

LEXUS NX

 LEXUS

THE STRIKING NEW NX 300h

Introducing the NX 300h, a totally new kind of Lexus. Powered by our latest Full Hybrid drivetrain, this breakthrough Lexus delivers smooth and agile handling combined with incredible environmental performance. With its sharp and distinctive design inside and out, the Lexus NX 300h provides you with the smart technology to make your life easier. In short, when you sit behind the wheel of this true SUV, you will experience Amazing in Motion.

THE **DISTINCTIVE** NEW NX 300h
DISPLAYS A WIDE STANCE, BOLD LEXUS
'SPINDLE GRILLE' AND **EXQUISITE**
FRONT AND REAR LED LIGHTS.

The new NX 300h refuses to go unnoticed. To create its sharp yet fluid lines, Lexus designers drew inspiration from the intricate beauty of molten metal. With Smart Entry, approach the NX and the door handles light up to greet you, while a further statement is made by the dynamic side 'kick-up' line and coupe-like silhouette. To the front of the F SPORT and Premier models, LED triple-projector headlights and arrowhead daytime running lights depict the unmistakable Lexus aura. To the rear, gem-like LED tail lights project our 'L' emblem, underscoring the crossover's powerful shape.

STREET ART

CUTS THROUGH CONVENTION

In a crossover that's fun to drive, and agile in the city, Drive Mode Select lets you fine-tune performance to suit your mood, with modes ranging from ECO to SPORT. In heavy traffic, you can switch to EV (Electric Vehicle) mode for zero emissions progress. On F SPORT, a strong chassis and Adaptive Variable Suspension ensure smooth and precise handling. E-Four All-Wheel Drive delivers extra confidence in slippery conditions (not available on S grade). For easy parking, the Premier grade includes a Panoramic View Monitor and Rear Cross Traffic Alert to make light work of manoeuvring in confined spaces.

ENJOY **PRECISE** URBAN
HANDLING COMBINED WITH
WORLD-CLASS LEXUS SMOOTHNESS
AND **REFINEMENT**.

The image shows the front interior of a Lexus NX 300h. The driver's seat and front passenger seat are upholstered in red leather with black perforated sections. The dashboard and center console are black with silver accents. The steering wheel is black with the Lexus logo in the center. The infotainment screen displays the Lexus logo. The text "INTUITIVE LUXURY" is overlaid in large white letters on the right side of the image.

INTUITIVE LUXURY

Inside the new NX 300h you'll discover intuitive technology that makes your life simpler: an intelligent overhead lamp that senses your hand approaching so you don't search in the dark, and a tailgate that remembers how far you usually open it. Beautifully finished by 'Takumi' master craftspeople, the interior features a 'spindle grille' inspired centre console, while an analogue timepiece and ambient lighting enhance refinement. Extremely comfortable, the eight-way powered front leather seats can be heated or ventilated, and the 60:40 rear seats fold to make room for skis or surfboards.

Specification available on selected models

DESIGNED TO **SENSE** YOUR
EVERY NEED, THE NX 300h LETS YOU
AND YOUR PASSENGERS **RELAX** IN
ABSOLUTE COMFORT.

THE POWER OF HYBRID

Equipped with our latest Lexus Hybrid Drive – which seamlessly orchestrates power from a 2.5-litre petrol engine and electric motor(s) – the NX 300h is incredibly smooth and quiet, yet is as easy to drive as a conventional luxury car. Delivering lively performance, it consumes from only 54.3mpg* of fuel, which is amazing for a crossover of this size. Regenerative braking means no battery recharging is required and, thanks to our leadership in hybrid technology, the NX 300h has very low running costs. To learn more, please visit: www.lexus.co.uk/hybrid

*MPG and CO₂ figures quoted are provisional figures.
Confirmed statistics will be available online from 19th July 2014.
Please note that fuel consumption varies significantly depending on driving style, vehicle weight and speed.

LEXUS HYBRID DRIVE DELIVERS
197 DIN hp OF REFINED
POWER, WITH CO₂ EMISSIONS
FROM BELOW 125g/km*.

SCULPTED TO STAND OUT

For maximum driving enjoyment, the daring new NX 300h F SPORT is equipped with exclusive performance features and aggressive sports styling. Outside, 18-inch alloys, F SPORT grille and front spoiler lip attract even more attention. Inside, driving enthusiasts will enjoy a perforated F SPORT leather steering wheel and highly supportive leather sports seats built using 'integrated foaming' technology. Aluminium pedals and metallic inlays complete the look. With AVS Sports Suspension adjustable for extra responsiveness, the NX 300h F SPORT delivers a smooth yet dynamic crossover experience.

THE NEW NX 300h F SPORT IS **TUNED**
FOR DYNAMIC PERFORMANCE.

