

A white MG HS SUV is shown from a front-three-quarter perspective, driving on a paved road that curves through a lush green landscape. The car's license plate reads 'MG HS'. The background features rolling hills and a clear blue sky with some clouds. The car is in motion, as indicated by the blurred background and the road surface.

MG HS

Find your Happy Space.

A HAPPY SPACE FOR THE WHOLE FAMILY

The MG HS takes the family SUV to the next level. Elevating your drive with sharp, head-turning looks, as well as a luxurious interior that provides comfort and practicality.

The MG HS powertrain offers a smooth, highly efficient ride, with a choice of Plug-in Hybrid or Petrol variants.

Whether you're off on a family adventure or a grown-up getaway, the MG HS creates the ideal space. Giving you, and the whole family, the perfect blend of style, confidence and joy.

FEATURE-FILLED & FAMILY-FRIENDLY

From style to tech to capability, the MG HS has all the features for everyone to find their Happy Space.

Space for relaxing

The MG HS offers excellent cabin space, meaning there's plenty of room for everyone to relax. Plus, there's up to 1,484 litres of boot capacity - with space for sports gear, weekend luggage or the family dog.

Space for performance

Relax at the wheel as the Plug-in Hybrid powertrain offers up to 75 miles* of EV range - whilst the 1.5T petrol engine delivers 169PS of power and 275Nm of torque.

The Plug-in Hybrid model is also sprightly for a large SUV, taking you from 0 to 62mph in just 6.8 seconds*.

Space for practicality

Your MG HS is loaded with features to help make every journey effortless - including wireless charging**, dual 12.3" screens and MG Pilot driver assistance for smoother, safer driving.

*Plug-in Hybrid models only. Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. **Trophy models only.

7 YEAR
WARRANTY

SPACE TO FEEL HAPPY

Life feels better when there's room to breathe. That's why the MG HS has been designed to give you more space to load up, sit back and relax.

There's generous leg and headroom for everyone, front and rear. Not to mention 507 litres of boot space, expanding to 1,484 litres with the rear seats down. You can make your journey even easier with a power tailgate in the Petrol Trophy edition, or smart, hands-free tailgate in the Plug-in Hybrid Trophy edition.

Perfect practicality, whether you're heading off to the shops, the school run or a weekend escape.

TECH TO FEEL GOOD ABOUT

Step inside the cabin of the MG HS, and you'll find more advanced tech features to make life simpler and smarter.

At the heart of your dashboard is a 12.3" HD Virtual Cluster that puts everything, from your sat-nav to your favourite songs, at your fingertips. Its intuitive design means you get complete control with zero complexity.

The MG HS's host of intelligent systems includes iSMART technology, helping with everything from providing Wi-Fi to heating the seats on frosty mornings. There's our innovative driver safety system, MG Pilot, as well as Apple CarPlay™ and Android Auto™ compatibility.

Plus, to help you manoeuvre with complete confidence, the 360° HD camera* gives you total visibility all around and even, on the Trophy edition, underneath your MG HS.

*Trophy models only

A DRIVE TO ENJOY

Every time you take to the road in your MG HS, our advanced powertrains deliver a premium, effortless drive.

The latest generation Plug-in Hybrid powertrain features an intelligent hybrid configuration for enhanced efficiency and power regeneration – with up to 75 miles of EV range*. Alternatively, our new Petrol model offers a choice of either 6-speed manual or 7-speed DCT transmission. Whatever is right for you, there's also no compromise on peace of mind, as the MG HS range is backed by MG's 7-year warranty.

Multi Function Steering Wheel

All this performance is in easy reach with the multi-function steering wheel. Set your Cruise Control, flick through Driver Display menus, activate voice recognition and more, with controls beautifully set in a brushed aluminium and perforated leather effect design.

*Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration.

MG iSMART: INTUITIVE INTERACTION

With our innovative iSMART technology, you don't just control your MG HS, you also communicate with it.

With a range of smart functions that allows you to; locate your MG HS in a crowded car park, get the kids on Wi-Fi ready for a long journey ahead, or even start heating the seats in advance, so they're just the right temperature when you step inside on a cold morning.

iSMART features include*:

- Locking and unlocking the doors
- Finding your parked MG HS
- Monitoring fuel levels, driving range and tyre pressure
- Wi-Fi hotspot**
- Travel planning
- Pre-starting climate to cool or heat cabin ahead of journey
- Pre-heating seats for cold mornings**

*Standard on MG HS SE Plug-in Hybrid and MG HS Trophy models. **Trophy models only

PLUG-IN TO HAPPINESS

Our new generation of MG HS Plug-in Hybrid upgrades its already impressive electric performance to help you go further, while shrinking your carbon footprint and fuel bills.

The MG HS delivers up to 75 miles* of electric range thanks to its 24.7kWh battery. Perfect for short urban commutes, this extended EV range helps you maximise efficiency while minimising emissions.

Power up with Vehicle to Load

The MG HS Plug-in Hybrid also makes life better when you reach your destination. With our Vehicle to Load (V2L) technology, you can power up other appliances away from home. Whether it's your electric bike, your airbed or your laptop, just plug in with the optional cable** and control the supply through your cabin's virtual display.

*Range figures provided are calculated under test conditions. EV only driving range of 75 miles WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration. **Adapter available at extra cost.
