
- Smart Key - Keyless Entry with Power On/Off Button

Premium

offers the following key features over SE:

- 10.25" Touchscreen Satellite Navigation, MapCare and LIVE services
- Automatic Dimming Rear View Mirror
- Automatic Windscreen Wipers with Rain Sensor
- Blind Spot Detection (BSD)
- Intelligent Speed Limit Warning (ISLW)
- KRELL Premium Audio - 8 Speaker System and Subwoofer
- Lane Follow Assist (LFA)
- Parking Sensors - Front and Rear
- Privacy Glass - Rear Side and Tailgate
- Rear Cross Traffic Alert (RCTA)
- Rear Lights - LED
- Wireless Phone Charging Pad (Qi Standard)

Premium SE

offers the following key features over Premium:

- Front Seat Electric Adjustments
- Front Seats - Heated and Ventilated
- Headlights - Full LED
- Head-up Display (HUD)
- Heated Steering Wheel
- High Beam Assist (HBA)
- Rear Seats (Outer) - Heated
- Seat Trim - Leather (Seat Facings only)

Exterior colours

Chalk White - Metallic

Galactic Grey - Pearl (No Cost Option)

Ceramic Blue - Pearl

Acid Yellow - Metallic/Pearl

Tangerine Comet - Pearl

Pulse Red - Metallic/Pearl

Interior trims

SE/Premium: Black Cloth

Premium SE: Black Leather (Seat Facings only)

* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle.

** The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.

†† This vehicle has been type approved under the Worldwide Harmonised Light-Duty Vehicles Test Procedure (WLTP). These test figures are for comparative purposes and may not reflect actual driving results. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. These figures were obtained after the battery had been fully charged. The KONA Electric is a battery electric vehicle requiring mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures.

‡‡ These figures were obtained after the battery had been fully charged. The KONA Electric is a battery electric vehicle requiring mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures.
