

MAZDA CX-5

UNLOCK EXTRA CONTENT

Throughout this brochure, you can hold your smartphone or tablet over the QR codes using a QR code reader app to download and unlock extra content including images, videos and other information. Scan the above QR code to access the Mazda Community. Here you will discover videos, images and additional content related to the Mazda Rebels, like-minded individuals who represent Mazda's vision of defying convention.

The challenger spirit runs deep at Mazda. We are not afraid to take risks and to challenge conventional wisdom to make things better. We do this to fulfil one simple goal: create cars that are fun to drive. If you've driven a Mazda you already know. If not, get ready for the experience.

EVERY NEW IDEA BEGINS WITH A CHALLENGE

DISCOVER MAZDA CX-5

Mazda CX-5 balances exceptional sports car inspired styling and design with a sleek, aerodynamic performance. It challenges convention by combining outstanding efficiency with driving excitement. It's an SUV, but not as you know it.

Model shown is a Mazda CX-5 165ps 2WD Sport Nav with optional Soul Red Metallic paint available at additional cost.

AWARD-WINNING DESIGN

Embodying Mazda's award-winning KODO: Soul of Motion inspired design, Mazda CX-5 is both bold and powerful with its unmistakable exterior combining SUV solidity and functionality with Mazda's characteristic vitality and agility.

Model shown is a Mazda CX-5 150ps 2WD Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.

AN SUV WITH SPORTS CAR PEDIGREE

With a sporty exterior profile and wide vehicle stance, Mazda CX-5 is like no other SUV. The elevated driving position enables you to see more of the road ahead. The striking chrome-lined front grille and LED headlights* enhance the vehicle's sculptured front, while the lean, muscular body helps deliver a powerful and exhilarating driving experience.

Model shown is a Mazda CX-5 165ps 2WD Sport Nav with optional Soul Red Metallic paint available at additional cost. *Sport Nav models only.

A DYNAMIC DRIVE – WITH NO COMPROMISE

Mazda CX-5 encompasses the ideal balance of driving pleasure, ingenuity and efficiency. The flowing lines and sculpted body provide a striking and distinctive appearance, while beneath the surface a full array of SKYACTIV Technology delivers responsive performance, outstanding fuel economy and low CO₂ emissions. The Mazda CX-5, for drivers who don't believe in compromises.

Model shown is a Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.

ROOM FOR EVERYTHING – EXCEPT COMPROMISE

Designed around the driver, to offer exceptional levels of comfort and control, the interior of Mazda CX-5 is spacious and inviting, with room for you and your passengers to sit back, relax and enjoy the journey ahead. From the simple, yet effective electronic parking brake to the leather wrapped steering wheel and the 7" colour touch screen display, the interior exudes premium quality, setting new standards in interior design.

Image shows a Mazda CX-5 Sport Nav interior with optional Mazda Radar Cruise Control available at additional cost.

KARAKURI SEATING

Mazda CX-5's seating provides the comfort and flexibility you need. Featuring our innovative Karakuri seating system with 40/20/40 split independent rear seats, which fold flat at the flick of a lever to create a large functional luggage space.

REMOTE FOLD-DOWN FUNCTION

Karakuri rear seats can be folded flat with a simple flick of levers located in the boot.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, Mazda CX-5 can easily adapt to your needs.

FLAT LOAD FLOOR

All rear seats fold flat to provide a large and level load space.

REAR INDEPENDENT FOLDING CENTRE SEAT

Long objects can be loaded by folding the rear centre seat flat, even when passengers are seated on both sides. The tonneau cover can be conveniently stored in the sub trunk box (not shown).

CONNECTIVITY AT YOUR COMMAND

Experience the perfect combination of information, connectivity and entertainment in Mazda CX-5. Standard across the range is MZD-Connect, an advanced infotainment and connectivity system that provides access to a range of features and applications. Connectivity is key in Mazda CX-5 and via a compatible mobile device you can access thousands of internet radio stations from around the world, safely check and reply to text messages, and even keep up to date with Facebook and Twitter*. Enjoy listening to your favourite radio stations via DAB radio or stream your choice of music via a Bluetooth® connection. And all this is easily and safely controlled using the 7" colour touch-screen display and the intuitive Multimedia Commander, leaving you to concentrate on enjoying the drive.

MULTIMEDIA COMMANDER

Located between the driver and front passenger, the Multimedia Commander allows you to operate the infotainment and connectivity system with minimal effort, including a separate volume dial for easy adjustment. Ensuring you can concentrate on enjoying the drive.

