Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Intelligent voice control lets you control many functions, including destination input

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting which should you wish to enter addresses or phone numbers silently

Personalisation

- Turn the GLC into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect Stay connected any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

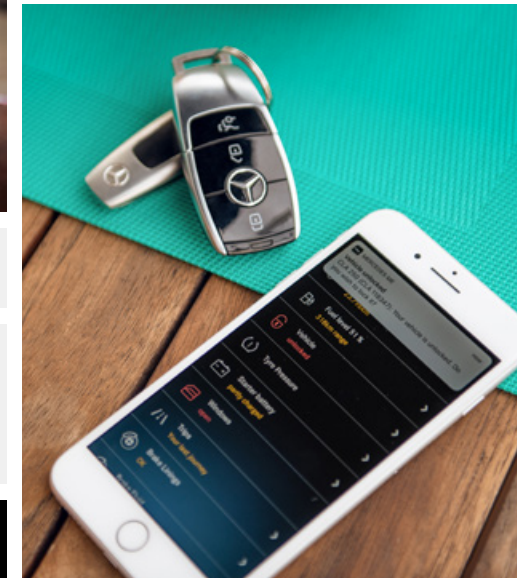

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Mercedes-Benz Agent or visit the Mercedes me connect store at shop.mercedes-benz.com/en-gb/connect

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

GLC

Plug-in Hybrid

Plug-in Hybrid Electric Vehicles (PHEVs) Benefits of driving plug-in hybrid.

Our plug-in hybrids feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

Lower road fund license

Plug-in hybrid vehicles have lower emissions – this means you pay less for road tax.

Cleaner vehicle discount

Plug-in hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

Business benefits

With 100% first-year capital allowances¹ and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[Click here for more information](#)

¹100% first-year capital allowances only apply to vehicles less than 50 g CO₂/km. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

Plug-in Hybrid Electric Vehicles (PHEVs) The GLC 300 e and GLC 300 de.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLC 300 e 4MATIC

Petrol – 1,991 cc, 4-cylinder, 211 hp/155 kW
Electric motor – 122 hp/90 kW

OTR from **£55,285¹**

GLC 300 de 4MATIC

Diesel – 1,950 cc, 4-cylinder, 194 hp/143 kW
Electric motor – 122 hp/90 kW

OTR from **£56,925¹**

Available as: AMG Line, AMG Line Premium and AMG Line Premium Plus

Standard equipment

Charging cable – Mode 3 cable (4 metres, straight) for wallbox and public charging stations

Pre-entry climate control

Charging socket

Radar-based recuperation

Charging system – AC charging system rated at 7.4 kW AC

Remote and Charging Services Plus

Technical details

Equivalent All-Electric Range (EAER)²

25–27

Charging time – wallbox (7.4 kW AC) 10–100%³

1hr 30 mins

Range power consumption, combined^{2,4}

26.7–25.3 kWh/100 km

Battery type (capacity)

lithium-ion (13.5 kWh)

Capacity on-board charger

7.4 kW AC

¹The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase) ⁴The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

Mercedes me Charge

One registration, one contract, one billing.

Mercedes me Charge provides access to a multitude of public charging stations located in shopping centres, hotels or at motorway services. A smartphone app as well as the vehicle's navigation system show the precise location, current availability and price at the selected charging station.

Tens of thousands charging stations in the UK

Growing network of charging providers includes bp pulse the largest charging network in the UK. Customers also get six months free bp pulse+ membership which reduces the electricity price when charging.

Access to fast-charging stations

Enables customers to get access to charging stations of different providers with:

- Mercedes me app
- RFID card
- Mercedes-EQ Vehicle Head unit

Green charging

All charging using Mercedes me Charge, will be retrospectively 'greened' by Mercedes-Benz. Please click [here](#) for more info.

Transparent and easy billing

One invoice charging processes for payment.

Easy access

Charging stations are displayed in Mercedes me app and in MBUX multimedia system.

No fees

Mercedes me Charge is standard for one year with discounted IONITY rapid-charging for one year.

Mercedes me Charge Tariffs

For more transparency and predictability, enjoy numerous features tailored to your charging habits with the new Mercedes me Charge fixed-priced tariffs S, M and L. Owners of a new Plug-in Hybrid model will be entitled to the Mercedes me Charge tariff M free of charge for the duration of 12 months.

