

MAZDA CX-3

zoom-zoom

We explore cities and winding country roads.

Corners hugged and throttles revved.

Windows down, radio loud, no particular place to go.

Always forward, defying the wind.

I am the embodiment of Jinba Ittai.

You, the heart behind the wheel.

We were always meant to connect,

like a horse and rider,

car and driver as one.

Together, we are stronger.

We have a bond that words alone cannot describe.

We never drive alone.

We drive together.

AWAKEN THE DRIVER IN YOU

Mazda CX-3 was designed with our Jinba Ittai philosophy in mind. A powerful, compact SUV like no other, it offers a responsive driving experience, whether negotiating inner city roads or touring the countryside. With outstanding adaptability and connectivity, Mazda CX-3 is engineered to create a harmonious relationship between car and driver.

Model shown is Mazda CX-3 150ps AWD Sport Nav Petrol with optional Soul Red Metallic paint available at additional cost.

D E S I G N

GRAB THE WHEEL

The stunning good looks of Mazda CX-3 are thanks to its award-winning 'KODO: Soul of Motion' inspired design. Distinctive LED headlights* and a silver-edged front grille* provide an aerodynamic and sleek appearance to the vehicle front. While the compact, sculpted body offers the sensation of enhanced speed and fluid driving. A pleasure on the road, this recipient of the coveted Red Dot Design Award is an expression of the perfectly balanced ergonomics that make car and driver one.

*Available on Sport Nav models only.

Model shown is Mazda CX-3 120ps 2WD Sport Nav Petrol with optional Soul Red Metallic paint available at additional cost.

A TRUE DRIVING EXPERIENCE

The flowing profile of Mazda CX-3 is designed to work as a seamless extension of the driver. The position of the controls, the weight of the steering and the tension of the chassis work together to ensure you enjoy perfect balance. Car and driver connect as one because we have designed every element of the vehicle to create the perfect driving experience. The road ahead is always something to look forward to on your shared journey with Mazda CX-3.

BE IN CHARGE

Connectivity is key in Mazda CX-3 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection*. All safely controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on Infotainment specification table for more information.

COLOUR ACTIVE DRIVING DISPLAY

The Colour Active Driving Display keeps useful navigation and vehicle performance information in natural line of sight, enabling the driver to stay focused on the road at all times. (Available on Sport Nav models only).

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort. It includes a separate volume dial for easy adjustment, ensuring you can concentrate on enjoying the drive.

BOSE® AUDIO SYSTEM

The sensational Bose® sound system offers seven precisely positioned speakers, with premium sound quality to keep you entertained as you drive. (Available on Sport Nav models only)

LEATHER-WRAPPED GEAR KNOB

The premium feel of crafted leather in the palm of your hand creates yet another memorable connection between you and Mazda CX-3.

SKYACTIV TECHNOLOGY

Mazda's SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies - engines, transmissions, chassis and body - it's an approach that completely reimagines the car from the ground up. Coupled with innovations such as i-stop and i-ELOOP*, SKYACTIV Technology enables Mazda CX-3 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

Model Shown is Mazda CX-3 150ps AWD Sport Nav Petrol with optional Meteor Grey Mica paint available at additional cost.

* Available on Mazda CX-3 150ps AWD Sport Nav models only.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the impressive 120ps SKYACTIV-G petrol engine coupled with 2WD, or the dynamic 150ps SKYACTIV-G petrol engine available with AWD. Both petrol engines provide highly competitive fuel economy and low CO₂ emissions whilst ensuring a no compromise approach to performance. Alternatively there is the 105ps SKYACTIV-D diesel engine available with either 2WD or AWD and an ultra-compact, lightweight turbocharger for excellent efficiency.

MORE POWER TO YOUR WHEELS

The six-speed SKYACTIV-Drive automatic transmission is lightweight and compact. It delivers smooth gear shifts with a 'Sport' mode for greater torque availability and enhanced acceleration. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in excellent fuel economy and a shift feel reminiscent of the legendary Mazda MX-5.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steel. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

IT'S ALL ABOUT THE DRIVER

Mazda CX-3 contains an array of intelligent safety technologies that are designed to help you connect with your car and enjoy the drive. This is thanks to the i-ACTIVSENSE technologies, an outstanding collection of safety features that use sensors and cameras to monitor your surroundings and provide protection and convenience.

Model Shown is Mazda CX-3 150ps AWD Sport Nav Petrol with optional Meteor Grey Mica paint available at additional cost.

ADVANCED SAFETY TECHNOLOGY

Engineered from the ground up to provide comprehensive all-round protection for you and your passengers, the active and passive safety systems in Mazda CX-3 work together to warn you of impending dangers and help to avoid or reduce the severity of a collision.

Combined with the rigid body, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or the harmonious relationship between car and driver. Inside, Mazda CX-3 is fitted with front and side airbags as standard for that extra peace of mind.

LANE DEPARTURE WARNING SYSTEM

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. Should the system detect that the car is about to unintentionally move out of lane, it emits an audible warning sound to alert the driver. (Not available on SE Nav models).

ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with the Adaptive Front lighting System. The system adjusts the LED headlights when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles. (Standard on Sport Nav models).