The MZD-Connect system is divided into five sections as displayed on the home screen.

COMMUNICATION

- Easily and safely make and receive phone calls via the integrated Bluetooth® functionality*
- Receive texts and reply with programmable pre-defined responses*
- Access previous call history or contact information*

NAVIGATION (Standard on SE-L Nav, SE-L Lux Nav and Sport Nav models)

- Choice of routes – fastest, shortest, most economical and easiest
- Choose between 2D or 3D map view
- Point of interest search
- 3 years free map updates

ENTERTAINMENT

- AM / FM / DAB radio, CD / MP3, USB, AUX, Bluetooth® and audio transfer
- Listen to a connected device, such as an iPod® or USB storage device
- Aha™ and Stitcher™ apps for internet radio, Facebook and Twitter*

APPLICATIONS

- Fuel economy monitoring including i-stop status
- View service and maintenance information
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings

INTELLIGENCE AT YOUR FINGERTIPS

Positioned in the centre of the dashboard, close to the driver's natural line of sight, is the 7" colour touch-screen display. This screen puts information and entertainment at your fingertips and displays a range of useful information, including access to internet applications* and the eco-driving display screen.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

Mazda's groundbreaking SKYACTIV Technology has redefined the efficiency, power and performance of our cars. Mazda CX-5 is no exception, combining the perfect balance of driving enjoyment and efficiency, which continues to prove how we create cars that defy convention.

SKYACTIV TRANSMISSIONS

Lightweight and compact, the SKYACTIV-MT manual and SKYACTIV-Drive automatic transmissions deliver smooth, crisp and direct gear shifts which contribute to improved fuel economy.

SKYACTIV ENGINES

Deliver responsive and dynamic performance, as well as lower emissions and outstanding fuel efficiency.

SKYACTIV BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

Model shown is a Mazda CX-5 175ps AWD Sport Nav Auto Diesel with optional Soul Red Metallic paint available at additional cost.

INTELLIGENCE LIES WITHIN

Mazda CX-5 embodies Mazda's legendary 'fun to drive' DNA. Featuring the complete range of award-winning SKYACTIV Technologies, it delivers performance and efficiency combined, for a responsive, agile, sporty driving experience.

SKYACTIV TECHNOLOGY

SKYACTIV Technology is all about fuel economy, low emissions and making driving more fun. Embracing all the technologies – engines, transmissions, chassis and body – it's an approach that completely reimagines the car from the ground up. Coupled with innovations such as Mazda i-stop, SKYACTIV Technology enables Mazda CX-5 to deliver a unique mix of driving pleasure, balanced with outstanding environmental and safety performance.

NEW BENCHMARKS FOR PERFORMANCE

Choose from the impressive 165ps SKYACTIV-G petrol engine which delivers highly competitive fuel economy and low CO₂ emissions, or the equally impressive SKYACTIV-D diesel engines available with 150ps or 175ps power output. Both diesel engines feature a two-stage turbocharger boosting low and mid-range torque for a smoother and more exhilarating acceleration experience. All engines feature Mazda's innovative i-stop technology for superior fuel economy.

MORE POWER TO YOUR WHEELS

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission offers a precise and crisp shift, with a kick-down switch providing a smoother feeling of linear acceleration by preventing unwanted downshifting. The six-speed SKYACTIV-MT manual transmission is compact and lightweight in design, resulting in improved fuel economy and a shift feel reminiscent of the legendary Mazda MX-5.

PRECISE AND COMFORTABLE HANDLING

The lightweight SKYACTIV-CHASSIS offers the perfect balance of agility and stability with exceptional handling and ride comfort. Coupled with steering which responds predictably to driver input, it delivers that 'fun to drive' element you have come to expect from Mazda.

WHEN BODY MEETS SOUL

Outstanding crash protection is possible thanks to the SKYACTIV-BODY which utilises lightweight high-tensile steel. The lightweight, ultra-strong and highly rigid body also contributes to improved fuel economy and a more rewarding and responsive drive.

THE SAFEST PLACE ON THE ROAD

Mazda CX-5 contains an array of intelligent safety technologies that are designed to help you relax and enjoy the drive. This is thanks to the i-ACTIVSENSE technologies, an intelligent collection of safety features that use sensors and a camera to monitor your surroundings and provide protection and convenience.