Tariff L

Recommended for 'frequent drivers'

Choose our tariff L to benefit from the best fixed prices for public charging, including discounted rapid-charging at IONITY charging stations as well as all Mercedes me Charge features. This tariff is recommended for frequent and long-distance drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.45/kWh; DC: £0.53/kWh)¹
- IONITY rapid-charging stations discounted (£0.53/kWh)

£10.90/month

Tariff M

Recommended for 'regular drivers'

Should you wish to downgrade your tariff package after 12 months but still want to benefit from fixed prices, discounted rapid-charging at IONITY charging stations and complete transparency, choose tariff M. This tariff is recommended for regular drivers.

Consisting of:

- All Mercedes me Charge features
- Fixed prices per kWh (AC: £0.52/kWh; DC: £0.61/kWh)¹
- IONITY rapid-charging stations discounted (£0.61/kWh)

Free of charge for the duration of 12 months.

Thereafter:

£4.90/month

Tariff S

Recommended for 'casual drivers'

Should you wish to downgrade your tariff package after 12 months, there is the option to go for tariff S, which still offers you all the Mercedes me Charge features based on flexible prices per kWh. This tariff is recommended for casual drivers.

Consisting of:

- All Mercedes me Charge features
- Flexible prices per kWh

£0/month

¹Tariff rate excludes the BP Pulse charging network

Price information is not guaranteed and is subject to change. Definitive price information can be found on the Digital Charging Solutions page: <https://eu.charge.mercedes.me/web/en/daimler-gb/tariffs>

Design	Technology	Plug-in Hybrid	Model lines	Upholstery	Model prices	Mercedes-AMG	Mercedes-AMG prices	Mercedes-AMG upholstery	Personalisation	Standard equipment	Genuine accessories	Technical data	Additional information
--------	------------	----------------	-------------	------------	--------------	--------------	---------------------	-------------------------	-----------------	--------------------	---------------------	----------------	------------------------

Home charging with bp pulse Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

Home charging with bp pulse: £999* incl. VAT and standard installation

Key benefits of bp pulse:

bp pulse is one of the only full-service charging solution providers in the UK – producing and installing tens of thousands of their own smart-enabled and reliable Homecharge units across the country.

A comprehensive 3 year warranty.

The standard installation package includes up to 15m of external cabling.

It comes with a bundled offer of 3 month free subscription to the public network and 250 free miles of charge.

The bp pulse home unit is designed from the ground up to be user friendly, future proofed and feature packed with an exciting roadmap of over the air updates ahead.

The bp pulse public network consists of over 9,000 charging bays across the UK with the best rates on a subscription basis.

Choice of tethered or un-tethered units.

OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.¹ To find out whether you are entitled please contact your local Mercedes-Benz Agent.

Questions?

Please contact your local Mercedes-Benz Agent to submit an enquiry to your chosen charging partner on your behalf. To find your local Mercedes-Benz Agent, please click the button at the top right hand corner.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

¹The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

Home charging with Pod Point Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. Charge your vehicle with the home charger up to 3x faster than using a standard domestic socket.

Home charging with Pod Point: £875* incl. VAT and standard installation

Key benefits of Pod Point:

Pod Point is one of the leading provider of EV charging in the UK with over 120,000 home chargepoints installed.

A comprehensive 3 year 'swap out' warranty is included.

Auto Power Balancing lets you adjust your charge so that your electrical supply doesn't get overloaded when your home is using a lot of energy.

Built-in earthing protection removes the needs for expensive earth rods.

The Pod Point public network consists of over 6,200 charging bays across the UK with over 80% of the charge points free to use.

The standard installation package includes up to 15m of external cabling.

Choice of tethered or un-tethered units.

OZEV Grant:

You may be entitled to claim for an OZEV grant towards the cost of your home charger.¹ To find out whether you are entitled please contact your local Mercedes-Benz Agent.

Questions?

Please contact your local Mercedes-Benz Agent to submit an enquiry to your chosen charging partner on your behalf. To find your local Mercedes-Benz Agent, please click the button at the top right hand corner.

Warning!

