

**NISSAN NV200
EURO 5**

NV200 DRIVING THE NEW

The new NV200 van is a 'segment breaker' - it offers big van capabilities within a compact van footprint. It is a class leader in terms of load length, volume and low floor height and despite its amazing load capability the driver is not forgotten. You can enjoy a spacious comfortable cabin with plenty of storage and an 'SUV style' high driving position giving superb visibility and easy ingress and egress. It's good news for operators too, with a class leading low CO₂ figure of only 135 g/km - the first Nissan Puredrive commercial vehicle - and excellent economy. No compact van can carry so much while emitting so little.

As well as the superb load carrying capacity of the van, the combi version offers supreme versatility for the carriage of both cargo and passengers. Equipped with either 5 or 7 seats it can carry a full complement of passengers, or the fully folding rear seats make way for a large cargo area. Both versions belie their large interior space with a compact exterior, contributing to a tight turning circle and easy parking and manoeuvrability in the most congested areas.

COMPACT BODY WITH UNLIMITED POSSIBILITIES

COMPACT, WITH BIG POSSIBILITIES

For everything from bread to building materials, NV200 gives you the maximum possible carrying capacity.

Intelligent design means NV200 packs remarkable cargo space into its external dimensions. With an overall length of 4.40m and overall width of 1.69m, NV200 compactness will surprise you, making it easy to manoeuvre and park in the most challenging urban environment.

OUTSTANDING VERSATILITY

Look beyond NV200 Combi's distinctive styling, and you'll find exceptional versatility to help you within all your activities. It offers you the most flexible moving space with almost unlimited carrying capabilities.

It comfortably seats up to seven people. Or with five people, in two rows of seats, there's still 2.3m³ of luggage space. NV200 is the ideal vehicle for transporting passengers, cargo or even both.

3.1m³

Up to 3.1m³ trunk volume when second row folded.

2.3m³

Up to 2.3m³ trunk volume with two rows - 5 passengers.

7 SEATS

More seats, more knee room, more head room.

SMART AND CONVENIENT

It's easier to work and relax in NV200's smart interior. There's a solid, quality feel to the materials. Plus many storage spaces, designed for the items you use every day. For example, the passenger seatback folds forward to create a useful flat workspace. See more, hear more, know more with Nissan Connect*, your fully-integrated navigation, communication and audio-entertainment system.

Plan your course with a 5" touch-screen and display optimal routes, music and info-alerts and even your phone book and personal files.

Track your progress with high-definition 2D or 3D maps and auto-zoom on key targets. With voice guidance in 9 languages across Europe.

Play CDs in any format, browse with Bluetooth® audio-streaming or opt for the radio and traffic reports at once.

Keep in touch with Nissan Connect, your fully- integrated navigation, communication and audio-entertainment system. With steering wheel commands and a 5" touch screen to display optimal routes, music and info alerts, your phone book and personal files. Find high-definition 2D or 3D maps and auto-zoom on targets. Get voice guidance in 9 languages across Europe. Play CDs in any format, plug in your iPod, MP3 player or USB stick, browse with Bluetooth® audio streaming or listen to the radio and traffic reports at once. Open your network thanks to hands-free connectivity and enjoy the world at your fingertips.

* Nissan Connect is only available on Van version n-tec grade and Combi version SE+ grade.

NV200 has 13 different storage spaces. The centre upper tray and glovebox are ideal for paperwork. There are storage trays between the front seats and in front of the passenger (when no passenger airbag is fitted). Holders for your drinks bottles and cans, between the seats and on the dashboard, are within easy reach. The large door pockets will take an A4 road map. NV200 has concealed storage too, such as the drawer under the driver's seat, a secret compartment in the glovebox and another in the centre console.

2 SEATS

In two-seat configuration, NV200 Combi can take three mountain bikes with front wheels still attached. That's a versatile space.

5 SEATS

Even with five people on board, NV200 Combi can still take a large size suitcase for each of them. That's 2.3m³ of load space (2.1 m³ with the optional 3rd row folded in 7 seat versions).

7 SEATS

When its nearest rivals have run out of luggage space, NV200 Combi can still easily accommodate at least two large size suitcases.