ADVANCED SAFETY TECHNOLOGY

The i-ACTIVSENSE system operates across the entirety of the Mazda CX-5 to provide you with generous levels of security and comfort. The vehicle incorporates technologies that are specially designed to aid you when driving on busy or overly populated streets, helping to avoid collisions or reduce their severity. An example of one of these technologies is **Rear Smart City Brake Support***, which is designed to help avoid or minimise the damage of a low speed rear collision. Using the vehicle's rear parking sensors when reversing at speeds of between 2-4mph, the system will automatically apply the brakes if an obstruction is detected, significantly reducing the impact of a rear collision. Combined with the rigid SUV body, and both side and curtain airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's fun-to-drive experience.

SMART CITY BRAKE SUPPORT

Take the stress out of city driving with Smart City Brake Support. Designed to help avoid or minimise the effects of low-speed collisions the laser-based system continually monitors the gap and closing speed to the vehicle in front, and applies the brakes if a collision is likely, operating at speeds up to approximately 20mph.

LANE-KEEP ASSIST SYSTEM WITH DRIVER ATTENTION ALERT*

Lane-keep Assist is designed to prevent your vehicle from inadvertently straying from its lane. A front-view camera monitors the road ahead and calculates the car's position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound, the system will also take corrective action to help you stay within the lanes through assisted steering. The Driver Attention Alert system learns your driving style for 20 minutes and alerts you to take a break if it detects driver fatigue.

BLIND SPOT MONITORING SYSTEM*

Warns you of a vehicle entering a detection zone situated up to 7 metres away on either side and up to 45 metres behind, by activating a door-mirror mounted warning light on the relevant side of the vehicle. If you then indicate prior to turning in that direction, the warning light flashes and an audible alert sounds. Working at speeds as low as 20mph, this system can prevent drivers from moving into the path of a following vehicle.

REAR CROSS TRAFFIC ALERT*

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side of the rear of the car. A warning light begins flashing in the door mirror and an audible alert sounds. The alarm stops once the area is clear, allowing you to continue reversing safely.

ADAPTIVE LED HEADLIGHTS: HIGHWAY MODE*

When driving on motorways, the angle of the low beams is raised to maximise long distance visibility at night.

ADAPTIVE LED HEADLIGHTS: GLARE-FREE HIGH BEAM*

Designed to work at night, the system automatically analyses vehicles ahead or those approaching in the opposite direction, and automatically switches between high and low beams by switching individual LED bulbs on and off as necessary. This makes it possible to drive with the high beam on at all times, significantly improving visibility when driving at night, without dazzling drivers of other vehicles.

ADAPTIVE LED HEADLIGHTS: WIDE RANGE LOW BEAM*

At slow speeds, the system will extend the illumination range of the low beams on both sides of the vehicle where traditional headlights can't reach. This makes it easier to see pedestrians and other obstacles at night by expanding the area that is illuminated.

ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with the Adaptive Front lighting System. Standard on all Sport Nav models, the system adjusts the LED headlights when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles.

*Part of the optional Safety Pack available on Sport Nav models, available at additional cost.

CHOICE

Generous levels of specification and luxury come as standard on Mazda CX-5. Move up the range and experience a new level of luxury and refinement such as the SE-L Lux with power tilt and slide sunroof and power adjustable, heated leather seats, or the sumptuous Sport Nav model with smart keyless entry and a premium Bose® surround-sound audio system. So which one will you choose?

Mazda CX-5 SE-L

- 17" Alloy wheels
- Front fog lights
- Front and rear parking sensors
- Rain-sensing front wipers and dusk-sensing lights
- Dual-zone climate control air-conditioning
- Electronic parking brake
- 7" Colour touch-screen display and Multimedia Commander
- Integrated Bluetooth®
- AM/FM / DAB radio with 6 speakers, CD player, USB and iPod® connectivity
- 40/20/40 fold flat rear seats
- Smart City Brake Support
- Cruise Control

Mazda CX-5 SE-L NAV

- In addition to SE-L
- Integrated navigation system with 3-years free European map updates

Mazda CX-5 SE-L LUX

- In addition to SE-L
- Power tilt and slide sunroof
 - Leather seat trim (Black or Stone*)
 - 8-way power adjustable driver's and 6-way passenger's seat with memory function for driver
 - Heated front seats with 3-stage settings

Mazda CX-5 SE-L LUX NAV

- In addition to SE-L Lux
- Integrated navigation system with 3-years free European map updates

Mazda CX-5 SPORT NAV

- In addition to SE-L
- 19" Gunmetal alloy wheels
 - LED headlights with Adaptive Front lighting System
 - LED front fog lights
 - Smart keyless entry system
 - Leather seat trim (Black or Stone*)
 - 8-way power adjustable driver's and 6-way passenger's seat with memory function for driver
 - Heated front seats with 3-stage settings
 - Reversing camera
 - Premium Bose® surround-sound system with 9 speakers
 - Integrated navigation system with 3-years free European map updates

- Optional Safety Pack (Sport Nav models)
- Adaptive LED Headlights
 - Blind Spot Monitoring with Rear Cross Traffic Alert
 - Lane-keep Assist System with Driver Attention Alert
 - Rear Smart City Brake Support

Model shown is a Mazda CX-5 175ps AWD Sport Nav Diesel with optional Soul Red Metallic paint available at additional cost.
*Stone leather trim is available at additional cost.