ADVANCED SMART CITY BRAKE SUPPORT

Take the stress out of city driving with Advanced Smart City Brake Support. Designed to help avoid or minimize the effects of collisions at speeds of up to approximately 31mph. The forward-facing camera and laser-based system continually monitors the gap and closing speed of the vehicle in front, and applies the brake if a collision is likely. (Not available on SE Nav models).

BLIND SPOT MONITORING SYSTEM WITH REAR CROSS TRAFFIC ALERT*

Warns you of a vehicle entering a detection zone situated up to 50 metres behind, by activating a door-mirror mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle. REAR CROSS TRAFFIC ALERT is designed for when you are reversing. An alarm alerts you to any vehicles or obstacles approaching from either side of the rear of the car, and stops once the area is clear.

*Part of optional Safety Pack available on Sport Nav Petrol models, at additional cost.

C H O I C E S

STANDARD FEATURES:

- 16" Alloy wheels
 - Halogen headlights and daytime running lights
 - Heated, auto power-folding door mirrors with integrated indicator lights
 - Coming home / leaving home lights
 - Front and rear electric windows
 - Black cloth seat trim with grey piping
 - Leather-wrapped steering wheel and gear knob
 - Driver and passenger seat height adjustment
 - Cruise control
 - Adjustable speed limiter
 - 60:40 split folding rear seats
 - Flexible cargo board
 - Manual air-conditioning
- Engine start / stop button
 - 7" Colour touch-screen display and Multimedia Commander
 - Integrated Bluetooth®
 - Internet app integration for internet radio, Facebook and Twitter*
 - AM / FM / DAB radio with 6 speakers, CD player, USB and iPod® connectivity
 - Steering wheel-mounted audio controls
 - Driver and passenger front, side and curtain airbags
 - Dynamic Stability Control
 - Traction Control System
 - Hill Hold Assist
 - Integrated Navigation System with 3-years free European map updates

OPTIONS:

- Metallic / Mica / Pearlescent paint

7" COLOUR TOUCH-SCREEN DISPLAY

Places information and entertainment at your fingertips.

FLEXIBLE CARGO BOARD

Two height positions provide flexibility for different cargo loads.

MANUAL AIR-CONDITIONING

Allows you to easily adjust the temperature of the interior to your needs.

ENGINE START / STOP BUTTON

Allows you to conveniently start or stop the engine without having to insert the key.

*With compatible mobile device. Data usage and costs will vary. Please refer to the footnote on page 39 for more information.

S E - L N A V *MAZDA CX-3*

IN ADDITION TO SE NAV GRADE:

- LED front fog lights
- Rain-sensing front wipers
- Dusk-sensing headlights
- Climate control air-conditioning
- Heated front seats
- Rear privacy glass
- Rear parking sensors
- Lane Departure Warning System
- Smart City Brake Support

OPTIONS:

- Metallic / Mica / Pearlescent paint

HEATED FRONT SEATS

Perfect to keep you warm on chilly mornings. 3-Stage settings provide an extra level of comfort.

REAR PRIVACY GLASS

Provides an extra level of sophistication by enhancing the stylish looks and offering extra levels of security.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dials.

LED FRONT FOG LIGHTS

Increase visibility when driving in adverse weather conditions and enhance the sleek styling of the car.

S P O R T N A V

IN ADDITION TO SE-L NAV GRADE:

- 18" Gunmetal alloy wheels
- LED headlights and daytime running lights
- Adaptive Front lighting System
- Silver-accented front grille
- Chrome-accented side sill trim
- Half black leatherette, half black cloth trim with red piping
- Smart keyless entry system
- Reversing camera
- Colour Active Driving Display
- Heated leather steering wheel
- Premium Bose® sound system with seven speakers

OPTIONS:

- Metallic / Mica / Pearlescent paint
- Half Stone leather, half black LUX SUEDE® seat trim ¹⁾
- Power adjustable driver seat with memory (available in combination with optional half Stone leather, half black LUX SUEDE® seat trim) ¹⁾
- Safety Pack (Adaptive LED headlights, Blind Spot Monitoring with Rear Cross Traffic Alert, Driver Attention Alert, Rear Smart City Brake Support and Traffic Sign Recognition) ¹⁾

¹⁾ Available on Sport Nav Petrol models only

BOSE® AUDIO SYSTEM

The sensational Bose® sound system offers seven precisely positioned speakers, with premium sound quality to keep you entertained as you drive.

COLOUR ACTIVE DRIVING DISPLAY (COLOUR HEAD-UP DISPLAY)

Projects essential driving information including speed, turn by turn navigation and emergency warnings via a colour head-up display in the driver's line of sight.

LED HEADLIGHTS

Striking LED headlights enhance the stylish looks as well as significantly improving visibility.

HEATED STEERING WHEEL

Absolute comfort extends all the way down to your fingertips, even on colder days, thanks to the steering wheel heater.

OUR COMMITMENT TO YOU AND YOUR MAZDA

MY MAZDA APP

Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE

Mazda Financial Services Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive costs for businesses and individuals. To find out more about the benefits of Mazda Financial Services Contract Hire, please speak to your Mazda dealer or visit www.mazda.co.uk.

T&Cs apply. You can never own the vehicle. Finance subject to status. Guarantees may be required. 18s or over. Mazda Financial Services Contract Hire. RH1 1SR

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda - the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

SKYACTIV TECHNOLOGY - HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.