Intelligent storage spaces, cargo hooks (or alternatively a tonneau cover from accessory) and the smart, business-like cabin all create a good impression with your passengers, and make life easier for you.

ADAPTABLE SPACE

All seats fold to increase load space.

COMFORTABLE AND ADAPTABLE

NV200 Combi gives you more space inside, while its adaptable, modular seating creates almost unlimited configuration possibilities. Whether it's carrying two, five or seven passengers, NV200 Combi still has surprising room for luggage. Both the 2nd and optional 3rd row seats fold out of the way to leave a clear, low floor, so it's easy to get everyone and everything on board.

CLEVER VERSATILE SPACE

NV200's huge cargo space has been cleverly designed to maximize internal dimensions and make your work easier. Interior length reaches 2.04m and the width between wheel arches is 1,22m so that two Euro pallets fit in easily. The cargo floor is only 524mm from ground level, so loading NV200 is quicker and easier. Standard floor hooks help keep your deliveries secure. NV200 can be configured to meet your needs, with a choice of solid steel bulkhead or mesh folding bulkhead, two sliding side doors and optional rear glazing.

Space for a long ladder
(with optional folding bulkhead).

Space for two Euro pallets.

FLOOR HEIGHT

OUTSTANDING CARGO CAPACITY

NV200 provides you with an outstanding cargo space, the biggest in its category. NV200 has been designed to maximize cargo space by optimizing internal dimensions. With 4.2m³ cargo volume and 739kg payload, NV200 is ready for any unexpected jobs.

4.2M³ CARGO VOLUME

UP TO 739 kg PAYLOAD

2.04M

NV200 has a load space long enough for two full size Euro pallets.

1.50M

With more space between sides, wider loads are easy too.

1.36M

A low floor and tall roof means more height to cope with bulky loads.

4.2M³

Class leading cargo volume.

CITY WISE

NV200 thrives in the city. Its unique size makes it easier to position in traffic and to park than its competitors. Excellent visibility from the high seating position, plus superb agility, help you manoeuvre easily in crowded streets.

REAR VIEW CAMERA

Squeezing into small parking spaces and loading bays is easy work with the rear view camera (standard from SE grade upwards). The dashboard display shows you a full colour view of the area behind you, and superimposes guidelines to help you position NV200 exactly where you want it.

SEE CLEARLY, SIT COMFORTABLY

NV200's driving position is higher than its rivals to help you see further ahead, with the dashboard instruments angled to face you, so you can read them with just a quick glance.

NV200's 10.6m turning circle kerb to kerb and compact 4.4m overall length put you streets ahead when you're picking your way through congested cities.

Low floor allows easy entry and exit.

POWER WITH ECONOMY

NV200 is equipped with a powerful yet frugal 1.5 dCi turbo diesel engine. There's choice of the high efficient engine producing 89HP and 200Nm torque, mated to a smooth 5 speed manual transmission; alternatively if you want more power, 110HP with six-speed gearbox is available providing 240Nm maximum torque for your need. The dCi engines offer excellent fuel economy, with an impressive range in everyday driving conditions, so you can also go longer between fill-ups. Low CO₂ emissions enable you to reduce your 'carbon footprint'.

1.5 dCi

5 or 6-speed manual transmissions available

DIESEL	OUTPUT (HP)	NORM	CO ₂ EMISSIONS	GEARBOX TYPE	MPG (COMBINED CYCLE)
1.5 dCi	89	Euro 5	from 135g	5-speed manual	55,4
1.5 dCi	110	Euro 5	from 139g	6-speed manual	53,3

LOW COST OF OWNERSHIP

NV200 makes good business sense. From the outset, it's been designed to offer a low total cost of ownership. Not only through minimal everyday running costs, but also through robust construction and durable materials for long life and reliability.

HARD TO BREAK, SIMPLER TO REPAIR

NV200 is tough, to handle the demands of hard work and to keep you well protected. Outside its rigid central structure are effective energy absorbing zones that dissipate impact forces. Though strong, they're also easy to repair.