CONNECTED TO THE CITY

No matter how busy your life, you'll stay relaxed and informed in the new NX 300h. With innovative technologies like the wireless charger, which tops up your mobile's battery when placed in the console box. Or on F SPORT and Premier models, the intuitive Touch Pad provides seamless access to Lexus Premium Navigation and connected services. The latter has features like Online Search, Google Street View®, Panoramio® and Connected Traffic. Alternatively, simply wind down listening to your favourite music on the peerless Mark Levinson® Premium Surround system (standard on Premier grade only).

TOUCH PAD ACCESS
TO NAVIGATION AND
CONNECTED SERVICES.

SHARP SIGHTED

The new NX 300h is engineered to reduce driver fatigue. On Premier grade an extra-wide, coloured Head-Up Display projected on the windscreen helps you concentrate on the road ahead; Lane Keeping Assist stops you drifting out of lane and Automatic High Beam switches to low beam when required. To help avoid danger across all grades, Pre-Crash Safety uses millimetre-wave radar technology to detect objects ahead - applying the brakes and tightening seatbelts if appropriate. Finally, should you ever be involved in a collision, you and your passengers are protected by a strong safety cell and eight airbags.

HEAD-UP DISPLAY,
PRE-CRASH SAFETY
TECHNOLOGY AND EIGHT AIRBAGS
FOR OCCUPANT PROTECTION.

- 1 / LED headlights** LED headlights are exceptionally bright, while bumper-integrated arrowhead-shaped daytime running lights ensure the NX 300h is visible at all times. F SPORT and Premier models benefit from triple-projector high and low beam LED headlights (shown in image 1).
- 2 / Panoramic view monitor** For easier and much safer manoeuvring in confined spaces, the new NX 300h offers a digital panoramic view around the entire vehicle. Four discreet cameras provide live images, and on-screen guides assist parking (Available on Premier grade).
- 3 / Lexus connected services** The new NX 300h offers advanced mobile services like Online Search, Google Street View®, Panoramio® and Connected Traffic. For extra convenience, you can even forward a route from your laptop or tablet to the NX 300h's Premium Navigation (Available on F SPORT and Premier grades).
- 4 / Touch pad** Another Lexus first, Touch Pad with Remote Touch Interface lets front-seat occupants interact intuitively with the central eight-inch multimedia display. Ergonomically designed, and located close to the gearshift, it is as easy to use as a smartphone or tablet (Available on F SPORT and Premier grades).
- 5 / Wireless charger** Charge compatible smartphones or other electronic devices using the inductive wireless battery charger, conveniently positioned in the NX 300h's centre console box (Available on Luxury, F SPORT and Premier grades).
- 6 / Rear cross traffic alert** The Rear Cross Traffic Alert function uses Blind Spot Monitor radar to detect vehicles approaching the area behind the vehicle in a car park. When necessary, it alerts you with a buzzer and a visual display in the door mirrors (Available on Premier grade).

EXTERIOR COLOURS

EXPERIENCE THE NEW NX 300h

We hope to have illustrated in these pages that Lexus creates vehicles of refinement, innovation and style. But only behind the wheel of one of our models can you truly experience the pleasure, performance and seamless anticipation of your needs as a driver at first hand. Simply consult your local Lexus Centre to arrange a test drive.

For further information, to find out more about owning a Lexus or to simply locate your local Lexus Centre, please visit our website, www.lexus.co.uk, or call 0845 278 8888.

MPG, MPH and CO₂ figures quoted are target figures following internal Lexus tests. Fully homologated figures will be available online from 19th July 2014. Please note that fuel consumption varies significantly depending on driving style, vehicle weight and speed.

For more information on fuel consumption, please visit www.lexus.co.uk/fuel. Lexus is a division of Toyota (GB) PLC registered in England and Wales with company number 0916634 with its registered office at Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UX. Toyota (GB) PLC is authorised and regulated by the Financial Conduct Authority.

ACCURACY AND SPECIFICATION

All information contained in this brochure was correct at time of going to print. Please note that while every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. Images shown in this brochure may not be of UK models (for example, they may show left hand drive vehicles) and may illustrate equipment that is only available on selected grades. Therefore, this brochure cannot be regarded as infallible and, as such, does not constitute an offer for sale of any particular vehicle shown.

END-OF-LIFE VEHICLES

Taking care of the environment is a priority for Lexus. We strive to minimise the environmental impact of our vehicles throughout their life cycle - from design, production, distribution, sales and service to end-of-life. For more detailed information on environmental performance please visit www.lexus.co.uk

Please note while every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. The brochure cannot be regarded as infallible (the cars shown are left-hand drive) and, as such, does not constitute an offer for sale of the particular car shown. Information in this brochure was correct at the time of going to press.