If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

*Price excludes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

¹The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

Open-pore black ash wood trim

12.3-inch digital instrument cluster

Interior

Ambient lighting – 64 colours – all colours can be selected individually. Eight colour schemes each consist of two colours – the cockpit and the footwell are kept in the same colour, while the centre area of dashboard forms a contrast. The colours are static or slowly replace each other in Dynamic mode to produce a constant change of colour. Special emotively appealing effects: a light show welcomes the driver, and the climate control indicates in colour via the ambient lighting whether a warmer or colder temperature is being set. Adjustable brightness of the LEDs, with 10 levels and three zones: cockpit, front seat area and also entire dimming zone. The internal workings of the air vents are finished in silver chrome and illuminated. Additional illumination of the piping on the dashboard above the trim element and in the doors. Here the coloured piping is replaced by a transparent fibre-optic cable

Seats – AMG sports seats in leather

Communications, Safety and Assistance Systems

12.3-inch digital instrument cluster

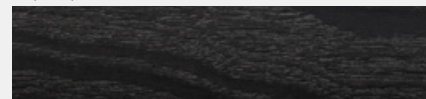

Smartphone integration¹ comprising Android Auto® and Apple CarPlay™. Please check on www.apple.com/uk/ios/carplay/ for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console

¹The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. ²Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO₂ figures can be found at <http://www.mercedes-benz.co.uk/WLTP>. ³A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 52 for the relevant rate for the second and subsequent years. ³The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£730.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

Become the AMG expert

Unleash a new level of performance.

Step into the world of performance and experience the AMG brand at Mercedes-Benz World – from the powerful sound of the engines to the smell of the leather to the unmistakable design of our vehicles.

Mercedes-Benz World invites all Mercedes-AMG customers to a complimentary adrenaline-packed driving experience. Feel the sensational AMG driving performance, develop your driving skills and even try your hand at power-sliding on the Wet Skid Circle. With expert one-to-one guidance from a Driving Specialist in the passenger seat, experience every inch of our Handling Circuits, Dynamic Straight and low friction surfaces.

[Click here for more information](#)

TERMS AND CONDITIONS
The following customers only are eligible: The first purchaser/registered keeper of a newly registered Mercedes-AMG. The complimentary Training must be booked and taken within 12 months of delivery of your Mercedes-AMG, the Training is offered on specific days only and subject to availability. Upgrades are available for an additional cost, details upon request. Transferable to individuals who reside at the same postal address only. Mercedes-Benz UK Limited reserves the right to amend or withdraw this Training experience. Attendees must hold a full UK driving licence. Attendees will be required to sign the Mercedes-Benz World Driving Risk Acknowledgement prior to undertaking the Training experience. The Training experience is also subject to the Mercedes-Benz World Terms and Conditions, as applicable. Invitation is emailed to the customer post-delivery, permission via the customer contact preferences must be given to enable Mercedes-Benz World to contact. Mercedes-Benz demonstrator vehicles are not eligible.

Trailer coupling with ESP® trailer stabilisation

Trailer coupling with ESP trailer stabilisation (code 550)

Available on all models

Total incl. VAT £750.00

Except Mercedes-AMG GLC 63 S 4MATIC+ Night Edition Premium Plus

Expand your transport options: with this practical equipment you can hitch up both trailers or caravans and also mount cycle racks. The trailer coupling is ready for use in no time at all – and can be folded in again behind the rear bumper just as quickly when it is no longer needed.

Operating safety is the top priority: to fold out the trailer coupling, you must first unlock it via the control button in the boot. As soon as the button light goes out, the trailer coupling is correctly engaged and is therefore ready for use.

Even when driving you can benefit from a comprehensive safety concept: the ESP® trailer stabilisation is able to intervene automatically in critical situations when driving with a trailer. The associated sensor system detects the trailer independently as soon as the electric plug is connected to your vehicle.

The ESP® stabilisation functions are automatically active from a speed of 40 mph. When undesired oscillating motions are detected, the Trailer Stability Assist actively dampens these with the aid of alternate brake actuation of each individual wheel. In most cases this is already sufficient to reduce dangerous oscillations. If necessary, the system additionally reduces the speed: for this, the engine torque is reduced and the vehicle is braked via all four wheels.