KEEPING YOU INFORMED

NV200 is equipped with a multifunctional display with onboard trip computer that provides all the information you need to help you drive economically. It shows you engine revs, average and real time fuel consumption, and your remaining range. With the rear view camera*, the display switches to a full colour picture of what's behind you, the moment you select reverse gear.

GEAR CHANGE INDICATOR

When the engine reaches the ideal revs to change up, an indicator shows in the multifunctional display the ideal timing to change gear. This helps you drive more economically.

SAFETY

NV200 is equipped with a number of active safety systems, including ABS with Electronic Brakeforce Distribution (EBD), Brake Assist which increases your braking effort, and Stability Control. A driver's airbag and front seat belt pretensioners are standard. Electronic Stability Protection (ESP), plus passenger and side airbags are also available on some models.

* Camera available on certain models only, see Technical Specification guide for details.

IPHONE® APPS

NV200 MANUAL

FIND MY VAN

NV200 MANUAL

Now it's possible to get the comprehensive operator's manual of NV200 as an iPhone® app, to access relevant information quickly and to bookmark important pages, some of which are augmented by 'how to...' demonstrations on video. The operating manual iPhone® app means the driver can access all the information he might need in a highly user friendly and engaging manner at any time and in any place.

FIND MY VAN

Have you ever parked in an unfamiliar part of town - or somewhere you've never been before - and then forgotten exactly where you left the vehicle? Then Nissan has the answer.

Called Find My Van, at its most simple level it allows a driver to input the precise location of a parked van using the phone's inbuilt GPS system and bundled Google Maps software. To find the vehicle again later, all the driver needs do is call up Find My Van, press a compass symbol shown on the screen and accurate directions will be given on a map to where the vehicle is parked.

ACCESSORIES

1/ PLASTIC FLOOR PROTECTION FOR VAN. Rugged, easy to clean and with an anti-slide surface that helps keep your cargo in place.

2/ MATS. Keep the cockpit carpet clean with these rubber or textile floor mats. The floor mats feature a neatly stitched NV200 logo, are tailored to fit precisely and include fixings so they stay in place (can be easily removed for cleaning).

3/ MULTI-PARTITION NET. This ingenious storage net can be used in four different positions, to keep loads apart and to carry light loads up to 10kg. It's attached by a system bar and utility hook, both available separately. Here it's being used to create extra load space, as a roof net.

4/ MULTI-PARTITION NET. Here, attached at waist height, to hold light loads up to 10kg and also help to conceal any goods on the floor.

5/ MULTI-PARTITION NET. In this picture, attached at floor level to help keep loads in place (up to 5kg).

6/ CARGO PLASTIC PROTECTION FOR FRENCH DOOR WITHOUT WINDOW, REAR PANEL AND WHEEL ARCH. These durable plastic panels are part of a range developed to protect virtually all the interior load space. Lighter than wood panels and slim enough not to intrude on the load space, they're tough, easy to clean and provide smart and very effective protection.

7/ UTILITY HOOK AND SIDE RAIL. Useful accessories that fix securely to the side wall of NV200, for attaching ropes to secure cargo.

Refer to the NV200 accessories brochure for more information.

COMMITMENTS

YOU + NISSAN

YOU CARE ABOUT YOUR NISSAN SO NISSAN WILL CARE FOR YOU.
THAT'S WHY WE'LL MAKE THE FOLLOWING COMMITMENT:

YOU care about staying on the road when your Nissan is in for service or repair.

YOU care about quality enough to have your Nissan serviced at a Nissan dealership.

YOU care about getting the best value for money when it comes to service and repair.

YOU care about having your problems resolved quickly.

YOU care about getting the right Nissan model, engine & gear box to test drive.

NISSAN will keep you mobile free of charge.

NISSAN says thanks by giving you continuous RAC roadside assistance for free.

NISSAN will price match like for like competitor written quotes within 10 miles of your local dealer.

NISSAN will propose how to resolve any problem within 2 working days.

NISSAN will guarantee that's what you'll get when you pre-book your test drive either online or through our customer service centre.

YOU + NISSAN
CARE

For terms and conditions, please visit nissan.co.uk/care

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £210 per annum.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Three-year/60,000 miles manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

NV200 Combi - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new NV200 Combi sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the 1st 3 years of your vehicle's life.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Services Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
