ADDITIONAL BENEFITS

3 YEARS' FREE LEXUS ROADSIDE ASSISTANCE

Whatever the situation, when you're driving your Lexus, we're just one call away with expert support at the roadside 24 hours a day, every day of the year. Free for 3 years from the initial purchase of a new vehicle, 24 hours a day, 365 days a year, assistance anywhere in the UK.

HOME START

One in four breakdowns happen at the home address. Home Start allows you to enjoy all the benefits of Lexus Roadside Assistance from your home address.

PERSONAL ASSISTANCE

Lexus Roadside Assistance is designed to look after you – not just your vehicle. So even if you are a passenger in someone else's car you can still receive Lexus Roadside Assistance.

REPLACEMENT VEHICLE

A replacement vehicle will be provided free of charge (excluding petrol and other consumables) for up to three days, provided we have taken your vehicle to a Lexus Centre for repairs following a breakdown.

HOTEL ACCOMMODATION

If a replacement vehicle is unavailable, we will arrange a hotel for you and your family for up to £150 per person to a maximum of £500, for one night.

ONWARD TRAVEL

If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

EUROPEAN TRAVEL

If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

MEDICAL ASSISTANCE

If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

LOST OR BROKEN KEYS

If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

EV BATTERY HEALTH CHECK

EV CHECK

An annual check at your local LEXUS Authorised Repairer is the best way to ensure you are getting the most from your EV.

EXTENDED EV CARE

From new, all EV components benefits from our five-year/60,000* miles warranty. When your vehicle is brought in for its annual health check it will

be eligible for a further one-year/10,000** miles of EV battery extended care up to 10 years old/600,000 miles** for degradation below 70% of initial capacity. Having created the Lexus EV technology, only a LEXUS EV Authorised Repairer can give you the peace of mind and expert care you expect.

TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus. Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care. Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

WARRANTIES

THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a

period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

GET UP TO 10 YEARS/100,000 MILES LEXUS WARRANTY*

Every new Lexus comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

*Terms and conditions apply.

For full details, please ask your official Lexus Centre, or visit [lexus.co.uk/lexus-warranty](https://www.lexus.co.uk/lexus-warranty)

THREE-YEAR SURFACE RUST AND PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12-YEAR CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

EV WARRANTY

The warranty covers any defect that is attributable to a manufacturing or assembly fault under normal use for a period of 5 years or 60,000 miles, whichever comes first, with no mileage limitation for the first year for the following EV main system components:

- The EV Motor
- The EV system inverter and converter

For full EV Battery degradation below 70% of initial capacity will be covered for a period of 8 years or 100,000 miles, whichever comes first, with no mileage limitation for the first year.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

QUOTED CO₂ AND POWER USAGE FIGURES

*Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a

number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. For more information on WLTP and specific vehicle types see <https://www.lexus.co.uk/wltp>.

More information on WLTP in general can be found by visiting: <http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp>.