Floor mats – AMG floor mats with edging and embroidered 'AMG' lettering	●	●	●
Front door sill panels with 'Mercedes-Benz' lettering	●	●	●
Head-up display	–	–	●
Heated steering wheel	–	●	–
Instrument cluster with 12.3-inch digital instrument cluster display. High-resolution instrument cluster screen with choice of three display styles	●	●	●
Interior Lighting package – lighting of footwells, door handle recesses, as well as rear reading lamps (LED) and courtesy lights in all doors, illuminated vanity mirrors	●	●	●
KEYLESS-GO starting function	●	●	●
KEYLESS-GO with keyless access	–	●	●
Outside temperature display, rear seat belt status indicator	●	●	●
Seats – front, electric adjustment (backrest, height and seat cushion inclination) with four-way electric lumbar support and manual seat cushion depth adjustment (6 cm)	●	–	–
Seats – front, heated	●	●	●
Seats – Memory package: driver's seat, front passenger seat, steering column and exterior mirrors – electrically adjustable with memory	–	●	●
Sports pedals in brushed stainless steel with rubber studs	●	●	●
Stowage – double cup holder in centre console	●	●	●
Stowage – illuminated and lockable glove compartment	●	●	●

	GLC 63 S Night Edt. Premium Plus	GLC 43 Premium Plus	GLC 43 Premium
Stowage package – map pockets on the back of front seats, net on load compartment floor, folding box beneath load compartment floor, 12 V socket in load compartment, stowage compartment beneath load compartment floor, cargo rails	●	●	●
THERMOTRONIC – 3-zone automatic climate control	●	●	●

Steering

Steering – Direct-Steer speed sensitive steering	●	●	●
Steering column – electrically adjustable for height and reach	–	●	●
Steering column – manually adjustable for height and reach	●	–	–
Steering wheel – 3-spoke multifunction AMG steering wheel in black nappa leather with flattened bottom section, chrome inserts and perforated leather in grip area	–	–	●
Steering wheel – AMG steering wheel buttons	–	–	●
Steering wheel – multifunction sports steering wheel in black nappa leather, with flattened bottom section, heavily embossed in central grip area, with steering wheel trim in silver chrome with contrasting topstitching in red	●	●	–

Paint, Trim and Upholstery

Paint – non-metallic	●	●	●
Trim – AMG carbon-fibre/light longitudinal-grain aluminium	–	●	●
Trim – anthracite open-pore oak wood	●	–	–
Upholstery – AMG nappa leather	–	–	●
Upholstery – leather	●	●	–

Standard equipment Mercedes-AMG

● Standard – Not available

Safety and Assistance Systems

	GLC63 S Night Edt. Premium Plus	GLC43 Premium Plus	GLC43 Premium
360° camera – four networked cameras in front grille, wing mirrors and boot capture a 360° bird's-eye view of vehicle's immediate surroundings	–	●	●
Active bonnet – pedestrian safety measure which detects an impact and raises bonnet	●	●	●
Active Parking Assist with PARKTRONIC – detects parking spaces at up to 22mph, controls steering, in conjunction with automatic transmission it also helps with accelerating, braking and changing gear. Visual and audible warning of detected obstacles based on distance and position and on detecting crossing traffic when reversing out of a parking space. System is able to briefly limit the moving-off speed when an obstacle is detected in the direction of travel	●	●	●
Adaptive brake lights	●	●	●
ADAPTIVE BRAKE system with HOLD function and dry braking in the wet	●	●	●
Alarm system with immobiliser and interior protection	●	●	●
ATTENTION ASSIST – continuously analyses driver behaviour and steering movements. If patterns are recognised which characterise drowsiness, the driver is prompted to take a break, and an audible warning is sounded	●	●	●
Automatic child seat recognition sensor	●	●	●
COLLISION PREVENTION ASSIST PLUS – the driver is given a visual warning if the distance from a vehicle in front is inadequate. On detecting the danger of a collision there is an acoustic warning, driver braking can be assisted and, if the driver fails to react, the speed can be reduced autonomously. Autonomous partial braking only occurs if the driver fails to react and is travelling at a speed range between 4–65 mph speeds for moving objects and 4–31 mph for stationary objects	●	●	●
Dual-stage airbags – driver and front passenger; driver kneebag and windowbags for driver, front passenger and rear passengers	●	●	●
Electric parking brake	●	●	●
Electronic Stability Programme (ESP®) with Curve Dynamic Assist and Crosswind Assist – for greater driving safety and stability, in particular when accelerating on bends; counters understeer by one-sided braking action. Detects sudden, strong gusts of wind and helps the driver stay in lane by means of targeted braking	●	●	●

ISOFIX child seat attachment points with top tether in rear (two outer seats)	●	●	●
Remote boot release	●	●	●
Reversing camera	●	–	–
Service indicator ASSYST	●	●	●
TIREFIT tyre-sealant kit	●	●	●
Traffic Sign Assist	●	●	●
Tyre pressure monitoring system	●	●	●
URBAN GUARD vehicle protection	●	●	●