MY MAZDA APP

Hold your smartphone or tablet over the QR code to download the My Mazda app. Designed exclusively for Mazda owners, it lets you access important vehicle information, as well as being able to locate your nearest Mazda dealer and track your vehicle service history.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a 3-year warranty for up to 60,000 miles, including a 3-year paintwork warranty, and a 12-year perforation warranty. We also offer Extended Warranties to extend the cover for your Mazda. Mazda Roadside Assistance offers cover in the event you require breakdown assistance, your vehicle is stolen or is involved in an accident.

FREE MAZDA ACCIDENT AFTERCARE

Mazda Accident Aftercare is designed to assist you following a road traffic accident. Call Mazda First after an accident and they will liaise directly with your insurer to process the claim and ensure that your vehicle is repaired at a Mazda approved bodyshop using only genuine Mazda parts, additional benefits include providing you with a free courtesy car and maintaining your Mazda warranties.

MAZDA CONTRACT HIRE*

Mazda Contract Hire offers low running costs with market-driven residual values, resulting in extremely competitive ownership costs for businesses and individuals. To find out more about the benefits of Mazda Contract Hire, please speak to your Mazda dealer or phone 0844 600 1410.

Mazda Contract Hire is provided by ALD Automotive Limited, trading as Mazda Contract Hire, Oakwood park, Lodge Causeway, Fishponds, Bristol, BS16 3JA. Guarantees / Indemnities may be required. ALD Automotive Limited is incorporated in the UK and regulated by the Financial Services Authority in respect of general insurance products.

FINANCE

As well as vehicle warranty and service plans, we offer finance packages to help ensure a rewarding ownership experience. Mazda Financial Services provides a variety of finance products to suit the needs of both private and business customers.

WHAT YOU CAN EXPECT FROM MAZDA FINANCIAL SERVICES:

- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs

Please ask your sales executive for a tailor-made finance quote for your new car.

MAZDA FINANCIAL SERVICES FINANCE PLANS:

MAZDA CONDITIONAL SALE:

The traditional way of buying your car. Mazda Conditional Sale is a simple way of financing that provides you with certainty due to a fixed interest rate and fixed monthly repayments throughout the agreement. Your initial deposit and repayment period can be structured to help meet your budget and the length of time you expect to keep the car. You can trade in your existing vehicle and put this towards the initial deposit, or if you wish, just put down a cash deposit. At the end of your contract, when all repayments have been made, the car is yours.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again and again.

We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

MAZDA PERSONAL CONTRACT PURCHASE:

The finance plan that helps you change your Mazda car at more regular intervals. Personal Contract Purchase is similar to a Conditional Sale agreement but with additional flexibility since part of the vehicle cost is deferred until the end of the agreement which may give you the benefit of lower monthly repayments. The deferred amount is known as the Guaranteed Future Value or Optional Final Payment.

At the end of your contract, when all repayments have been made, you then have three options:

- Renew: Choose another Mazda. Use any excess value above the Optional Final Payment towards a deposit for another Mazda. You can trade in your car at any time or sell it privately having settled your account
- Retain: Keep the car. Simply pay the Optional Final Payment, and the car is yours
- Return your car: There's nothing more to pay if the car's in good condition and within the agreed mileage

For further information, please visit <http://www.mazda.co.uk/buying-owning/buying/personal-finance/>

Finance subject to status. Terms and conditions apply. You will not own the vehicle until all payments are made. 18s and over. Guarantee may be required. Mazda Financial Services RH1 1SR.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our SKYACTIV Technology range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the Configurator on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of engines, trims, exterior colours and accessories. Discover the benefits of becoming part of the community that defies convention with My Mazda – the online home for all Mazda owners. The service lets you view and update your personal information using the Mazda Digital Service Record (DSR), which provides security against counterfeit service documents and guarantees a secure, accurate and permanent service history for the life of the vehicle. Or why not join the Mazda Community Hub? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.