Communications and In-Car Entertainment

Hard-disk navigation	●	●	●
MBUX multimedia system with DAB digital radio and touchpad	●	●	●
MBUX voice control activated by keywords “Hey Mercedes”	●	●	●
Media display – 10.25-inch touchscreen display	●	●	●
Mercedes me connect (standard services) ¹ – emergency call system (eCall), accident recovery, breakdown management and maintenance management	●	●	●
Smartphone integration ² comprising Android Auto™ and Apple CarPlay®. Please check on www.apple.com/uk/ios/carplay/ or www.android.com/intl/en_uk/auto for compatibility and approved apps. Certain features and apps require a 3G or 4G data connection. Control of features available through voice control and controller on centre console	●	●	●
USB ports (2) in centre console	●	●	●

¹The availability of the control unit needed for 4G connectivity is temporarily limited for certain vehicles due to supply bottlenecks. This means that all Mercedes me connect services including the emergency call system (eCall) are not available at present in some vehicles. For further information contact your local Mercedes-Benz Agent

²Compatible mobile phone required

Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your GLC.

Basic carrier bars

Aerodynamic basic carrier bars in aluminium. Multifunctional basis for attaching all Mercedes-Benz transport and leisure accessories. (A2538901100)

Mercedes-Benz roof box 450, opens on both sides

Mercedes-Benz roof box, available in different colour variants to coordinate with Mercedes-Benz Passenger Cars paintwork. Impact-resistant, sturdy, durable, recyclable, spray-protected. Opens on both sides. Single lock system with 3 locking mechanisms on each side. Gas-filled struts for easy opening and closing of lid. Maximum load capacity of 75 kg. Unladen weight of 20 kg. The roof box allows transport of winter and summer leisure accessories. (A0008401200)

Mercedes-AMG roof box

The innovative, aerodynamically developed design of the Mercedes-AMG roof box combines sportiness and exclusivity. A simple assembly is made possible by a rapid clamping system. Capacity approx. 410 litres. Maximum load 70 kg. (A0008401000)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information

Concertina load sill protector

The concertina load sill protector not only protects the boot from contamination, but also protects the bumper and boot sill from becoming scratched. The load sill guard can be attached via hooks to the lifting eyes or can be attached via a velcro strip to the reversible mat or roof box. (A2536932000)

All-season floor mats CLASSIC, front, 2-piece

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo. The mats are precision-tailored to your Mercedes-Benz. Can be clip-fastened to the floor of the vehicle to prevent slipping. (A25368044019G33)

AMG KIDFIX XP child seat, with ISOFIX, ECE + China

AMG child seat for children aged from about 3.5 to 12 years (15 to 36 kg). Forward-facing seat. Securely connected to the vehicle using a three-point seat belt or additionally using ISOFIX. With side impact protection in the form of a high-energy absorbing pad. Adjustable head restraint allows the seat to match the child's growth. The cover, in an exclusive AMG design with original AMG Dinamica seat cover material, can be removed and washed. (A0009703302)

AMG door sill panels, illuminated, front, interchangeable cover (AMG only)

An eye-catcher in the dark: the black, replaceable cover featuring yellow AMG lettering for the door sill panels, featuring LED lighting. (A2056862300)

Reversible mat

Black reversible mat. 100% polyester. Double-sided: rubberised, non-slip side and high-quality velour side. Design allows the concertina load sill protector to be connected. Tailored to the contours of the load compartment. (A2536807103)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Authorised Repairer for more information. Images shown are for illustration purposes only.

¹Figures according to Directive 80/1269/EEC in the currently applicable version ²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency ⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)

Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO₂ emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO₂ emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO ₂ emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles	
				Standard rate (£)	Premium rate (£) ¹	Standard rate (£)	Premium rate (£) ¹	Standard rate (£)	Premium rate (£) ¹

Services and insurance

Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your GLC, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz.

With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash.

You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

[Click here for more information](#)

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover³. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Agent. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[Apply for First Cover](#)

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Mercedes-Benz Agent ²Subject to full Terms and Conditions, dependent on date of registration, available upon request ³Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

Effective from December 2022 Production. Information correct at time of publication 01.04.2023.
Prices and specifications are subject to change without prior notice.
